

## Cunard Reveals Completion of \$40 Million Refurbishment of Queen Victoria

June 9, 2017

VALENCIA, Calif., June 9, 2017 /PRNewswire/ -- [Cunard](#)'s iconic ship [Queen Victoria](#) made her much-anticipated return to Southampton yesterday, showing off an array of stunning new features following an impressive \$40 million refurbishment.

First-look photography released today reveals the fruits of Cunard's labor, from large mesmerizing enhancements to the subtle details, impeccable care and diligence has been taken to ensure passengers are greeted with the ultimate luxury experience from the moment they step on board.

Exquisite interior design takes center stage in the new Britannia Club Restaurant and continues to triumph within the new 43 spacious Britannia Club staterooms. Further enhancements on board include beautifully refined and redesigned Grand and Penthouse Suites, as well as a luxurious new sun deck offering space and tranquillity and a stunning enhanced Winter Garden. Every stateroom has been refreshed, including the installation of large flat screen TVs and much requested tea and coffee making facilities.

The regal ship, which was taken out of service on May 5 to undergo the refit at the Fincantieri Shipyard in Palermo in Italy, returned to service in style yesterday, setting off on a floral adventure to the Canary Islands, as part of a special [Festival of Flowers](#) voyage.

"The combined investment of \$172 million for Queen Victoria's refit along with Queen Mary 2's remastering is a testament to Cunard's commitment to our iconic vessels and enhancing our passenger experience," said Josh Leibowitz, senior vice president, Cunard North America. "With the new designs and enhanced onboard offerings Queen Victoria is poised to sail the next generation of Cunarders offering unparalleled voyages."
