Exclusive entertainment experience created for Seabourn can now be seen on all four ships

Seattle, May 31, 2017 - Following the successful launch of [Seabourn's](#) exclusive partnership with acclaimed English musical theatre lyricist of Broadway, Sir Tim Rice, the world's finest ultra-luxury cruise line is announcing his successful production, "An Evening with Tim Rice," now playing on all Seabourn ships.

The show, in association with Belinda King Creative Productions and directed by Belinda King, first debuted in January 2017 on the inaugural voyage of [Seabourn Encore](#) and is now part of the evening entertainment repertoire on board [Seabourn Odyssey](#), [Seabourn Sojourn](#) and [Seabourn Quest](#). It will also debut on [Seabourn Ovation](#) in 2018 when the ship is launched.

"We have received wonderful feedback about Sir Tim Rice's show on *Seabourn Encore*, and are very excited that our guests on each of our ships can now take part in enjoying some of the finest entertainment in the industry while traveling with us," said Richard Meadows, president of Seabourn. "I'd invite anyone who is a fan of his work to join us because this show can't be seen anywhere else."

"An Evening with Tim Rice" is a concert-style presentation narrated via video by Rice to highlight some of his most loved work - from *Jesus Christ Superstar* to *Aladdin* and *The Lion King*. The show also includes a number from *Chess* called "One Night in Bangkok," and a broad "Circle of Life" finale.

The production is enhanced through anecdotes and visuals from Rice's personal archive, and audiences will learn how each song came to life as they are drawn into the mind of one of the world's most iconic songwriters.

Additional cast members have joined the show during the rollout, many of whom have extensive professional experience performing on Broadway and the West End theaters. They include Dayle Hodge, who just finished playing Frankie Valli in the hit West End musical, *Jersey Boys*; JC McCann, who starred as Joseph in *Jersey Boys* on the Broadway tour; Rachel Jerram, who appeared in *Avenue Q* in both the West End and U.K. tour; Matias Polar; who appeared in *FAME* on the U.S. tour; and Ellie Ann, who performed in *Saturday Night Fever* in the U.K. national tour.
