

Princess Cruises Cancels Australia Cruise Holidays Through December 19, 2021

July 1, 2021

SANTA CLARITA, Calif., June 30, 2021 /PRNewswire/ -- Due to continued uncertainty regarding the timing for the resumption of cruise holidays in the region, Princess is cancelling cruises in and out of Australia through December 19, 2021.

For guests booked on a cancelled cruise, Princess will move guests to an equivalent cruise in 2022. The rebooking process will have the added benefit of protecting the guests' 2021 fare on their replacement cruise. Alternatively, guests can choose a future cruise credit (FCC) equivalent to 100% of the cruise fare paid plus an additional non-refundable bonus FCC equal to 10% of the cruise fare paid (minimum \$25 USD) or a full refund to the original form of payment.

Requests must be received through [this online form](#) by **July 31, 2021** or guests will automatically receive the FCC option. FCCs can be used on any cruises booked by and sailing by December 31, 2022.

Cruises can be booked through a professional travel advisor, by calling 1-800-PRINCESS (1-800-774-6237), or by visiting the company's website at www.princess.com.

Princess will protect travel agent commission on bookings that were paid in full in recognition of the critical role they play in the cruise line's business and success.

The most current information and instructions for booked guests affected by these cancellations, and more information on FCCs and refunds, can be found online at [Information on Impacted & Cancelled Cruises](#).

About Princess Cruises:

One of the best-known names in cruising, Princess Cruises is the world's leading international premium cruise line and tour company operating a fleet of 14 modern cruise ships, carrying two million guests each year to 380 destinations around the globe, including the Caribbean, Alaska, Panama Canal, Mexican Riviera, Europe, South America, Australia/New Zealand, the South Pacific, Hawaii, Asia, Canada/New England, Antarctica, and World Cruises. A team of professional destination experts have curated 170 itineraries, ranging in length from three to 111 days and Princess Cruises is continuously recognized as "Best Cruise Line for Itineraries." In 2017 Princess Cruises, with parent company Carnival Corporation, introduced MedallionClass Vacations enabled by the OceanMedallion, the vacation industry's most advanced wearable device, provided free to each guest sailing on a MedallionClass ship. The award-winning innovation offers the fastest way to an effortless personalized vacation giving guests more time to do the things they love most. The company is part of Carnival Corporation & plc.
