

Princess Cruises Celebrates the Madrina of Discovery Princess - Hotel General Manager Terri Cybuliak

March 8, 2022

SANTA CLARITA, Calif., March 8, 2022 /PRNewswire/ -- Princess Cruises recently celebrated and honored the Discovery Princess Madrina – Hotel General Manager Terri Cybuliak – currently serving onboard Sky Princess, leading a team of 1,200 crew members within the hotel department. Her main role is to ensure exceptional guest experience from entertainment to food and beverage, housekeeping and guest services.

Terri first joined Princess in 1998 as a Junior Assistant Purser on the original Crown Princess. As Hotel General Manager, Terri helped launch Majestic Princess in China and was heavily engaged in the planning of that ship. With Sky Princess, Terri became the first female Hotel General Manager at Princess to launch a newbuild from a shipyard.

"Terri embodies the Princess Cruises spirit and culture of being a team player, forging strong relationships, learning from her colleagues and mentoring her team to perform at their highest level," said John Padgett, Princess Cruises president. "With gratitude, we proudly honor Terri as the Madrina of our new Discovery Princess, recognizing all of her incredible contributions over her 24-year career with Princess."

"I am honored to be the Madrina of Discovery Princess. This is a culmination of not only my achievements but also those who have supported me and influenced the leader I've become," said Terri Cybuliak, Discovery Princess madrina. "Princess has afforded me the opportunity to travel the world and I am forever grateful for these experiences."

Discovery Princess was delivered on January 28, 2022, at the Fincantieri Shipyard in Monfalcone, Italy. The 3,660-guest Discovery Princess is the sixth and final Royal-Class newbuild and shares all of the spectacular style and luxury of her sister ships – Enchanted PrincessSM, Sky Princess[®], Majestic PrincessSM, Regal PrincessSM and Royal PrincessSM. With an array of innovative new experiences, guests will enjoy 270-degree sweeping views from the largest balconies at sea in the Sky Suites, unwind in ultimate comfort at The Sanctuary and indulge the senses with world-class dining options. Plus, Princess live entertainment presents mesmerizing Broadway-style production shows that can only be seen in the state-of-the-art Princess Theater, including the newest show, Spotlight Bar. Discovery Princess uses the latest technologies to reduce fuel consumption, treat wastewater, and support our environmental compliance efforts.

In addition, Discovery Princess is the newest ship to join the fleet offering Princess MedallionClass Vacations which begins with the Medallion[™] wearable, a quarter-sized, device that enables everything from expedited contactless boarding to locating loved ones anywhere on the ship, as well as enhanced service like having whatever guests need, delivered directly to them, wherever they are on the ship. In addition, guests can share their favorite cruise moments using MedallionNet, the best Wi-Fi at sea, as well as stay connected with friends and family back home, work remotely anywhere on the ship, quickly post content and stream favorite movies and shows.

As the leading cruise line on the west coast, Discovery Princess is making her way to the Port of Los Angeles to sail on a series of Mexican Riviera and California Coast voyages from March 27 – April 24, 2022. She will then head up the Pacific coast to begin a season of seven-day Alaska cruises from Seattle, making her the newest ship sailing in the Alaska region.

About Princess Cruises:

One of the best-known names in cruising, Princess Cruises is the world's leading international premium cruise line and tour company operating a fleet of 15 modern cruise ships, carrying millions of guests each year to 380 destinations around the globe, including the Caribbean, Alaska, Panama Canal, Mexican Riviera, Europe, South America, Australia/New Zealand, the South Pacific, Hawaii, Asia, Canada/New England, Antarctica, and World Cruises. A team of professional destination experts have curated 170 itineraries, ranging in length from three to 111 days and Princess Cruises is continuously recognized as "Best Cruise Line for Itineraries." In 2017 Princess Cruises, with parent company Carnival Corporation, introduced MedallionClass Vacations enabled by the Medallion device, the vacation industry's most advanced wearable device, provided free to each guest sailing on a MedallionClass ship. The award-winning innovation offers the fastest way to an effortless personalized vacation, giving guests more time to do the things they love most. The company is part of Carnival Corporation & plc (NYSE/LSE: CCL; NYSE:CUK).

In line with the latest advice from health officials about COVID-19, Princess Cruises is currently enhancing health and safety protocols with input from medical experts and government bodies and assessing how they may impact future itineraries.
