

Pink Valentine with AIDA Cruises

February 9, 2023

Short time out and big feelings on the AIDA ships

AIDA celebrates the day of love for a whole week with tempting Pink Valentine offers. Marveling at fjords together on deck, walking hand in hand through Copenhagen or a picnic on the beach of Bornholm - from February 9 to 15, 2023, couples in love can book very special offers with lots of relaxation time on board and unforgettable we-time ashore.

AIDAdiva takes guests from Warnemünde to Gdansk and Bornholm. The four-day break promises pure relaxation on board and exciting exploration tours in Ronne (Bornholm Island) and in the Polish port city of Gdansk. Another route with AIDAdiva from Warnemünde leads to Visby and Stockholm. The Swedish capital can be comfortably explored with a romantic boat trip or quite sportily by bike.

On its short cruise from Hamburg to Warnemünde, AIDamar will make a stop in Copenhagen after a day at sea. Guests can expect a mix of relaxation at sea and sightseeing in Copenhagen.

The 5-day voyage with AIDAsol from Warnemünde to Hamburg offers even more time for relaxation. After exciting shore excursions in Arhus, Gothenburg and Kristiansand, a day at sea invites you to unwind.

AIDAluna sets course for Norway and Denmark from Kiel. An overnight stay in Oslo is on the agenda, giving plenty of time to explore the city with all its sights. On the cruise "Norway and Sweden from Kiel" AIDAluna visits the ports of Gothenburg, Kistiansand and Stavanger.

Those looking for a little time out from everyday life with plenty of sunshine will find what they are looking for on a short trip to Spain and France with AIDAstella. From Mallorca, the ship heads to Marseille and Barcelona.

The wellness specials for lovers promise that extra portion of relaxation. Guests can book a Romantic Special or a private wellness suite via myAIDA. During a back massage, in the whirlpool or in the sauna with a view of the sea, the hectic pace of everyday life disappears on the horizon all by itself.

A wedding proposal or the renewal of the marriage vows make the trip and the love happiness perfect. The AIDA vow of love is a ceremony similar to a wedding ceremony, in which couples conjure up unforgettably magical moments with a personal declaration of love. All information on romantic arrangements aboard AIDA ships can be found at: Renew Wedding Vows & Love Vows with AIDA Cruises.
