MICKY ARISON
Chairman of the Boards
Chief Executive Officer

To our Shareholders:

On behalf of the boards of directors of each of Carnival Corporation and Carnival plc, it is my pleasure to invite you to attend our joint annual meetings of shareholders. The annual meetings will be held at The Biltmore Hotel, 1200 Anastasia Avenue, Coral Gables, Florida on Thursday, April 20, 2006. The meetings will commence at 10:00 a.m. (Miami time), and although technically two separate meetings (the Carnival plc meeting will begin first), shareholders of Carnival Corporation may attend the Carnival plc meeting and vice-versa. As we have shareholders in both the United Kingdom and the United States, we plan to continue to rotate the location of the annual meetings between the United States and the United Kingdom each year in order to accommodate shareholders on both sides of the Atlantic.

We are also offering an audio web cast of the annual meetings. If you choose to listen to the web cast, go to our website at www.carnivalcorp.com or www.carnivalplc.com, shortly before the start of the meetings and follow the instructions provided. We will also be hosting an audio broadcast of the annual meetings at our P&O Cruises' headquarters located at Richmond House, Terminus Terrace, Southampton, Hampshire, United Kingdom. Although shareholders will not be able to vote in Southampton (they must submit a proxy to vote), they will be able to submit questions to the directors in Florida.

You will find information regarding the matters to be voted on in the attached notices of annual meetings of shareholders and proxy statement. **The Carnival Corporation Notice of Annual Meeting begins on page 1 and the Carnival plc Notice of Annual General Meeting begins on page 3.** Because of the DLC structure, all voting will take place on a poll (or ballot).

We are also pleased to offer most Carnival Corporation and all Carnival plc shareholders the opportunity to electronically receive future proxy statements and annual reports over the internet. By using these services, you are not only accessing these materials more quickly than ever before, but you will also help us reduce printing and postage costs associated with their distribution as well as help preserve the earth's valuable resources.

Your vote is important. Whether or not you plan to attend the annual meetings in person, please submit your vote using one of the voting methods described in the attached materials. Submitting your voting instructions by any of these methods will not affect your right to attend the meetings in person should you so choose.

The boards of directors consider Carnival Corporation Proposals 1-8 (being Carnival plc Resolutions 1-21) to be in the best interests of Carnival Corporation & plc and the shareholders as a whole. Accordingly, the boards of directors unanimously recommend that you cast your vote "FOR" Carnival Corporation Proposals 1-8 (being Carnival plc Resolutions 1-21).

Thank you for your ongoing support of, and continued interest in, Carnival Corporation & plc.

Sincerely,

Micky Arison

Voting Arrangements for Carnival plc Shareholders

Carnival plc shareholders can vote in either of two ways:

- by attending the meeting and voting in person or by attorney or, in the case of corporate shareholders, by corporate representatives; or
- by appointing a proxy to attend and vote on their behalf, using the proxy form enclosed with this notice of annual general meeting.

Voting in person (or by attorney)

If you come to the annual general meeting, please bring the attendance card (attached to the enclosed proxy form) with you. This will mean you can register more quickly. If you appoint an attorney to attend instead of you, he or she should bring an original or certified copy of the power of attorney under which you have authorized them to attend and vote.

In order to attend and vote at the annual general meeting, a corporate shareholder may appoint an individual to act as its representative. The appointment must comply with the requirements of the Companies Act. The representative should bring evidence of their appointment, including any authority under which it is signed, to the meeting. If you are a corporation and considering appointing a corporate representative to represent you and vote your shareholding in Carnival plc at the annual general meeting you are strongly encouraged to pre-register your corporate representative to make registration on the day of the meeting more efficient. In order to pre-register, you would need to fax your Letter of Representation to Carnival plc's registrar, Lloyds TSB Registrars, on 01903 833168 from within the UK or +44 1903 833168 from elsewhere.

Please note that there will be a live audio broadcast of the Carnival plc annual general meeting and the Carnival Corporation annual meeting at P&O Cruises' headquarters located at Richmond House, Terminus Terrace, Southampton, Hampshire, United Kingdom, from 3:00 p.m. (UK time). All Carnival plc and Carnival Corporation shareholders and their guests are welcome to attend the live audio broadcast, although only Carnival plc and Carnival Corporation shareholders will be able to submit questions to the directors from Southampton. Please note further that only shareholders attending the meetings to be held in Florida will be able to vote in person. Accordingly, Carnival plc shareholders attending the audio broadcast of the meetings in Southampton will need to submit a proxy (see below) to make their vote count.

Voting by proxy

A shareholder entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend and (on a poll) vote in his or her stead. A proxy need not be a shareholder of Carnival plc.

To be effective, a duly completed proxy form and the authority (if any) under which it is signed, or a notarially certified copy of such authority, must be deposited (whether delivered personally or by post) at the offices of Carnival plc's registrars, Lloyds TSB Registrars, The Causeway, Worthing, West Sussex, BN99 6AN, UK as soon as possible and in any event no later than 3:00 p.m. (UK time) on April 18, 2006. Alternatively, a proxy vote may be submitted via the internet in accordance with the instructions set out on the proxy form.

In the case of joint registered holders, the signature of one holder on a proxy card will be accepted and the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which names stand on the register of members of Carnival plc in respect of the relevant joint holding.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Carnival plc may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Shareholders who are entitled to vote

Carnival plc, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the register of members of Carnival plc at 11:00 p.m. on April 18, 2006 shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to the entries on the register of members after 11:00 p.m. on April 18, 2006 shall be disregarded in determining the rights of any person to attend or vote at the meeting.

Documents available for inspection

Copies of the following documents will be available for inspection during normal business hours on any weekday (public holidays excluded) at the registered office of Carnival plc from the date of this notice until and including the date of the meeting and at the place of the meeting for at least 15 minutes prior to and during the meeting:

- the register of interests of directors in the share capital of Carnival plc; and
- copies of all service agreements (including letters of appointment) between each director and Carnival plc.

There are 21 Resolutions that require shareholder approval at the annual meeting this year. The directors unanimously recommend that you vote in favor of Resolutions 1-21 (inclusive), and encourage you to submit your vote using one of the voting methods described herein. Submitting your voting instructions by any of these methods will not affect your right to attend the meeting in person should you so choose.

**QUESTIONS AND ANSWERS
ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETINGS**

Q: Why am I receiving these materials?

A: The board of directors of each of Carnival Corporation and Carnival plc (together, "Carnival Corporation & plc," "we" or "us") is providing these proxy materials to you in connection with our joint annual meetings of shareholders on Thursday, April 20 2006. The annual meetings will be held at The Biltmore Hotel, 1200 Anastasia Avenue, Coral Gables, Florida, United States of America. The meetings will commence at 10:00 a.m. (Miami time), and although technically two separate meetings (the Carnival plc meeting will begin first), shareholders of Carnival Corporation may attend the Carnival plc meeting and vice-versa. For our UK shareholders, we will be hosting a live audio broadcast of the annual meeting at P&O Cruises' headquarters located at Richmond House, Terminus Terrace, Southampton, Hampshire, United Kingdom. Shareholders in Southampton will be able to submit questions to the directors in Florida, but will not be able to vote at that meeting.

Q: What information is contained in these materials?

A: The information included in this proxy statement relates to the proposals to be voted on at the meetings, the voting process, the compensation of directors and our most highly paid executive officers and certain other information required by U.S. Securities and Exchange Commission rules applicable to both companies. We have attached as Annexes A, B and C to this proxy statement information that Carnival plc is required to provide to its shareholders under applicable UK rules.

Q: What proposals will be voted on at each of the meetings?

A: The proposals to be voted on at each of the meetings are set out in the notices of meetings starting on pages 1 and 3 of this proxy statement.

Q: What is the voting recommendation of the boards of directors?

A: Your boards of directors recommend that you vote "FOR" all of the proposals described in this proxy statement.

Q: How does the DLC structure affect my voting rights?

A: On most matters that affect all of the shareholders of Carnival Corporation and Carnival plc, the shareholders of both companies effectively vote together as a single decision-making body. These matters are called "joint electorate actions." Combined voting is accomplished through the special voting shares that have been issued by each company. Certain matters specified in the organizational documents of Carnival Corporation and Carnival plc where the interests of the two shareholder bodies may diverge are called "class rights actions." These class rights actions are voted on separately by the shareholders of each company. If either group of shareholders does not approve a class rights action, that action generally cannot be taken by either company. All of the proposals to be voted on at these annual meetings are joint electorate actions, and there are no class rights actions.

Q: Generally, what actions are joint electorate actions?

A: Any resolution to approve an action other than a class rights action or a procedural resolution (described below) is designated as a joint electorate action. The actions designated as joint electorate actions include:

- the appointment, removal or re-election of any director of either or both companies;
- if required by law, the receipt or adoption of the annual accounts of both companies;
- the appointment or removal of the independent auditors of either company;
- a change of name by either or both companies; or
- the implementation of a mandatory exchange of Carnival plc shares for Carnival Corporation shares based on a change in tax laws, rules or regulations.

The relative voting rights of Carnival plc shares and Carnival Corporation shares are equalized based on a ratio which we refer to

as the “equalization ratio.” Based on the current equalization ratio of 1:1, each Carnival Corporation share has the same voting rights as one Carnival plc share on joint electorate actions.

Q: How are joint electorate actions voted on?

A: Joint electorate actions are voted on as follows:

- Carnival plc shareholders vote at the annual general meeting of Carnival plc (whether in person or by proxy). Voting is on a poll (or ballot) which remains open for sufficient time to allow the vote at the Carnival Corporation meeting to be held and reflected in the Carnival plc meeting through the mechanism of the special voting share. An equivalent vote is cast at the subsequent Carnival Corporation meeting on each of the corresponding resolutions through a special voting share issued by Carnival Corporation; and
- Carnival Corporation shareholders vote at the Carnival Corporation annual meeting (whether in person or by proxy). Voting is by ballot (or on a poll) which remains open for sufficient time to allow the vote at the Carnival plc meeting to be held and reflected in the Carnival Corporation meeting through the mechanism of the special voting share. An equivalent vote is cast on the corresponding resolutions at the Carnival plc meeting through a special voting share issued by Carnival plc.

A joint electorate action is approved if it is approved by:

- a simple majority of the votes cast in the case of an ordinary resolution (or not less than 75% of the votes cast in the case of a special resolution if required by applicable law and regulations or Carnival plc’s articles) by the holders of Carnival plc’s shares and the holder of the Carnival plc special voting share as a single class at a meeting at which a quorum was present and acting;
- a simple majority of the votes cast (or other majority if required by applicable law and regulations or the Carnival Corporation articles and by-laws) by the

holders of Carnival Corporation shares and the holder of the Carnival Corporation special voting share, voting as a single class at a meeting which a quorum was present and acting; and

- a minimum of one-third of the total votes available to be voted by the combined shareholders must be cast on each resolution for it to be effective. Formal abstentions (or votes withheld) by a shareholder on a resolution will be counted as having been “cast” for this purpose.

Q: How are the directors of each company re-elected?

A: Resolutions relating to the re-election of directors are considered as joint electorate actions. No person may be a member of the board of directors of Carnival Corporation or Carnival plc without also being a member of the board of directors of the other company. There are 14 nominees for re-election to the board of directors of each company this year. Each nominee currently serves as a director of Carnival Corporation and Carnival plc. All directors are to be re-elected to serve until the next annual meetings and until their successors are elected.

Q: What votes are required to elect directors or approve the other proposals?

A: Carnival Corporation Proposals 7 and 8 (being Carnival plc Resolutions 20 and 21) are required to be approved by 75% of the combined votes cast at both meetings.

Each of the other proposals, including the re-election of directors, requires the approval of a majority of the combined votes cast at both meetings. Abstentions (including votes withheld, except in the case of the election of directors by Carnival Corporation shareholders as discussed below) and broker non-votes are not deemed votes cast for purposes of calculating the vote, but do count for the purpose of determining whether a quorum is present. In the election of directors by Carnival Corporation shareholders, votes withheld in respect of one or more nominees count for the purpose of determining whether a quorum is present and are deemed votes cast against such nominee or nominees.

If you are a beneficial owner of Carnival Corporation shares and do not provide the

shareholder of record with a signed voting instruction card, your shares may constitute broker non-votes, as described in "How is the quorum determined?" In tabulating the voting result for any particular proposal, shares which constitute broker non-votes are not deemed cast for purposes of calculating the vote.

Q: Generally, what are procedural resolutions?

A: Procedural resolutions are resolutions of a procedural or technical nature that do not adversely affect the shareholders of the other company in any material respect and are put to the shareholders at a meeting. The special voting shares do not represent any votes on "procedural resolutions." The chairman of each of the meetings will determine whether a resolution is a procedural resolution.

To the extent that such matters require the approval of the shareholders of either company, any of the following will be procedural resolutions:

- that certain people be allowed to attend or be excluded from attending the meeting;
- that discussion be closed and the question put to the vote (provided no amendments have been raised);
- that the question under discussion not be put to the vote (where a shareholder feels the original motion should not be put to the meeting at all, if such original motion was brought during the course of that meeting);
- to proceed with matters in an order other than that set out in the notice of the meeting;
- to adjourn the debate (for example, to a subsequent meeting); and
- to adjourn the meeting.

Q: Where can I find the voting results of the meeting?

A: The voting results will be announced to the media and the relevant stock exchanges and posted on our website at www.carnivalcorp.com and www.carnivalplc.com, after both shareholder meetings have closed. The results will also be published in our quarterly report on

Form 10-Q for the second quarter of fiscal 2006 ending May 31, 2006.

Q: What is the quorum requirement for the meetings?

A: The quorum requirement for holding the meetings and transacting business at the meetings is one-third of the total votes of all shareholders of both companies entitled to be voted. Shareholders may be present in person (or by attorney) or represented by proxy at the meetings.

Q: How is the quorum determined?

A: For purposes of determining a quorum with respect to joint electorate actions, the special voting shares have the maximum number of votes attached to them as were cast on such joint electorate actions, either for, against or abstained, at the parallel shareholder meeting of the other company, and such maximum number of votes (including abstentions) constitutes shares entitled to vote and present for purposes of determining whether a quorum exists at such meeting.

In order for a quorum to be validly constituted with respect to meetings of shareholders convened to consider a joint electorate action or class rights action, the special voting entities must be present.

Abstentions (including votes withheld) and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote or (3) to facilitate a successful proxy solicitation by our boards of directors. Occasionally, shareholders provide written

comments on their proxy card which are then forwarded to management.

Q: *Who will bear the cost of soliciting votes for the meetings?*

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes for the meetings. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to shareholders.

Q: *Can I view the proxy materials electronically?*

A: This proxy statement will be posted on our website at www.carnivalcorp.com or www.carnivalplc.com. We encourage you to take advantage of the convenience of accessing these materials through the internet as it is simple and fast to use, saves time and money, and is environmentally friendly.

Q: *What reports are filed by Carnival Corporation and Carnival plc with the U.S. Securities and Exchange Commission and how can I obtain copies?*

A: We file joint annual reports on Form 10-K, joint quarterly reports on Form 10-Q and joint current reports on Form 8-K with the U.S. Securities and Exchange Commission. Copies of the Carnival Corporation & plc joint annual report on Form 10-K for the year ended November 30, 2005 (not including documents incorporated by reference), as well as any joint quarterly reports on Form 10-Q or joint current reports on Form 8-K, as filed with the U.S. Securities and Exchange Commission can be viewed or obtained without charge through the U.S. Securities and Exchange Commission's website at www.sec.gov (under Carnival Corporation or Carnival plc) or at www.carnivalcorp.com or www.carnivalplc.com. Copies will also be provided to shareholders without charge upon written request to Investor Relations, Carnival Corporation, 3655 N.W. 87th Avenue, Miami, Florida 33178-2428 or Carnival plc, Carnival House, 5 Gainsford Street, London SE1 2NE, United Kingdom. We encourage you to take advantage of the convenience of accessing

these materials through the internet as it is simple and fast to use, saves time and money, and is environmentally friendly.

Q: *May I propose actions for consideration at next year's annual meetings?*

A: Carnival Corporation shareholders and Carnival plc shareholders (to the extent permitted under Carnival plc's governing documents and UK law) may submit proposals for consideration at future shareholder meetings, including director nominations. In order for shareholder proposals to be considered for inclusion in our proxy statement for next year's annual meetings, the written proposals must be received by our Secretary no later than November 10, 2006. Such proposals also will need to comply with U.S. Securities and Exchange Commission regulations and UK corporate law requirements regarding the inclusion of shareholder proposals in company sponsored proxy materials. Any proposal of shareholders to be considered at next year's meetings, but not included in our proxy statement, must be submitted in writing by January 24, 2007.

QUESTIONS SPECIFIC TO SHAREHOLDERS OF CARNIVAL CORPORATION

Carnival plc shareholders should refer to the “*Questions Specific to Shareholders of Carnival plc*” beginning on page 15.

Q: *What Carnival Corporation shares owned by me can be voted?*

A: All Carnival Corporation shares owned by you as of February 21, 2006, the record date, may be voted by you. These shares include those (1) held directly in your name as the shareholder of record, including shares purchased through Carnival Corporation’s Dividend Reinvestment Plan and its Employee Stock Purchase Plan and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: *Will I be asked to vote at the Carnival plc annual meeting?*

A: No. Your vote at the Carnival Corporation annual meeting, for purposes of determining the outcome of combined voting, is automatically reflected as appropriate at the parallel annual meeting of Carnival plc through the mechanism of the special voting share issued by Carnival plc.

Q: *What is the difference between holding shares as a shareholder of record and as a beneficial owner?*

A: Most of the shareholders of Carnival Corporation hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Carnival Corporation’s transfer agent, SunTrust Bank, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to the persons named in the proxy or to vote in person at the meeting. Carnival Corporation has enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting. Your broker or nominee has enclosed a voting instruction card for you to use.

Q: *How can I vote my Carnival Corporation shares in person at the meeting?*

A: Shares held directly in your name as the shareholder of record may be voted in person at the annual meeting in Florida. If you choose to do so, please bring the enclosed proxy card or proof of identification.

Even if you plan to attend the annual meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares. Please refer to the voting instruction card included by your broker or nominee.

Q: *How can I vote my Carnival Corporation shares without attending the meeting?*

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. For shareholders of record, you may do this by signing your proxy card and mailing it in the enclosed envelope. If you provided specific voting instructions, your shares will be voted as you instruct. If you sign but do not provide instructions, your shares will be voted as described below in

“How are votes counted?” Where your shares are held in street name, in most instances you will be able to do this over the internet at www.proxyvote.com, by telephone or by mail. Please refer to the voting instruction card included by your broker or nominee.

We are also offering an audio web cast of the annual meetings. If you choose to listen to the web cast, go to our website at www.carnivalcorp.com or www.carnivalplc.com shortly before the start of the meetings and follow the instructions provided.

Q: *Can I change my vote?*

A: You may change your proxy instruction at any time prior to the vote at the annual meeting. For shares held directly in your name, you may accomplish this by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares owned beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Q: *What does it mean if I receive more than one proxy or voting instruction card?*

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions on each proxy or voting card you receive and mail each, as directed.

Q: *Who can attend the Carnival Corporation meeting?*

A: All Carnival Corporation shareholders of record as of February 21, 2006, or their duly appointed proxies, may attend and vote at the meeting. Each shareholder may be asked to present valid picture identification, such as a driver’s license or passport.

If you hold your shares through a stockbroker or other nominee, you will need to provide proof of ownership by bringing either a copy of the voting instruction card provided by your broker or a copy of a brokerage statement showing your share ownership as of February 21, 2006 together with proof of identification. Cameras, recording devices

and other electronic devices will not be permitted at the meeting.

Q: *What class of shares are entitled to be voted at the Carnival Corporation meeting?*

A: Carnival Corporation has only one class of common stock outstanding. Each share of Carnival Corporation common stock outstanding as of the close of business on February 21, 2006, the record date, is entitled to one vote at the annual meeting. As of January 31, 2006, Carnival Corporation had 638,462,631 shares of common stock issued and outstanding. The trust shares of beneficial interest in the P&O Princess Special Voting Trust that are paired with your shares of common stock do not give you separate voting rights.

Q: *How are votes counted?*

A: In the election of directors, you may vote “FOR” all of the nominees or you may “WITHHOLD” your vote with respect to one or more of the nominees. In the election of directors, a vote “withheld” on the Carnival Corporation proxy card has the same effect as a vote against the indicated nominee or nominees. You may vote “FOR,” “AGAINST” or “ABSTAIN” for each of the other proposals. If you “ABSTAIN,” it has no effect on the outcome of the votes, although abstentions will be counted for purposes of determining if a quorum is present for joint electorate actions. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the boards of directors.

Q: *What happens if additional proposals are presented at the meeting?*

A: Other than the proposals described in this proxy statement, Carnival Corporation does not expect any matters to be presented for a vote at the annual meeting. If you grant a proxy, the persons named as proxy holders, Micky Arison, Carnival Corporation’s Chairman of the Board and Chief Executive Officer, and Arnaldo Perez, Carnival Corporation’s Senior Vice President, General Counsel and Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen

reason any of our nominees is unable to accept nomination or election (which is not anticipated), the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the boards of directors.

Q: *Who will count the vote?*

A: A representative of SunTrust Bank, our transfer agent, will tabulate the votes and act as the inspector of elections.

You are strongly encouraged to pre-register your corporate representative to make registration on the day of the annual meeting more efficient. A: Yes, in certain circumstances. You may change your proxy vote by either completing, signing and dating a new form of proxy in accordance with its instructions and returning it to Carnival plc's registrars by no later than 3:00 p.m. (UK time) on April 18, 2006, or by attending and voting in person at the annual general meeting. If you do not attend and vote in person at the annual general meeting and wish to revoke the appointment of your proxy or corporate representative you must do so by delivering a notice of such revocation to Carnival plc's registrars at least three hours before the start of the annual general meeting.

Q: *How are votes counted?*

A: You may vote "FOR," "AGAINST" or "WITHHOLD" your vote for each of the resolutions. If you "WITHHOLD," it has no effect on the outcome of the votes, although withheld votes will be counted for purposes of determining if a quorum is present for joint electorate actions.

STOCK OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Set forth below is information concerning the share ownership of (1) all persons known by us to be the beneficial owners of 5% or more of the 638,462,631 shares of Carnival Corporation common stock and trust shares of beneficial interest in the P&O Princess Special Voting Trust outstanding as of January 31, 2006, (2) all persons known by us to be the beneficial owners of 5% or more of the 212,664,217 ordinary shares of Carnival plc outstanding as of January 31, 2006 (41,679,877 of which are indirectly owned by Carnival Corporation and have no voting rights), (3) each of our executive officers named in the Executive Compensation Table which appears elsewhere in this proxy statement, (4) each of our other directors and (5) all directors and executive officers as a group.

Micky Arison, Chairman of the board and Chief Executive Officer of each of Carnival Corporation and Carnival plc, certain other members of the Arison family and trusts for their benefit (collectively, the "Principal Shareholders"), beneficially own shares representing approximately 36.1% of the voting power of Carnival Corporation and approximately 28.5% of the combined voting power of Carnival Corporation & plc and have informed us that they intend to cause all such shares to be voted in favor of the 14 nominees to the boards of directors named in this proxy statement and in favor of Proposals 2 through 8 listed in the accompanying Carnival Corporation Notice of Meeting. The table begins with ownership of the Principal Shareholders.

The number of shares beneficially owned by each entity, person, director, nominee or executive officer is determined under rules of the U.S. Securities and Exchange Commission, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which the individual has the sole or shares voting power or investment power and also any shares which the individual would have the right to acquire as of April 1, 2006 (being 60 days after January 31, 2006) through the exercise of any stock option ("Vested Options").

* As part of the establishment of the DLC structure, Carnival plc issued a special voting share to Carnival Corporation, which transferred such share to the trustee of the P&O Princess Special Voting Trust (the "Trust"), a trust established under the laws of the Cayman Islands. Trust shares of beneficial interest in the Trust were transferred to Carnival Corporation. The trust shares represent a beneficial interest in the Carnival plc special voting share. Immediately following the transfer, Carnival Corporation distributed such trust shares by way of a dividend to holders of shares of common stock of Carnival Corporation. Under a pairing agreement, the trust shares of beneficial interest in the Trust are paired with, and evidenced by, certificates representing shares of Carnival Corporation common stock on a one-for-one basis. In addition, under the pairing agreement, when a share of Carnival Corporation common stock is issued to a person after the implementation of the DLC structure, a paired trust share will be issued at the same time to such person. Each share of Carnival Corporation common stock and the paired trust share may not be transferred separately. The Carnival Corporation common stock and the trust shares (including the beneficial interest in the Carnival plc special voting share) are listed and trade together on the New York Stock Exchange ("NYSE") under the ticker symbol "CCL." Accordingly, each holder of Carnival Corporation common stock is also deemed to be the beneficial owner of an equivalent number of trust shares.

** As a result of the DLC structure, on most matters that affect all of the shareholders of Carnival Corporation and Carnival plc, the shareholders of both companies effectively vote together as a single decision-making body. Combined voting is accomplished through the special voting shares that have been issued by each company.

PROPOSAL 1 (Resolutions 1-14) RE-ELECTION OF DIRECTORS

The DLC structure requires the boards of Carnival plc and Carnival Corporation to be identical. Shareholders are required to approve the re-election of directors to each board. PROPOSALS 2 & 3 (Resolutions 15 & 16)
RE-APPOINTMENT AND REMUNERATION OF INDEPENDENT AUDITORS FOR
CARNIVAL PLC AND RATIFICATION OF INDEPENDENT REGISTERED
CERTIFIED PUBLIC ACCOUNTING FIRM FOR CARNIVAL CORPORATION

The Audit Committee of the board of directors of Carnival plc has selected the UK firm of PricewaterhouseCoopers LLP as Carnival plc's independent auditors for the year ending November 30, 2006, subject to approval of our shareholders. The Audit Committee of the board of directors of Carnival Corporation has selected the U.S. firm of PricewaterhouseCoopers LLP as Carnival Corporation's independent registered certified public accounting firm for the year ending November 30, 2006. Representatives of both the U.S. and UK firms of PricewaterhouseCoopers LLP will be present at the annual meetings and will have an opportunity to make a statement if they desire to do so. The PricewaterhouseCoopers LLP representatives will be available to respond to appropriate questions from shareholders.

This resolution would re-appoint PricewaterhouseCoopers LLP as the independent auditors of Carnival plc until the conclusion of the next general meeting at which accounts are laid. It is a requirement of Section 385(2) of the Companies Act that Carnival plc appoint its independent auditors at a general meeting at which accounts are laid. You are also being asked to authorize the Audit Committee of Carnival plc to determine the remuneration of PricewaterhouseCoopers LLP as independent auditors of Carnival plc.

Although ratification by our shareholders of the appointment of independent certified public accountants for Carnival Corporation is not legally required, our boards of directors believe that such action is desirable. If our shareholders do not approve Proposal 2, the Audit Committees will consider the selection of another accounting firm for 2006 and future years.

The boards of directors unanimously recommend a vote FOR the re-appointment of the UK firm of PricewaterhouseCoopers LLP as Carnival plc's independent auditors for the 2006 fiscal year, the authorization of the Audit Committee of Carnival plc to agree the remuneration of PricewaterhouseCoopers LLP and the ratification of the selection of the U.S. firm of PricewaterhouseCoopers LLP as Carnival Corporation's independent registered certified public accounting firm for the 2006 fiscal year.

PROPOSAL 4 (Resolution 17)
RECEIPT OF ACCOUNTS AND REPORTS OF CARNIVAL PLC

The directors of Carnival plc are required by the Companies Act to present the financial statements, the UK statutory Directors' Report and the auditors' report relating to those accounts to the Carnival plc shareholders. Accordingly, the directors of Carnival plc lay before the annual meetings the Carnival plc accounts and the reports of the directors and auditors for the financial year ended November 30, 2005, which have been approved by and signed on behalf of Carnival plc's board of directors and will be delivered to Companies House in the UK following the annual meetings. Shareholders are voting to approve receipt of these documents, as UK law does not require shareholder approval of the substance and content of these documents. The UK statutory Directors' Report and the UK GAAP summary financial information for the financial year ended November 30, 2005 are attached to this proxy statement as Annex A. The full accounts and reports of Carnival plc will be available for inspection prior to and during the annual meetings.

The boards of directors unanimously recommend a vote FOR the receipt of the accounts and reports of Carnival plc for the financial year ended November 30, 2005.

PROPOSAL 5 (Resolution 18)
APPROVAL OF DIRECTORS' REMUNERATION REPORT

The UK Directors' Remuneration Report Regulations 2002 (the "Regulations") require companies listed on the Official List of the UK Listing Authority to prepare a directors' remuneration report, which must be put to a shareholder vote. Shareholders are voting to approve adoption of the Directors' Remuneration Report, which is attached to this proxy statement as Annex B. UK law does not require shareholder approval of the substance and content of the Directors' Remuneration Report. Accordingly, disapproval of the Directors' Remuneration Report will not require us to amend the report although under applicable UK guidelines the boards and Compensation Committees are expected to take into account both the voting result and the views of our shareholders in their application, development and implementation of remuneration policies and schemes.

The Directors' Remuneration Report sets out the board's remuneration policy for the next and subsequent financial years and other details required by the Regulations and the Combined Code appended to the Listing Rules of the UK Listing Authority (the "UK Combined Code").

No action is required in respect of the Report of the Compensation Committees of Carnival Corporation and Carnival plc included in this proxy statement as it is responsive to the rules of the U.S. Securities and Exchange Commission.

The boards of directors unanimously recommend a vote FOR the approval of the Carnival plc Directors' Remuneration Report.

PROPOSALS 6 & 7 (Resolutions 19 & 20)
APPROVAL OF LIMITS ON THE AUTHORITY TO ALLOT CARNIVAL PLC SHARES
AND THE DISAPPLICATION OF PRE-EMPTION RIGHTS FOR CARNIVAL PLC

At the last Carnival plc annual general meeting, the shareholders of Carnival plc approved appropriate limits on the authority and power granted to directors by Carnival plc's articles of association to allot ordinary shares of Carnival plc and to allot shares for cash without making a pre-emptive offer to existing shareholders. These prior authorizations lapse at the upcoming annual general meeting.

Under Article 30 of Carnival plc's articles of association, the directors have, for a "prescribed period," unconditional authority to allot ordinary shares in Carnival plc up to an aggregate nominal amount known as the "Section 80 amount." The prescribed period and the Section 80 amount are approved by shareholders passing an ordinary resolution. By passing an ordinary resolution, shareholders are authorizing the board of Carnival plc to issue, during the prescribed period, up to an amount of shares having an aggregate nominal value equal to the Section 80 amount, without further shareholder approval. In the absence of such approval, the issuance of any additional shares would require shareholder approval.

Under Article 31, the directors have, for the same prescribed period, power to allot ordinary shares for cash without making a pre-emptive offer to existing shareholders up to an aggregate nominal amount known as the "Section 89 amount." The Section 89 amount is approved by shareholders passing a special resolution. By passing a special resolution, shareholders are authorizing the board of Carnival plc to issue, during the same prescribed period, an amount of shares having an aggregate nominal value equal to the Section 89 amount, for cash without first offering them to existing shareholders of Carnival plc.

Carnival Corporation's articles of incorporation do not contain provisions similar to Articles 30 and 31 of Carnival plc's articles of association and holders of Carnival Corporation shares do not have pre-emption rights. Accordingly, no action is required in respect of Carnival Corporation's authority to allot shares or to disapply pre-emption rights.

In common with many UK companies, resolutions to renew the prescribed period and re-establish the Section 80 amount and the Section 89 amount are normally proposed each year as the directors believe occasions may arise from time to time when it would be beneficial for shares to be allotted and for shares to be allotted for cash without making a pre-emptive offer. This is the purpose of Resolution 19 (an ordinary

resolution) and Resolution 20 (a special resolution). As usual, the prescribed period is the period from the passing of the resolutions until the next annual general meeting.

Guidelines issued by the Association of British Insurers, whose member insurance companies are some of the largest institutional investors in UK listed companies, require the Section 80 amount to be limited to the lesser of (a) the authorized but unissued ordinary share capital and (b) one-third of the issued ordinary share capital. By reference to Carnival plc's issued ordinary share capital on January 31, 2006, the maximum Section 80 amount is \$21,977,399 which is the nominal value of the authorized but unissued ordinary share capital of Carnival plc and is equivalent to approximately 6.23% of Carnival plc's issued share capital.

Guidelines issued by the Pre-emption Group, a group comprising representatives of UK listed companies, investment institutions and corporate finance practitioners and formed under the support of the LSE to monitor the operation of the Guidelines, recommend that a resolution to disapply Section 89 of the Companies Act should be limited to an amount of equity securities not exceeding 5% of the nominal value of the company's issued ordinary share capital. By reference to Carnival plc's issued ordinary share capital on January 31, 2006, the maximum Section 89 amount is \$17,651,130.

The directors have no commitment or plans to allot additional shares of Carnival plc.

Carnival plc's authorized share capital is \$375 million and £100,002 divided into 225,903,614 ordinary shares of \$1.66 each, two subscriber shares of £1 each, 99,998 preference shares of £1 each, a special voting share of £1 and an equalization share of £1. As of January 31, 2006, there were 212,664,217 ordinary shares allotted and issued. The proposals you are voting on do not increase the authorized share capital of Carnival plc.

The boards of directors unanimously recommend a vote FOR the approval of limits on the authority to allot Carnival plc shares and the disapplication of pre-emption rights for Carnival plc.

PROPOSAL 8 (Resolution 21) GENERAL AUTHORITY TO BUY BACK CARNIVAL PLC ORDINARY SHARES

In October 2004, Carnival Corporation and Carnival plc announced that their boards of directors had authorized the repurchase of up to an aggregate of \$1 billion of Carnival Corporation and Carnival plc shares. Shareholder approval is not required for us to buy back shares of Carnival Corporation, but is required under the Companies Act for us to buy back shares of Carnival plc. Accordingly, last year Carnival Corporation and Carnival plc sought and obtained shareholder approval to effect market purchases (within the meaning of Section 163(3) of the Companies Act) of up to 10,610,900 ordinary shares of Carnival plc (being approximately 5% of Carnival plc's ordinary shares in issue). That approval expires at the conclusion of Carnival plc's 2006 annual general meeting. As a result, shareholder approval to effect market purchases of up to 10,633,211 ordinary shares of Carnival plc (being approximately 5% of Carnival plc's ordinary shares in issue) is being sought. Under the terms of the Equalization and Governance Agreement entered into between Carnival Corporation and Carnival plc on formation of the DLC structure, Carnival plc is restricted from repurchasing more than 5% of its shares in any 12 month period from April 17, 2005 until April 17, 2008.

As of January 31, 2006, Carnival Corporation has purchased 8,002,049 shares of Carnival Corporation for \$385.7 million, but neither Carnival Corporation nor Carnival plc has purchased any Carnival plc shares. The boards of directors confirm that the authority to purchase Carnival plc's shares will only be exercised after careful consideration of prevailing market conditions and the position of Carnival plc. In particular the program will only proceed if we believe that it is in the best interests of Carnival Corporation, Carnival plc and their shareholders generally. The boards of directors are making no recommendation as to whether shareholders should sell any shares in Carnival plc and/or Carnival Corporation.

If the boards of directors exercise the authority conferred by Proposal 8 (Resolution 21), we would have the option of holding the shares in treasury, or canceling them. Shares held in treasury can be re-sold for cash, used for employee share schemes or later cancelled. The boards of directors think it prudent to maintain discretion as to dealing with the purchased shares.

The boards of directors considers that any buy back of Carnival plc may include the purchase of its American Depositary Receipts with a subsequent cancellation of the underlying ADSs. If the underlying ADSs are so cancelled, Carnival plc will either cancel or hold in treasury the ordinary share represented by such ADSs.

The minimum price (exclusive of expenses) which may be paid for each Carnival plc ordinary share is \$1.66, and the maximum price which may be paid is an amount (exclusive of expenses) equal to the higher of: (i) 105% of the average middle market quotations for an ordinary share, as derived from the LSE Daily Official List, for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and (ii) that stipulated by Article 5 of Commission Regulation (EC) of 22 December 2003 (No. 2273/2003).

As of January 31, 2006, there are options outstanding to subscribe for 3,173,637 ordinary shares, which represent approximately 1.5% of Carnival plc's issued share capital. If 10,633,211 ordinary shares of Carnival plc were purchased, these options would represent approximately 1.6% of Carnival plc's issued share capital.

The authority to purchase Carnival plc ordinary shares will expire at the conclusion of the Carnival plc annual general meeting in 2007 or on October 20, 2007, whichever is earlier (except in relation to any purchases of shares the contract for which was entered before the expiry of such authority).

The boards of directors unanimously recommend a vote FOR the general authority to buy back Carnival plc ordinary shares.

BOARD STRUCTURE AND COMMITTEE MEETINGS

Independence of Board Members

The boards of directors have determined that each of the following directors is an “independent director” in accordance with the corporate governance rules of the NYSE as a result of having no material relationship with Carnival Corporation & plc other than (1) serving as a director and board committee member, (2) receiving related fees as disclosed in this proxy statement and (3) having beneficial ownership of Carnival Corporation and/or Carnival plc securities as disclosed in the section of this proxy statement entitled “*Stock Ownership of Certain Beneficial Owners and Management*”: Ambassador Richard G. Capen, Jr., Arnold W. Donald, Richard J. Glasier, Baroness Hogg, Modesto A. Maidique, Sir John Parker, Stuart Subotnick and Uzi Zucker.

Board Meetings

During the year ended November 30, 2005, the board of directors of each of Carnival Corporation and Carnival plc held a total of eight meetings and each Carnival Corporation director and each Carnival plc director attended either telephonically or in person at least 75% of all Carnival Corporation board of directors and applicable committee meetings.

Our corporate governance guidelines provide that our non-management directors will meet privately in executive session at least quarterly. Since A. Kirk Lanterman continues to serve as our consultant, he does not participate in the executive sessions. All of our other non-management directors (each of whom satisfy the independence requirements of the NYSE), acting in executive session, elected Stuart Subotnick as the Presiding Director to preside at these meetings. Mr. Subotnick also acts as the senior independent director under the UK Combined Code.

All board members are expected to attend our annual meetings of shareholders. At the 2005 annual meetings, all of the current board members of each company were in attendance.

Board Committees

The board of directors of each of Carnival Corporation and Carnival plc has established standing Audit, Nominating & Governance, Compensation and Executive Committees, which are comprised of the same directors for each company. A majority of the directors of each company and all of the members of the Audit Committee, Nominating & Governance Committee and Compensation Committee of each company are independent (as defined by the listing standards of the NYSE and the UK Combined Code).

The membership and function of each committee is described below and a copy of the charter of each of the Audit, Nominating & Governance and Compensation Committees is available on our website at www.carnivalcorp.com or www.carnivalplc.com and is available in print to any shareholder who requests it. Each committee will periodically review its charter in light of new developments in applicable regulations and may make additional recommendations to the boards to reflect evolving best practices.

Corporate Governance Guidelines

Our Corporate Governance Guidelines address various governance issues and principles, including director qualifications and responsibilities, access to management personnel, director compensation, director orientation and continuing education and annual performance evaluations of the boards and directors. Our Corporate Governance Guidelines are posted on our website at www.carnivalcorp.com or www.carnivalplc.com.

Nominations of Directors

Carnival Corporation and Carnival plc are two separate legal entities and, therefore, each has a separate board of directors, each of which in turn has its own Nominating & Governance Committee. As the DLC structure requires that there be identical boards of directors, the Committees make one set of determinations in relation to both companies.

The Nominating & Governance Committees actively seek individuals qualified to become board members and recommend to the boards the nominees to stand for election as directors at the annual meetings of shareholders or, if applicable, at a special meeting of shareholders.

When evaluating prospective candidates for director, regardless of the source of the nomination, the Nominating & Governance Committees will consider, in accordance with their charter, such factors, as they deem appropriate, including:

- the candidate's judgment;
- the candidate's skill;
- diversity considerations;
- the candidate's experience with businesses and other organizations of comparable size;
- the interplay of the candidate's experience with the experience of other board members; and
- the extent to which the candidate would be a desirable addition to the boards and any committees of the boards.

The Nominating & Governance Committees will also use their best efforts to seek to ensure that the composition of the boards at all times adheres to the independence requirements applicable to companies listed for trading on the NYSE and the LSE. The Nominating & Governance Committees may consider candidates proposed by management, but is not required to do so. Other than the foregoing, there are no stated minimum criteria for director nominees.

The Nominating & Governance Committees identify nominees by first evaluating the current members of the boards willing to continue in service. Current members of the boards with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the boards with that of obtaining a new perspective. If any member of the boards does not wish to continue in service or if the Nominating & Governance Committees or the boards decide not to re-nominate a member for re-election, the Nominating & Governance Committees identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Nominating & Governance Committees and the boards are polled for suggestions as to individuals meeting the criteria of the Nominating & Governance Committees. The Nominating and Governance Committees may engage a third party search firm to identify or evaluate or assist in identifying potential nominees.

Procedures Regarding Director Candidates Recommended by Shareholders

The Nominating & Governance Committees will also consider shareholder recommendations of qualified nominees when such recommendations are submitted in accordance with the procedures below. In order to have a nominee considered by the Nominating & Governance Committees for election at the 2007 annual meetings, a shareholder must submit its recommendation in writing to the attention of our Secretary at our headquarters not later than November 10, 2006. Any such recommendation must include:

- the name and address of the candidate;
- a brief biographical description, including his or her occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements set forth above; and
- the candidate's signed consent to serve as a director if elected and to be named in the proxy statement.

Once we receive the recommendation, we will deliver to the candidate a questionnaire that requests additional information about the candidate's independence, qualifications and other matters that would assist the Nominating & Governance Committees in evaluating the candidate, as well as certain information that must be disclosed about the candidate in our proxy statement or other regulatory filings, if nominated. Candidates must complete and return the questionnaire within the time frame provided to be considered for nomination by the Committees.

Communications between Shareholders and the Boards

Shareholders who wish to communicate with the boards should address their communications to the attention of the Secretary of Carnival Corporation and Carnival plc at 3655 N.W. 87th Avenue, Miami, Florida 33178-2428. The Secretary will maintain a log of all such communications, promptly forward to the Presiding Director those which the Secretary believes require immediate attention, and also periodically provide the Presiding Director with a summary of all such communications and any responsive actions taken. The Presiding Director will notify the boards or the chairs of the relevant board committees as to those matters that he believes are appropriate for further action or discussion.

Communications between Interested Parties and the Presiding Director

Interested parties who wish to communicate with the Presiding Director should address their communications to the attention of Stuart Subotnick at 3655 N.W. 87th Avenue, Miami, Florida 33178-2428. The Presiding Director will notify the boards or the chairs of the relevant board committees as to those matters that he believes are appropriate for further action or discussion.

Code of Business Conduct and Ethics

Carnival Corporation and Carnival plc's Code of Business Conduct and Ethics applies to all employees and members of the boards of Carnival Corporation and Carnival plc. Our Code of Business Conduct and Ethics is posted on our website at www.carnivalcorp.com or www.carnivalplc.com and is available in print to any shareholder who requests it. The Code of Business Conduct and Ethics may be amended periodically to remain in line with best practices.

DIRECTOR COMPENSATION AND STOCK OWNERSHIP GUIDELINES

Our non-employee directors are entitled to receive an annual retainer of \$40,000 per year, an attendance fee per board meeting of \$5,000 (\$2,000 if meeting attended by telephone), equity compensation in the form of options to acquire shares of Carnival Corporation common stock, restricted stock or restricted stock units, as further described below, and reimbursement for travel, meals and accommodation expenses attendant to their board membership. In certain circumstances, we request that the directors' spouses attend a special event and we reimburse the directors for travel expenses incurred. In addition, non-employee directors receive additional compensation for serving as chairman or a member of a board committee, as follows:

	Retainer		Attendance Fee	
	Chair	Member	In Person	By Telephone
Audit Committees	\$15,000	\$7,500	\$3,000	\$1,500
All other Committees	\$ 7,500	\$3,750	\$2,500	\$1,250

For purposes of calculating fees, a board or committee meeting of Carnival Corporation and a concurrent or related board or committee meeting of Carnival plc constitute a single meeting. Directors who are

employed by us or our subsidiaries or acting as our consultants do not receive any additional compensation for their board activities.

During fiscal 2005, with the exception of A. Kirk Lanterman who elected not to participate, each non-executive director received an award representing 10,000 “points” under the Amended and Restated Carnival Corporation 2001 Outside Director Stock Plan. Each option to purchase one share of Carnival Corporation common stock represents one point and each share of Carnival Corporation restricted stock represents four points. At the discretion of the Compensation Committee, an award may be composed of options, restricted stock, restricted stock units or a combination thereof. During fiscal 2005, the following awards were made to non-executive directors:

<u>Non-Executive Director</u>	<u>Number of Options</u>	<u>Number of Restricted Shares</u>
Richard G. Capen, Jr.	10,000	—
Arnold W. Donald	5,000	1,250
Richard J. Glasier	10,000	—
Baroness Hogg	—	2,500
Modesto A. Maidique	10,000	—
Sir John Parker	—	2,500
Stuart Subotnick	—	2,500
Uzi Zucker	10,000	—

The exercise price for the options is \$46.61, being the average of the high and low market prices of Carnival Corporation common stock on the date of grant. The options and restricted stock vest ratably over a five year period. The options and restricted stock shall also vest in full upon the death or disability of the director, and shall continue to vest in accordance with the original five-year vesting schedule and are not forfeited if a director ceases to be a director for any other reason after serving as a director for at least one year. The options expire on the 10th anniversary of the grant date.

Until October 2005, Baroness Hogg and Sir John Parker also received an additional \$5,000 for each board meeting held outside the UK attended in person as part compensation for not previously accepting stock options. Following the grant of awards under the Amended and Restated Carnival Corporation 2001 Outside Director Stock Plan in October 2005 when Baroness Hogg and Sir John Parker received their first awards under that plan, this additional compensation was discontinued.

The following policies also apply to our non-executive directors:

- *Stock Ownership Guidelines.* All non-executive directors should own at least 5,000 shares of either Carnival Corporation common stock or Carnival plc ordinary shares. The board has mandated that this guideline be achieved by October 2007.
- *Product Familiarization.* All non-executive directors are encouraged to take a cruise for up to 14 days per year for product familiarization and pay a fare of \$35 per day for such cruises. Guests traveling with the non-executive director in the same stateroom will each be charged a fare of \$35 per day. All other charges associated with the cruise (e.g., air fares, government fees and taxes, gratuities, ground transfers, tours, etc.) are the responsibility of the non-executive director.

At November 30, 2005, based on the closing price of Carnival plc ordinary shares on such date of £32.41, such 36,979 restricted shares had a value of £1,198,489 (or \$2,073,386 based on the November 30, 2005 exchange rate of \$1.73:£1), which shares have the right to dividends during the retention period.

- (13) Mr. Foschi's compensation was payable in euro. His base salary has been translated into U.S. dollars at the average exchange rate of the dollar for the 2003 fiscal year of \$1.114=€1, 2004 fiscal year of \$1.235=€1 and 2005 fiscal year of \$1.258=€1. His 2005 bonus has been translated into U.S. dollars at the exchange rate of \$1.22=€1.
- (14) Represents amounts payable to Mr. Foschi under an agreement pursuant to which he receives a base bonus (which was €669,000 in 2005 and was €440,000 in 2004 and 2003) plus additional amounts based on the percentage increase in consolidated net income of Costa.
- (15) Represents the value of RSUs granted to Mr. Foschi based on the closing price of Carnival plc ordinary shares on the LSE on the date of grant translated into U.S. dollars at the exchange rate of \$1.74=£1.
- (16) In October 2003, the Compensation Committees approved a grant to Mr. Foschi of 50,000 options to purchase Carnival Corporation common stock pursuant to the terms of the Carnival Corporation 2002 Stock Plan. Following the legal transfer of Costa from Carnival Corporation to Carnival plc in December 2003, the Costa employees participating in the Carnival Corporation 2002 Stock Plan and Carnival Corporation would have faced significant negative tax consequences under Italian law if the employees retained their options. Accordingly, in February 2004, the Compensation Committees accelerated the vesting of all Carnival Corporation options granted to Costa employees and approved a general exceptional grant of share options under Carnival plc's Executive Share Option Plan to replace the Carnival Corporation options. Mr. Foschi received options over 200,000 Carnival plc ordinary shares as part of this general exceptional grant, being the number of Carnival Corporation stock options he had outstanding at the time of the transfer of Costa.

In October 2004, Mr. Foschi received an option over 58,264 Carnival plc ordinary shares which replaced the value of a grant of 10,000 restricted shares of Carnival Corporation originally granted on January 30, 2004. The restricted shares were rescinded because of significant negative tax consequences under Italian law if Mr. Foschi retained shares. Mr. Foschi was also granted an option over 28,800 Carnival plc ordinary shares as part of a wider grant of options to Costa employees. Due to limitations under Carnival plc's Executive Share Option Plan, we were unable to grant Mr. Foschi the 50,000 annual grant of options that were historically granted to him. Accordingly, when our shareholders approved the adoption of the Carnival plc 2005 Employee Share Plan in April 2005, the Compensation Committees granted Mr. Foschi an additional option over 21,200 Carnival plc ordinary shares.

In October 2005, the Compensation Committees granted Mr. Foschi an option over 40,000 Carnival plc ordinary shares to Mr. Foschi in lieu of the 10,000 shares of restricted stock he historically would have received in 2004.

Additional information with respect to Carnival plc's compensation and reimbursement practices during fiscal 2005 for non-employee (or non-executive) directors is included in the Carnival plc Directors' Remuneration Report, which is attached as Annex B to this proxy statement.

Option Grants in Last Fiscal Year

The following table sets forth all stock options granted to our Chief Executive Officer and our four other most highly compensated executive officers during fiscal 2005.

Name	Individual Grants				
	Number of Securities Underlying Options Granted (#) ⁽¹⁾⁽²⁾	Percent of Total Options Granted to Employees in Fiscal Year ⁽³⁾	Exercise or Base Price (\$/Sh) ⁽⁴⁾	Expiration Date	Grant Date Present Value (\$) ⁽⁵⁾
Micky Arison	120,000	2.70%	46.610	10/18/2012	1,326,000
Howard S. Frank	100,000	2.25%	46.610	10/18/2012	1,105,000
Robert H. Dickinson	80,000	1.80%	52.185	08/01/2015	1,052,000
Peter G. Ratcliffe	50,000	1.12%	50.225	04/14/2015	676,500
Pier Luigi Foschi	21,200	0.48%	55.434	04/14/2015	305,492
	40,000	0.90%	50.453	10/18/2015	516,400

- (1) Represents options granted in respect of Carnival Corporation common stock, except for options granted to Mr. Foschi which are in respect of Carnival plc ordinary shares. No stock appreciation rights were granted to the executive officers in fiscal 2005.
- (2) Subject to accelerated vesting upon the death or disability of the option holder, each option is exercisable in amounts equal to twenty percent of the aggregate number of shares underlying the option, on the first through fifth anniversaries of the grant date, except for the options granted to Mr. Foschi on April 14, 2005, all of which vest on the third anniversary of the grant date. Generally, the options will continue to vest and are not forfeited following retirement after a certain age.
- (3) Represents the percent of the aggregate of Carnival Corporation and Carnival plc options granted.
- (4) Except in the case of options granted to Mr. Foschi, represents fair market value of Carnival Corporation common stock at date of grant. In the case of options granted to Mr. Foschi, represents the middle market quotation of Carnival plc ordinary shares on the date of grant. The exercise price for the Carnival plc options granted on April 14, 2005 is £29.33 and October 18, 2005 is £28.83. These amounts have been converted to U.S. dollars based on the grant date exchange rates of \$1.89:£1 and \$1.75:£1, respectively.
- (5) The Black-Scholes option pricing model was chosen to estimate the Grant Date Present Value set forth in this table of (a) the Carnival Corporation options at \$13.53 per share at April 14, 2005, \$13.15 per share at August 1, 2005 and \$11.05 per share at October 18, 2005 and (b) the Carnival plc options at \$14.41 per share at April 14, 2005 and \$12.91 per share at October 18, 2005. Our use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option models require a prediction about the future movement of the stock price. Several factors impact the expected option life, including the vesting schedule of the options. All of the options described above lapse on the tenth anniversary of the grant date with the exception of the Carnival Corporation options granted on October 18, 2005 which lapse on the seventh anniversary of the grant date. In addition, all of the options described above vest ratably over five years with the exception of the Carnival plc options granted on April 14, 2005 which cliff vest on the third anniversary of the grant date. Accordingly, the Grant Date Present Values presented in the table were determined in part using the following assumptions:

	Carnival Corporation			Carnival plc	
	April 14, 2005	August 1, 2005	October 18, 2005	April 14, 2005	October 18, 2005
Expected volatility	27.00%	27.00%	27.00%	27.00%	27.00%
Risk free interest rate	4.08%	4.17%	4.30%	4.61%	4.36%
Expected dividend yield	1.92%	2.47%	2.42%	1.82%	2.48%
Expected option life	5.75 years	5.75 years	4.75 years	4.75 years	5.75 years

The real value of the options in this table depends upon the actual performance of Carnival Corporation common stock and Carnival plc ordinary shares, as applicable, during the applicable period and upon when they are exercised. The approach used in developing the assumptions upon which the Black-Scholes valuation was done is consistent with the requirements of Statement of Financial Accounting Standards No. 123, "Accounting for Stock-Based Compensation."

Executive Long-Term Compensation Agreements

Carnival Corporation has entered into Executive Long-Term Compensation Agreements (the "Compensation Agreements") with Micky Arison, its Chairman of the Board and Chief Executive Officer, Howard S. Frank, its Vice Chairman of the Board and Chief Operating Officer, and Robert H. Dickinson, President and Chief Executive Officer of Carnival Cruise Lines (each an "Officer"). The Compensation Agreements provide that during the term of such Officer's employment, Carnival Corporation will provide long-term compensation (in addition to his annual compensation consisting of a base salary and annual bonus, which in the case of Mr. Dickinson is awarded under the Carnival Cruise Lines Management Incentive Plan) in the form of annual grants to each Officer, contingent upon satisfactory performance, as follows: Mr. Arison, 60,000 restricted shares of common stock and 120,000 options to purchase common stock; Mr. Frank, 50,000 restricted shares of common stock and 100,000 options to purchase common stock; and Mr. Dickinson, 40,000 restricted shares of common stock and 80,000 options to purchase common stock.

The options vest in five equal annual installments beginning one year from the date of grant and the restricted shares of common stock vest five years from the date of grant. Unvested options and restricted shares of common stock are forfeited if an Officer's employment is terminated for cause, if he engages in competition with Carnival Corporation or if he violates the nondisclosure provisions of the Compensation Agreement, or by the Officer prior to attaining a specified age other than as a result of a terminal medical condition.

Employment Agreement

Peter G. Ratcliffe has entered into an employment agreement under which he acts as Chief Executive Officer of P&O Princess Cruises International responsible for the Cunard Line, Ocean Village, P&O Cruises, P&O Cruises (Australia), P&O Travel, Princess Cruises, Princess Tours and Swan Hellenic units (the "Covered Operations"). Mr. Ratcliffe's minimum base salary is \$1.1 million with an annual bonus based on a specified percentage of the adjusted net income from the Covered Operations. Fifty percent of the annual bonus is payable in cash with the remaining fifty percent payable in the form of a right to receive shares in Carnival plc ("share awards") after a retention period of three years pursuant to the terms of the Deferred Bonus Plan. The employment agreement provides that Carnival Corporation will provide an annual grant of options to purchase 50,000 shares of Carnival Corporation common stock, contingent upon satisfactory performance. The options vest in five equal annual installments beginning one year from the date of grant. Unvested options are forfeited if Mr. Ratcliffe's employment is terminated for cause or because he is in material violation of the non-competition, non-disclosure or intellectual property provisions of his employment agreement, or by Mr. Ratcliffe prior to the age of 60 other than as a result of a terminal medical condition or for good reason as defined in his employment agreement.

Mr. Ratcliffe is also entitled to certain fringe benefits available to other senior executives as well as participation in the P&O Princess Cruises Pension Scheme.

If Mr. Ratcliffe's employment agreement is terminated by Carnival plc without "cause" or is terminated by Mr. Ratcliffe with "good reason" (as such terms are defined in the employment agreement), Mr. Ratcliffe is entitled to compensation of base salary, a bonus equal to the bonus paid the year prior to termination and certain other benefits unless Mr. Ratcliffe becomes eligible for similar benefits from another employer prior to expiration of 12 months from the date of termination. If Mr. Ratcliffe's employment is terminated for cause, Mr. Ratcliffe terminates the employment agreement without good reason or Mr. Ratcliffe materially breaches the non-disclosure or intellectual property provisions of the employment agreement, no additional compensation is due. In the event of termination for reasons other than for cause Mr. Ratcliffe retains his share awards and matching awards for the full retention period, subject to certain exceptions.

Service Agreement

In February 2005, Costa entered into a service agreement with Mr. Foschi under which he acts as its chairman and chief executive officer. The agreement provides that during its term Mr. Foschi is entitled to an annual base salary of €757,000 per year (which may be subject to increases upon renewal of the agreement), a base bonus (which was €669,000 in 2005) plus additional amounts based on the percentage increase in consolidated net income of Costa, non-competition compensation of €115,000 per year and certain fringe benefits (including a company car and living accommodations). The employment agreement also contains confidentiality provisions.

The agreement is automatically renewed for an additional year unless either party provides the other with 60 days notice of an intention not to renew. If the agreement is terminated by Costa for reasons other than Mr. Foschi's breach of his obligations under the agreement or because Mr. Foschi is revoked as a director of Costa for cause, or if Mr. Foschi resigns with cause under Italian law or as a result of a change of control of Costa, Mr. Foschi is entitled to a termination payment equal to his annual base salary, the annual non-competition compensation and a bonus equal to the bonus paid the year prior to termination (unless in the case of a change of control an alternative contractual arrangement is entered into with the new controlling group).

Additional long-term compensation information for the directors of Carnival plc for the financial year ended November 30, 2005 is included in the Carnival plc Directors' Remuneration Report, which is attached as Annex B to this proxy statement.

Carnival Corporation

The following table sets forth the combined estimated pension benefits payable at age 65 (the “Normal Retirement Date”), pursuant to Carnival Corporation’s Supplemental Executive Retirement Plan (the “SERP”) and Nonqualified Retirement Plan for Highly Compensated Employees (the “Carnival Corporation Retirement Plan”).

Carnival Corporation established the SERP to provide benefits to a select group of management or highly compensated employees. Currently, only Robert H. Dickinson and Howard S. Frank are eligible to participate. The SERP provides a benefit equal to 50% of cash compensation (as defined in the SERP) reduced proportionately for each year of service less than 25. Mr. Dickinson and Mr. Frank have already satisfied the 25-year service requirement. The SERP provides an early retirement benefit at age 55 after completion of 15 years of service, subject to a reduction of 0.25% for each month that distribution of benefits precedes the participant’s Normal Retirement Date. The SERP benefit is offset for any benefit payable under the Carnival Corporation Retirement Plan and for Social Security benefits. The form of payment is either a lump-sum, life annuity (with either a 5-year or 10-year certain benefit) or a joint and survivor annuity for married participants.

A participant’s benefits under the Carnival Corporation Retirement Plan are calculated based on an employee’s length of service with Carnival Corporation and the average of the participant’s five highest consecutive years of compensation (including base pay, overtime, bonuses and commissions) out of the last ten years of service. The eligible compensation with respect to the individuals named in the Summary Compensation Table includes base salary and cash bonuses. The Carnival Corporation Retirement Plan provides an early retirement benefit at age 55 after completion of 15 years of service, subject to a reduction of 0.5% for each month that distribution of benefits precedes the participant’s Normal Retirement Date.

The normal form of payment is a straight life annuity with benefits ceasing at the later of the death of the participant or five years from the date of first payment. If the employee is married, pension benefits are presumptively payable on a reduced 50% joint and survivor annuity basis with the employee’s spouse as the contingent annuitant. If the employee is not married, pension benefits are paid as a lump sum to the participant’s beneficiary or estate, as applicable. For retired or terminated employees, other forms of distribution are available under the Carnival Corporation Retirement Plan.

Credited service for benefit calculation purposes under the Carnival Corporation Retirement Plan is limited to 30 years. As of December 31, 2005, Micky Arison, Robert H. Dickinson and Howard S. Frank each have at least 30 years of credited service. Pier Luigi Foschi and Peter G. Ratcliffe are not eligible for participation in the Carnival Corporation Retirement Plan.

Carnival Corporation has a benefit limitation policy for the Carnival Corporation Retirement Plan consistent with Section 415 of the Internal Revenue Code of 1986 (the “Code”) applicable only to Mr. Arison. The annual compensation covered by the Carnival Corporation Retirement Plan for the calendar year 2004 for Mr. Arison is limited to \$310,054 (as may be indexed) pursuant to Section 401(a)(17) of the Code. Based on Mr. Arison’s level of compensation and his 30 credited years of service, the estimated benefits payable to Mr. Arison at the Normal Retirement Date pursuant to the Carnival Corporation Retirement Plan is \$136,642, currently being the maximum benefit under the plan. The Carnival Corporation Retirement

Plan does not reduce benefits on account of Social Security (or any other benefit), other than as reflected in the benefit formula which is integrated with Social Security.

Carnival plc

Pursuant to the P&O Princess Cruises Pension Scheme (the "UK Scheme"), a UK Inland Revenue approved defined-benefit scheme, participants generally accrue pension rights at a rate of up to 1/60th of final salary for each year of service, although the accrual rate varies by employee. For this purpose, final salary is generally defined as the basic salary received in the final 12 months of service, subject to certain adjustments. Normal retirement age is 63 for general employees and 60 for sea staff and certain senior executives. Additional cash supplements are paid depending on the number of years of pensionable service.

Peter G. Ratcliffe, our only named executive officer who is eligible for pension benefits from Carnival plc, has 34 years of credited service under the UK Scheme. Under the UK Scheme, in the event of compulsory early retirement, or voluntary early retirement after the age of 55, Mr. Ratcliffe would receive a minimum pension of two-thirds of his final salary subject to UK Inland Revenue limits. The estimated annual benefits payable upon retirement to Mr. Ratcliffe under the UK Scheme at the normal retirement age of 60 is \$802,933 based on unchanged basic salary.

Additional information with respect to pension plan arrangements for Carnival plc for the financial year ended November 30, 2005 is included in the Carnival plc Directors' Remuneration Report, which is attached as Annex B to this proxy statement.

REPORT OF THE COMPENSATION COMMITTEES

Carnival Corporation and Carnival plc are two separate legal entities and, therefore, each has a separate board of directors, each of which in turn has its own Compensation Committee. As there is a single management team, the Compensation Committees (which have three identical members), make one set of determinations in relation to both companies.

This report of the Compensation Committees sets out the compensation policies of the Compensation Committee with respect to the Chief Executive Officer and the four other most highly compensated executive officers for the year ended November 30, 2005, details of whose compensation is set forth under “*Executive Compensation*” in accordance with U.S. Securities and Exchange Commission requirements. Further information on our compensation policies as required under applicable UK law is set out in the Carnival plc Directors’ Remuneration Report, which is attached as Annex B to this proxy statement.

The Compensation Committees are responsible for annually approving the cash compensation, including annual performance-related bonuses, payable to the executive officers and for the administration of the Carnival Corporation and Carnival plc equity-based incentive plans.

The Compensation Committee for each of Carnival Corporation and Carnival plc is currently comprised of Modesto A. Maidique, Richard J. Glasier and Sir John Parker, each of whom is independent as defined by the listing standards of the NYSE and the UK Combined Code.

Compensation Philosophy

The key components of the compensation of the Chief Executive Officer and the other executive officers are base salary, annual performance-related bonus and equity-based incentives. The overall objective is to position the total potential compensation, if performance warrants, at approximately the 75th percentile of a comparable group of U.S. companies (being companies of similar size in the entertainment, hospitality and media industries) (the “Comparative Group”), as well as to provide both short-term rewards and long-term incentives for positive individual and corporate performance.

Carnival Corporation & plc is a global entity with executives working and living in different parts of the world with a majority of senior employees located in the U.S., and most of the remainder in the UK and Italy. As a global entity, it is challenging to establish consistent compensation practices across geographic and corporate lines that satisfy the particular requirements of all jurisdictions. Since the largest presence of executives is in the U.S., U.S. compensation practice shapes our compensation policy. However, the Compensation Committees seek to incorporate UK compensation principles, including those contained in the UK Combined Code, as far as practicable, unless the application of those principles would be uncompetitive in the U.S. or other markets, would result in substantial inconsistencies within the Carnival Corporation & plc group, or would restrict the Carnival Corporation & plc group’s ability to transfer executives between brands. The overall remuneration objective is to pay high rewards for the continued delivery of high performance from a moderate base salary.

The various components of executive compensation are discussed below.

Base Salaries

Overall, the base salaries of the executive officers, including the base salary of the Chief Executive Officer, are set at a level the Compensation Committees believe to be at approximately the 50th percentile of the Comparative Group. The objective is to emphasize the performance-related annual bonus as the most important cash compensation feature of executive compensation as a reward for contributions made towards achieving Carnival Corporation & plc’s goals, including profitability.

Bonuses

The bonuses for each of the Chief Executive Officer and the Chief Operating Officer were determined by the Compensation Committees after taking into account the net income of Carnival Corporation & plc, the individual performance of such executives and Carnival Corporation & plc’s return on invested capital.

The annual bonuses to the heads of our operating companies are based on the financial performance of their respective operating units. The annual bonus to Robert H. Dickinson is based on the financial performance of Carnival Cruise Lines and determined pursuant to the terms of the Carnival Cruise Lines Management Incentive Plan (the "CCL Plan"). The annual bonus for Peter G. Ratcliffe is based on the financial performance of the brands for which he was responsible during the fiscal year (for 2005 being Cunard Line, Ocean Village, P&O Cruises, P&O Cruises (Australia), P&O Travel, Princess Cruises, Princess Tours and Swan Hellenic). The annual bonus for Pier Luigi Foschi is based on the financial performance of Costa.

Equity-Based Incentives

The third component of Carnival Corporation & plc's executive compensation is comprised of stock-based incentive plans. Whereas the cash bonus payments are intended to reward positive short-term individual and corporate performance, grants under the equity-based plans are intended to provide executives with longer-term incentives, which appreciate in value with the continued favorable future stock price performance of Carnival Corporation & plc. The Compensation Committees approved individual compensation agreements that provide for grants of stock options and/or restricted stock pursuant to the 2002 Stock Plan, the Carnival plc Employee Share Plan and the other equity-based incentive plans described elsewhere in this proxy statement based on the individual performance and responsibilities of the executive officers, taking into account the following:

- The overall financial performance of Carnival Corporation & plc in the previous fiscal year; and
- The personal contribution that each executive has made to the:
 - development of a strategy to deliver future growth;
 - ongoing creation of a competitive cost structure; and
 - overall corporate success of Carnival Corporation & plc through the spread of best practices.

Annual grants of stock options or restricted shares pursuant to individual compensation agreements are subject to a determination of satisfactory performance by the Compensation Committees.

Other Compensation

Carnival Corporation and Carnival plc have entered into various compensation-related agreements with each of the executive directors and certain individual officers. See "Executive Compensation—Executive Long-Term Compensation Agreements," "Executive Compensation—Employment Agreement" and "Executive Compensation—Service Agreement." Such agreements include stock compensation agreements, employment agreements and service agreements. The Compensation Committees and the boards of directors will continue to consider such arrangements in the future in connection with circumstances that warrant an individualized compensation arrangement.

In fiscal 2005, some of Carnival Corporation's executive officers also participated in Carnival Corporation's nonqualified defined benefit pension plan and all were able to participate in Carnival Corporation's nonqualified 401(k)/profit sharing plan. In addition, two of Carnival Corporation's executive officers participated in Carnival Corporation's supplemental executive retirement plan and Peter G. Ratcliffe participated in the Princess Cruises Retirement Savings Plan and the UK Scheme.

Advisors

The Compensation Committees engaged an outside compensation consultant, Watson Wyatt Worldwide, to conduct a review of executive remuneration within the Carnival Corporation & plc group. The review provided the Compensation Committees with benchmark data on awards within the Comparative Group on the basis of which the Compensation Committees were able to frame a more definitive compensation policy.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Certified Public Accounting Firm

In December 2003, the Audit Committees adopted Key Policies and Procedures which address, among other matters, pre-approval of audit and permissible non-audit services provided by the independent registered certified public accounting firm. The Key Policies and Procedures require that all services to be provided by the independent registered certified public accounting firm must be approved by the Audit Committees. The Audit Committees consider whether the services requested are consistent with the rules of the U.S. Securities and Exchange Commission on auditor independence.

REPORT OF THE AUDIT COMMITTEES

Carnival Corporation and Carnival plc are two separate legal entities and, therefore, each has a separate board of directors, each of which in turn has its own Audit Committee. In accordance with their charter, each Audit Committee assists the relevant board of directors in carrying out its oversight of:

- the integrity of the relevant financial statements;
- the company's compliance with legal and regulatory requirements;
- the auditors' qualifications and independence; and
- the performance of the company's internal audit functions and independent auditors.

Both Audit Committees are subject to the audit committee independence requirements under the corporate governance standards of the NYSE and relevant U.S. Securities and Exchange Commission rules, and the Audit Committee of Carnival plc is also subject to the requirements of the UK Combined Code. The two Audit Committees have identical members and each currently consists of five independent (as defined by the listing standards of the NYSE currently in effect and the UK Combined Code), non-employee directors. Each board of directors has determined that Stuart Subotnick is both "independent" and an "audit committee financial expert," as defined by SEC rules. In addition, the board of Carnival plc has determined that Stuart Subotnick has "recent and relevant financial experience" for purposes of the UK Combined Code.

Management has primary responsibility for Carnival Corporation & plc's financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements. Carnival Corporation & plc's independent auditors are responsible for performing an independent audit of those financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles. The Audit Committees are responsible for monitoring and overseeing the financial reporting process and the preparation of consolidated financial statements and for supervising the relationship between Carnival Corporation & plc and its independent auditors, as well as reviewing the group's systems of internal controls and compliance with the group Code of Business Conduct and Ethics. The Audit Committees have met and held discussions with management of Carnival Corporation & plc and the independent auditors. In this context, management represented to the Audit Committees that Carnival Corporation & plc's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit Committees (i) reviewed and discussed Carnival Corporation & plc's audited consolidated financial statements for the year ended November 30, 2005 with Carnival Corporation & plc's management and with Carnival Corporation & plc's independent auditors; (ii) discussed with Carnival Corporation & plc's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61; and (iii) received the written disclosures and the letter from Carnival Corporation & plc's independent accountants required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees) and discussed with Carnival Corporation & plc's independent auditors the independent auditor's independence. The Audit Committees also considered whether the provision to the relevant entity by the independent auditors of non-audit services was compatible with maintaining the independence of the independent auditors. Based on the reviews and discussions described above, the Audit Committees recommended to the boards of directors that the audited consolidated financial statements of Carnival Corporation & plc be included in Carnival Corporation & plc's Annual Report on Form 10-K for the year ended November 30, 2005 for filing with the U.S. Securities and Exchange Commission.

TRANSACTIONS OF MANAGEMENT AND DIRECTORS

Transactions with Micky Arison. Micky Arison, our Chairman and Chief Executive Officer is also the Chairman, President and the indirect sole shareholder of FBA II, Inc., the sole general partner of Miami Heat Limited Partnership (“MHLP”), the owner of the Miami Heat, a professional basketball team. He is also the indirect sole shareholder of Basketball Properties, Inc., the sole general partner of Basketball Properties, Ltd. (“BPL”), the manager and operator of AmericanAirlines Arena. Pursuant to a five-year advertising and promotion agreement between Carnival Cruise Lines, MHLP and BPL effective July 2004, Carnival Cruise Lines paid an aggregate of \$264,000 in fiscal 2005 for the advertising and promotion of Carnival Cruise Lines during Miami Heat games and other events held at the AmericanAirlines Arena, located in Miami, Florida.

Carnival Cruise Lines also agreed to become the title sponsor of a Hurricane Katrina Relief Benefit Game between the Miami Heat and the San Antonio Spurs held at the AmericanAirlines Arena in October 2005. In becoming the title sponsor of the game, Carnival Cruise Lines agreed to purchase all of the tickets that remained unsold six days prior to the event. Carnival’s ticket purchase guaranteed that the game was sold out, ensuring that the donation to the Hurricane Katrina relief efforts topped the \$1 million mark. As a result of this sponsorship, Carnival Cruise Lines received substantial promotional benefits associated with the event and related media coverage. Ultimately, Carnival Cruise Lines purchased approximately 7,600 tickets to the event for \$499,977. The tickets were distributed to Carnival Cruise Lines employees and several local community groups, schools and other organizations. The Miami Heat donated 100% of the proceeds from the game, both the ticket and concession revenue, to hurricane relief charities, including the American Red Cross.

In addition, in October 2004 Carnival Corporation entered into a seven-year agreement with BPL for the use of six courtside lounge seats at the Miami Heat games played at the AmericanAirlines Arena and other public events at the arena. Under the agreement, Carnival Corporation agreed to pay \$180,000 per year for the first five years, plus taxes, subject to a 5% increase in years six and seven.

Transactions with the Ted Arison Family Foundation USA, Inc. Shari Arison (Micky Arison’s sister) is the Chairman of the Board of Trustees and President of the Ted Arison Family Foundation USA, Inc. (the “Foundation”), a charitable foundation established by Carnival Corporation’s founder, Ted Arison. Carnival Corporation leases approximately 100 square feet of office space to the Foundation and employs one of its employees. During fiscal 2005, Carnival Corporation received approximately \$132,000 from the Foundation for both lease payments and for all costs incurred by Carnival Corporation related to this employee. It is expected that Carnival Corporation will continue these arrangements with the Foundation in the future.

Registration Rights. Pursuant to a letter agreement (the “Trust Registration Rights Agreement”) dated July 11, 1989, Carnival Corporation granted to the Ted Arison Irrevocable Trust (the “Irrevocable Trust”) and the Arison Children’s Irrevocable Trust (the “Children’s Trust,” and together with the Irrevocable Trust, the “Trusts”) certain registration rights with respect to certain shares of Carnival Corporation common stock held for investment by the Trusts (the “Shares”). The beneficiaries of the Trusts included the children of Ted Arison, including Micky Arison, our Chairman of the boards and Chief Executive Officer, and Shari Arison, a major shareholder. Effective December 26, 1991, the Children’s Trust was divided into three separate continued trusts, including continued trusts for Micky Arison, Shari Arison and Michael Arison.

Under the Trust Registration Rights Agreement, Carnival Corporation has granted the Trusts demand and piggyback registration rights. Carnival Corporation is not required to effect any demand registration unless all of the Shares owned by either of the Trusts are included in the demand. Carnival Corporation has agreed to bear all expenses relating to such demand and piggyback registrations, except for fees and disbursements of counsel for the Trusts, selling costs, underwriting discounts and applicable filing fees.

Under a registration rights agreement dated June 14, 1991 (the “Arison Registration Rights Agreement”), Carnival Corporation granted certain registration rights to Ted Arison with respect to certain shares of common stock beneficially owned by him (the “Arison Shares”) in consideration for \$10,000. The registration rights were held by the Estate of Ted Arison. The Estate of Ted Arison subsequently transferred the Arison Shares to the Nickel 1997 Irrevocable Trust (formerly known as The 1997 Irrevocable Trust

of Micky Arison), the Artsfare 1992 Irrevocable Trust (formerly known as the Ted Arison 1992 Irrevocable Trust for Lin No. 2) and the Eternity Four Trust (formerly known as the Ted Arison 1994 Irrevocable Trust for Shari No. 1) (collectively, the "Family Trusts"). The Arison Registration Rights Agreement provides for demand and piggyback registration rights. Carnival Corporation has agreed to bear all expenses relating to such demand and piggyback registrations, except for fees and disbursements of counsel for the Family Trusts, selling costs, underwriting discounts and applicable filing fees.

Agreements with Kirk Lanterman. On December 1, 2004, HAL entered into a letter agreement with Mr. Lanterman regarding the terms of his employment for the month of December 2004 (the "December Employment Agreement"). Pursuant to the December Employment Agreement, Mr. Lanterman was paid \$62,500, less applicable taxes and other standard deductions, including, but not limited to, medical insurance premiums and previously authorized 401(k) contributions, if any. In accordance with the December Employment Agreement, Mr. Lanterman resigned as a HAL employee effective December 31, 2004.

In 1999 and years prior thereto, A. Kirk Lanterman deferred receipt of a portion of his annual bonus. In exchange, Carnival Corporation and Mr. Lanterman entered into a Retirement and Consulting Agreement, which provides that Carnival Corporation will pay him the deferred bonus amounts plus interest in monthly installments over the 15 years following his retirement. During fiscal 2005, Carnival Corporation paid Mr. Lanterman approximately \$1.8 million under the terms of his Retirement and Consulting Agreement.

HAL entered into an 11-month Consulting Agreement (the "Consulting Agreement") with Mr. Lanterman. The initial term of the Consulting Agreement was from January 1, 2005 through November 30, 2005, and was automatically renewed for one additional year. Under the terms of the Consulting Agreement, Mr. Lanterman will have the title of "Chairman" of HAL, which shall be a non-executive title. During the term of the Consulting Agreement, Mr. Lanterman will provide such consulting services and other assistance as may be required by HAL's President on strategic, financial and historical analyses and other various services that are specified by HAL's President, up to a maximum of 1,000 hours annually.

During fiscal 2005, Mr. Lanterman received compensation of approximately \$722,000 under the terms of the Consulting Agreement. He does not participate in any incentive compensation plans offered by HAL or any affiliate of HAL, but is eligible for medical and dental insurance and certain other benefits. The Consulting Agreement contains confidentiality and indemnification provisions and may be terminated by HAL for good cause or upon the death or disability of Mr. Lanterman. HAL has also agreed to indemnify Mr. Lanterman from any losses arising from his provision of the consulting services subject to the Consulting Agreement, subject to customary exceptions. At the end of the term of the Consulting Agreement, no further severance or other payments shall be provided to Mr. Lanterman, except as set forth in the Retirement and Consulting Agreement between Mr. Lanterman and HAL as discussed above.

Transactions with Cruise Specialists. Until January 2005, Janet Olczak Lanterman, the wife of A. Kirk Lanterman, one of our directors and a former executive officer, was the owner of a travel agency located in Seattle, Washington, named Cruise Specialists. Under the laws of the State of Washington, Ms. Lanterman's ownership interest in Cruise Specialists was her separate property and, accordingly, Mr. Lanterman did not have any ownership interest in the agency. Cruise Specialists sells cruises and other similar products for various travel providers, including us, under arrangements that are common throughout the travel industry, whereby Cruise Specialists receives a commission based on sales generated. From December 1, 2004 to December 31, 2004, Cruise Specialists generated approximately \$1.14 million of gross revenues for Carnival Corporation & plc. In connection with such revenues, Cruise Specialists received from Carnival Corporation & plc approximately \$293,000 in commissions and other marketing incentives. Carnival Corporation and Carnival plc believe that the terms and conditions of the agreement with Cruise Specialists were no less favorable to Carnival Corporation & plc than those terms and conditions available for comparable transactions with unaffiliated persons.

Brother of Robert H. Dickinson. Carnival Cruise Lines entered into an agreement with Waste Management National Services, Inc. ("WMNS") for the analytical, management, collection, transportation, disposal and recycling services for certain wastes generated or accumulated by its vessels in U.S. and foreign ports. We have been advised that John Dickinson, the brother of Robert H. Dickinson (President and Chief Executive Officer of Carnival Cruise Lines and a member of our boards of directors), served as a consultant to WMNS in connection with the negotiation of this agreement and receives fees based

on Carnival Cruise Lines' usage of WMNS under the agreement. During fiscal 2005, Carnival Cruise Lines paid approximately \$3.3 million to WMNS for their services. John Dickinson advised us that he received approximately \$37,000 during fiscal 2005 from WMNS.

Son of Pier Luigi Foschi. The son of Pier Luigi Foschi, one of our executive officers and a director, is a minority partner in Studio Biscozzi-Nobili, an Italian tax consulting firm, which is retained from time to time to provide tax advice to Costa, one of Carnival plc's subsidiaries. During fiscal 2005, Costa paid approximately \$184,000 to Studio Biscozzi-Nobili for providing such services to Costa.

Transactions with Affiliated Entities. Carnival Corporation & plc has adopted a policy of dealing with affiliated entities on an arm's-length basis and Carnival Corporation & plc may not engage in business transactions with any affiliate on terms and conditions less favorable to Carnival Corporation & plc than terms and conditions available at the time for comparable transactions with unaffiliated persons. All contracts between us and an entity in which a director or senior employee of Carnival Corporation & plc has an interest must be approved by the boards of directors.

CARNIVAL PLC DIRECTORS' REPORT AND UK GAAP SUMMARY FINANCIAL INFORMATION

Directors' Report

Carnival plc and Carnival Corporation are separate legal entities (together referred to in this report as "Carnival Corporation & plc") and each company has its own board of directors and committees of the board. However, as is required by the agreements governing the dual listed company ("DLC") structure, there is a single management team and the boards of directors and members of the committees of the boards are identical.

Principal activities

Carnival Corporation & plc is the largest cruise vacation group in the world, with a portfolio of 12 cruise brands in North America, Europe and Australia. Together, these brands operate 79 ships totaling 137,000 lower berths with 16 new ships scheduled to enter service between February 22, 2006 and September 2009. Carnival has a multi-brand strategy, which provides products and services appealing to the widest possible target audience across all major sectors of the vacation industry.

Business review and future developments

A review of the Carnival Corporation & plc's group activities during the year and likely future developments is provided in the Chairman's statement and the Management's Discussion and Analysis of Financial Condition and Results of Operations contained in the Carnival Corporation & plc 2005 Annual Report, which accompanies the proxy statement.

On December 14, 2005 Carnival plc entered into an agreement to sell the Pacific Sky. In addition on January 1, 2005 Carnival plc acquired the business assets of Cunard Line Limited, its wholly owned subsidiary. The purchase price was based on the book values of the assets held by Cunard Line Ltd. Further details of movements in group and company fixed assets are provided in the notes to the audited consolidated financial statements of Carnival plc (the "Carnival plc Accounts").

Dividends

During the year ended November 30, 2005, Carnival Corporation and Carnival plc paid four quarterly dividends totalling 70 U.S. cents per ordinary share (2004—50 U.S. cents). In April 2005 the boards approved an increase in the quarterly dividend from 15 to 20 U.S. cents per share and in October 2005 approved a further increase in the quarterly dividend to 25 U.S. cents per share.

Although the dividend is declared in U.S. cents, it is paid in sterling to the holders of ordinary shares in Carnival plc unless they elect to receive their dividends in U.S. dollars. The dividend will be converted into sterling at an exchange rate set approximately 10 days prior to the actual payment.

Holders of the Carnival plc's American Depositary Shares ("ADSs") are paid their dividend in U.S. dollars.

On September 21, 2004, Bedell Trustees Limited, the trustee for the Carnival plc Deferred Bonus and Co-Investment Matching Plan, waived its right to all dividends payable by Carnival plc. The amount waived during the year was £66,238.60.

Share capital

Changes in Carnival plc's share capital during the year are given in note 16 to the Carnival plc Accounts.

The preference shares of Carnival plc, which have been allotted but not issued, are entitled, in priority to the holders of any other class of shares in Carnival plc's share capital, to a cumulative fixed dividend of 8% per annum. The preference shares carry no voting rights and rank behind the ordinary shares in relation to a winding-up and certain types of return of capital. The Carnival plc subscriber shares have

no dividend rights nor voting rights nor any rights to payment of capital upon a distribution of assets by Carnival plc. The preference shares and subscriber shares are unlisted.

Details of options over ordinary shares granted to employees are given in note 19 to the Carnival plc Accounts.

In October 2004, Carnival Corporation and Carnival plc announced that their boards of directors had authorised the repurchase of up to an aggregate of \$1 billion of Carnival Corporation and Carnival plc shares. Shareholder approval is not required to buy back shares of Carnival Corporation, but is required under the Companies Act to buy back shares of Carnival plc. Accordingly, at the annual general meetings held on April 13, 2005, the authority for Carnival plc to buy back its own shares was approved. This authority enabled Carnival plc to buy back up to 10,610,900 ordinary shares of Carnival plc (being approximately 5% of Carnival plc's ordinary shares in issue). That approval expires at the conclusion of Carnival plc's 2006 annual general meeting. As of January 31, 2006, Carnival Corporation has purchased 8,002,049 shares of Carnival Corporation for \$385.7 million, but neither Carnival Corporation nor Carnival plc has purchased any Carnival plc shares.

The boards recognise that Carnival Corporation & plc need to ensure there is a consistent standard of operation throughout its fleet in keeping with its leading position in the cruise industry. In this regard, the Carnival Corporation & plc Corporate Maritime Affairs Department has worked with the operating companies in developing corporate-wide health and safety and security standards in order to provide fleet-wide consistency.

Similarly, in conjunction with the Carnival Corporation & plc Corporate Environmental Compliance Department, appropriate standards have been developed on policy matters regarding environmental issues. All vessels operate to a common Environmental Compliance Plan ("ECP") issued in April 2002 and augmented by the additional policies issued and being developed. Carnival Corporation & plc is actively pursuing external certification of its environmental management system to ISO 14001 standards.

Monitoring of compliance with corporate policies, and corporate standards is maintained by annual audit under the direction of the Carnival Corporation & plc Audit Services Department and Corporate Environmental Compliance Department, each of which reports to the Audit Committees.

Carnival Corporation & plc's Environmental Policy and Environmental Report are available on the website at www.carnivalcorp.com or www.carnivalplc.com.

Employees

Carnival Corporation & plc is comprised of 12 cruise brands in North America, Europe and Australia. These schemes reinforce the philosophy of encouraging senior employees to contribute directly to the achievement of Carnival Corporation & plc's goals and of rewarding individual and collective success.

It is the policy of Carnival Corporation & plc that disabled persons should receive full and fair consideration for all job vacancies for which they are suitable applicants and training and career development is encouraged as for all other employees. It is the policy of Carnival Corporation & plc to seek to retain employees who become disabled whilst in its service wherever possible and to provide specialist training where appropriate.

Charitable donations

Carnival Corporation & plc provides support to charities by way of donations in cash and/or gifts in kind. Carnival Corporation has established the Carnival Foundation (the "Foundation"), which assists it in its commitment to enrich and better the lives of communities where it does business and/or where its employees live and work. The Foundation considers applications for charitable support from individuals and organisations and, according to an assessment of the merits of each application, determines whether it is appropriate to support particular causes or projects. Its primary funding interests include human and social needs, art and culture, health services and education.

Pursuant to Mr. Arison's request, Carnival Corporation donated \$2.5 million of Mr. Arison's 2005 bonus to the Partnership for Recovery, Inc., Florida Hurricane Relief Fund, Save the Children and My Key West Emergency Relief Fund established by the Community Foundation of the Florida Keys to aid in hurricane relief efforts.

During the financial year ended November 30, 2005, the Carnival plc group made charitable donations totalling \$1.4 million (2004—\$1.0 million) of which \$1.1 million (2003—\$0.8 million) was in respect of charitable organisations in the United States.

We expect the most significant changes to the Carnival plc group's future reported results to arise from the expensing of share based payments, the recording of derivatives at fair values on the Carnival plc balance sheet, the measurement of pension assets and liabilities and the timing of Carnival plc's dividend recognition.

Auditors

The independent auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution that they be re-appointed will be proposed at the annual general meeting.

Notes to the Summary Financial Information

1. Basis of preparation

On April 17, 2003, Carnival Corporation and Carnival plc (formerly known as P&O Princess Cruises plc) completed a dual listed company (“DLC”) transaction (the “DLC transaction”), which implemented the Carnival Corporation & plc DLC structure. The DLC transaction combined the businesses of Carnival Corporation and Carnival plc (collectively known as “Carnival Corporation & plc”) through a number of contracts and through amendments to Carnival Corporation’s articles of incorporation and by-laws and to Carnival plc’s memorandum of association and articles of association. The two companies have retained their separate legal identities, however, they operate as if they were a single economic enterprise. Each company’s shares continue to be publicly traded; on the New York Stock Exchange (“NYSE”) for Carnival Corporation and the London Stock Exchange for Carnival plc. In addition, Carnival plc American Depository Shares are traded on the NYSE. The contracts governing the DLC structure provide that Carnival Corporation and Carnival plc each continue to have separate boards of directors, but the boards and senior executive management of both companies are identical. Under the contracts governing the DLC the Carnival Corporation & plc consolidated earnings accrue equally to each unit of Carnival Corporation stock and each Carnival plc share.

In order to provide the Carnival Corporation and Carnival plc shareholders with the most meaningful picture of their economic interest in the DLC formed by Carnival Corporation and Carnival plc, consolidated financial statements and management commentary of Carnival Corporation & plc have been included in the Carnival Corporation & plc 2005 Annual Report. The consolidated Carnival Corporation & plc financial statements have been prepared under purchase accounting principles whereby the DLC transaction has been accounted for as an acquisition of Carnival plc by Carnival Corporation. These consolidated Carnival Corporation & plc financial statements have been prepared under U.S. GAAP on the basis that all significant financial and operating decisions affecting the DLC companies are taken on the basis of U.S. GAAP information and consequences.

The standalone Carnival plc UK GAAP Summary Financial Information is required to satisfy statutory reporting requirements in the UK and does not include the results or net assets of Carnival Corporation. However, the directors consider that within the DLC arrangement the most appropriate presentation of Carnival plc’s results and financial position is by reference to the U.S. GAAP financial statements of Carnival Corporation & plc, which are included in the Carnival Corporation & plc 2005 Annual Report that accompanies this document.

Carnival plc has a single business of operating cruise ships and North American related landside assets under various brand names as follows: Holland America Tours and Princess Tours in North America, Costa, P&O Cruises, Swan Hellenic, Ocean Village and AIDA Cruises in Europe and P&O Cruises (Australia) in Australia and New Zealand. In addition, Carnival plc operates the Cunard brand, approximately 60% of the results of which are generated in North America with the remainder primarily arising in Europe.

2. Loss on disposal of ships

During 2005 as part of a redeployment of vessels between the UK and North America, Carnival plc sold the Adonia to Princess Cruises. The sale resulted in a UK GAAP loss of \$12.6m for Carnival plc. In the Carnival Corporation & plc consolidated financial statements no loss arose because the transfer was between companies within the DLC.

On December 14, 2005, Carnival plc entered into an agreement to sell the Pacific Sky. The net sale proceeds will be approximately \$19.4m less than the UK GAAP carrying value, and thus a provision in anticipation of the disposal has been made in the 2005 results. The U.S. GAAP Pacific Sky carrying value is less than the net sale proceeds and, accordingly, no provision in anticipation of disposal was recorded in the 2005 Carnival Corporation & plc consolidated financial statements.

3. Merchant Navy Officers Pension Fund (“MNOFF”)

A number of Carnival plc’s operating companies are participating employers in the MNOFF, an industry-wide multiemployer defined benefit pension scheme. The New Section of the fund, which is closed to new membership, has an actuarial deficit, however the extent of each employers’ liability for any ultimate deficit is uncertain. Following a March 2005 court ruling the Carnival plc group (“the Group”) is currently estimated to be liable for approximately 2.5% of any fund deficit, after apportionment to Princess Cruise Lines Ltd for participation by its employees in the fund. At March 31, 2003, the date of the most recent formal actuarial valuation of the New Section, prepared by the MNOFF’s actuary, the Group’s estimated 2.5% share of the fund deficit was approximately \$7.6 million, assuming a 7.8% discount rate. During August 2005 the Group received invoices from the MNOFF trustee requiring payment over the next ten years of \$11.0m, representing the trustee’s revised estimate, at that time, of the Group’s share of the deficit. At November 30, 2005, Carnival plc’s independent actuary informally updated the March 31, 2003 valuation for UK accounting purposes, and estimated that the Group’s share of New Section deficit could increase to \$29m, assuming a 4.8% discount rate. The amount of the fund deficit could vary considerably if different assumptions and/or estimates were used in its calculation. It is possible that the fund’s trustee could invoice the Group for additional amounts in the future for various reasons, including if they believe the fund requires further funding. In the Carnival Corporation & plc consolidated financial statements a provision of \$23m was made, which represents the MNOFF trustee’s calculation of its share of the entire MNOFF liability. Further details of the circumstances of this pension scheme are included in note 13 to the Carnival Corporation & plc 2005 Annual Report.

CARNIVAL PLC DIRECTORS' REMUNERATION REPORT

This report forms part of the audited consolidated financial statements of Carnival plc for the financial year ended November 30, 2005. Carnival plc and Carnival Corporation are separate legal entities (together referred to in this report as "Carnival Corporation & plc") and each company has its own board of directors and Compensation Committee. However, as is required by the agreements governing the dual listed company ("DLC") structure, there is a single management team and the boards of directors and members of the committees of the boards are identical.

This report has been drafted in compliance with the Directors' Remuneration Report Regulations 2002 incorporated into the UK Companies Act 1985 and with the July 2003 Combined Code on Corporate Governance (the "Combined Code"). Sections 1 to 7 below comprise the "auditable part" of this report.

Sterling and Euro denominated amounts are converted to U.S. dollar amounts at the average exchange rates for the year ended November 30, 2005 of £1:\$1.836 (2004—£1:\$1.818) and Euro 1:\$1.258 (2004—Euro 1:\$1.235) unless otherwise stated.

The Compensation Committees

The members of the Compensation Committees are Modesto A. Maidique (chairman), Sir John Parker and Richard J. Glasier, all of whom the boards consider to be independent non-executive directors as explained in the Carnival plc Corporate Governance Report attached as Annex C of the proxy statement to which this report is annexed.

The Compensation Committees determine the compensation policy and the compensation payable to the executive directors and senior executives of Carnival plc, including annual performance related bonuses, grants of share options and share awards under incentive plans within the terms of reference contained in the charter of the Compensation Committees approved by the boards. Compensation of the executive directors is determined following consultation with the Chairman. The Chairman ensures that contact is maintained with principal shareholders on remuneration issues in the same way as with other matters.

To assist in reaching their decisions, the Compensation Committees have access to survey information and independent advice where the Compensation Committees determine this is required. Watson Wyatt Worldwide ("Watson Wyatt"), who were appointed by the Compensation Committees, continued to provide advice to the Compensation Committees on executive remuneration during the 2005 financial year.

Watson Wyatt Limited, a related company of Watson Wyatt, provides actuarial advice and administrative services in relation to the UK pension schemes to Carnival plc and advice on share incentive plans to Carnival Corporation and Carnival plc.

Policy on Directors' Remuneration

Carnival Corporation & plc is a global company with executives working and living in different parts of the world, with the substantial majority of senior employees located in the U.S., and most of the remainder in the UK and Italy. As a global entity it is challenging to establish consistent compensation practices across geographic and corporate lines that satisfy the particular requirements of all jurisdictions. For example, approximately 95% of annual share option grants are made to Carnival Corporation & plc executives outside the UK, and only one executive director is resident outside the U.S. Therefore, since the largest presence of executives is in the U.S., U.S. compensation practice shapes group compensation policy. However, the Compensation Committees seek to incorporate UK compensation principles, including those contained in the Combined Code, as far as practicable, unless the application of those principles would be uncompetitive in the U.S. or other markets, would result in substantial inconsistencies within the Carnival Corporation & plc group, or would restrict the Carnival Corporation & plc group's ability to transfer executives between brands. The overall remuneration objective is to pay high rewards for the continued delivery of high performance from a moderate base salary.

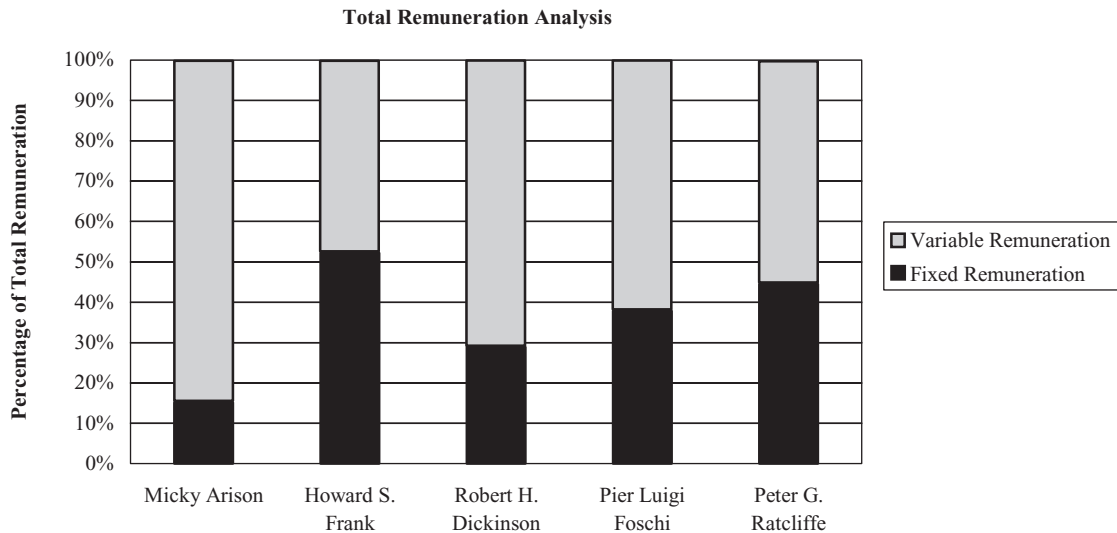

EXECUTIVE DIRECTORS

In accordance with U.S. practice, compensation arrangements for the executive directors are determined on an individual basis in order to ensure recruitment and retention of candidates with the necessary experience and skill, taking account of their individual compensation history, as well as local geographical market factors.

The objectives of the Compensation Committees as regards executive director remuneration for 2005 and subsequent financial years, are to create executive compensation packages that are competitive with compensation payable by a comparable group of U.S. peer companies (being companies of similar size in the entertainment, hospitality and media industries) (the “Comparative Group”), as well as to provide both short-term rewards and long-term incentives for positive individual and corporate performances. The overall objective for compensating executives, including equity-based compensation, is to position total potential compensation, if performance warrants, at about the 75th percentile of the Comparative Group.

The main components of remuneration for executive directors, and where applicable, the performance criteria on which they are based, are set out below. The principles applied by the Compensation Committees are that a high proportion of the total remuneration package to executive directors will be delivered through performance-related reward in the form of performance-related cash bonuses and share-based incentive plans. The share-based incentive plans are designed to align the interests of participants with those of the shareholders and to support retention of the executive directors. The Compensation Committees seek to ensure that the operation of the plans in practice is consistent with their overall objectives, recommending changes to achieve this if necessary.

The key components of the remuneration of the executive directors and senior executives are base salary, annual performance-related bonus, share-based incentives and pensions. The following chart shows the relative values of fixed and variable elements of the remuneration of executive directors of Carnival Corporation & plc in 2005:

Fixed Remuneration = Salary + Benefits + Pension
Variable Remuneration = Cash Bonus + Share Awards + Options

The fixed and variable components of the remuneration shown in the above table were calculated using actual salary, benefits and performance-related bonuses, the face value of share awards and expected value of options awarded in respect of the financial year ended November 30, 2005. The expected value of the options is calculated using the Black-Scholes option pricing model. The approach used in developing the assumptions upon which the Black-Scholes valuation was done is consistent with the requirements of Statement of Financial Accounting Standards No. 123, "Accounting for Stock-Based Compensation."

Base salaries

Overall, the base salaries of the executive officers, including the base salary of the Chief Executive Officer, are set at a level the Compensation Committees believe to be at approximately the 50th percentile of the Comparative Group. Internal relativities and salary levels in the comparable employment market are also taken into account.

Annual performance-related bonuses

The performance-related annual bonus is the most important cash compensation feature of executive compensation as a reward for contributions made towards achieving Carnival Corporation & plc's goals, including profitability. Annual bonus payments are intended to reward positive short-term individual and corporate performance. The emphasis on the annual discretionary bonus for the executive directors and senior executives allows Carnival Corporation & plc greater flexibility in rewarding favourable individual and corporate performance than is possible under a salary-oriented structure. The Compensation Committees' objective is to position total cash compensation of executives, comprising annual bonus and base salary, at approximately the 75th percentile, if performance warrants, of the Comparative Group. Consistent with these goals, no upper limits are attached to annual bonuses, with the exception of that paid to Mr. Foschi whose bonus increase is capped at 20% of his base year bonus of Euro 669,000.

The Compensation Committees determined the bonuses for executive directors for 2005 on the basis set out in the table below:

<u>Director</u>	<u>Performance measure</u>
<p>Micky Arison Chief Executive Officer of Carnival Corporation & plc</p>	<p>Based on the net income of Carnival Corporation & plc, individual performance of the executive in meeting the personal targets set by the Compensation Committees and return on invested capital.</p>
<p>Robert H. Dickinson President and Chief Executive Officer of Carnival Cruise Lines division of Carnival Corporation</p>	<p>Based primarily on return on invested capital of Carnival Cruise Lines reaching certain pre-determined levels pursuant to the terms of the Carnival Cruise Lines Management Incentive Plan.</p>
<p>Pier Luigi Foschi Chief Executive Officer of Costa Crociere S.p.A. ("Costa")</p>	<p>Base bonus of Euro 669,000, and an amount based on the year-on-year percentage increase in consolidated net income of Costa.</p>
<p>Howard S. Frank Chief Operating Officer of Carnival Corporation & plc</p>	<p>Based on the net income of Carnival Corporation & plc, individual performance of the executive in meeting the personal targets set by the Compensation Committees and return on invested capital.</p>
<p>Peter G. Ratcliffe Chief Executive Officer of P&O Princess Cruises International</p>	<p>Based on a percentage of net income of the following brands: Cunard Line, Ocean Village, P&O Cruises, P&O Cruises (Australia), P&O Travel, Princess Cruises, Princess Tours and Swan Hellenic.</p>

With the exception of Carnival Cruise Lines, the financial performance criteria relative to each business are those that have been applied historically in those businesses and are designed to be competitive in the markets where those businesses operate.

The Carnival Cruise Lines Management Incentive Plan was amended during 2005 so that the level of bonuses under the plan would primarily be determined by the return on invested capital reaching certain predetermined levels pursuant to the terms of the plan, as opposed to net income. The amendment to the plan rewarded prudent capital investment and resultant high return.

In line with U.S. practice, the cash bonuses of Howard S. Frank and Robert H. Dickinson form part of their pensionable earnings. The bonuses of Micky Arison and Peter G. Ratcliffe do not form part of their pensionable earnings.

Long-term incentive plans

The Carnival Corporation & plc share-based incentive plans are intended to provide executives with longer term incentives in the form of share options and awards, which appreciate in value with continued favourable future performance of Carnival Corporation & plc. The purpose of the plans is to create incentives by providing an opportunity to senior employees who are important to the success and growth of the business of Carnival Corporation & plc to own either Carnival Corporation or Carnival plc ordinary shares.

The Compensation Committees' policy is to make grants of share options and awards that will accord with the historical practice of each business unit, requirements of local law and practice in which a business unit operates, and as necessary to maintain competitiveness in the local employment market. Given that approximately 95% of annual share option grants are made to Carnival Corporation & plc executives located outside the UK, the Compensation Committees have determined that, from a business standpoint, it would be difficult to fully adopt UK practice relating to share options and awards.

Accordingly, in line with market practice in the U.S., the terms of the various Carnival Corporation & plc equity-based plans, details of which are described below, do not include the Combined Code requirement that corporate performance conditions be applied to the vesting of options and share awards. The application of performance conditions is entirely within the discretion of the Compensation Committees. The only exception is that performance conditions continue to apply to the matching shares under the Carnival plc Deferred Bonus and Co-Investment Matching Plan described below.

Annual grants and awards to executive directors under the Carnival Corporation & plc equity-based incentive plans are determined by the Compensation Committees after taking account of the overall financial performance of the Carnival Corporation & plc group in the previous financial year and the personal contribution that each executive has made to the development of strategy to deliver future growth, the ongoing creation of a competitive cost structure, and the overall corporate success of the Carnival Corporation & plc group through the spread of best practice.

The long term incentive plans currently in operation by Carnival Corporation & plc are as follows:

- Carnival plc Deferred Bonus and Co-Investment Matching Plan;
- Carnival Corporation 2002 Stock Plan;
- Carnival plc 2005 Employee Share Plan; and
- Carnival plc Executive Share Option Plan.

Carnival plc Deferred Bonus and Co-Investment Matching Plan

Peter G. Ratcliffe, the only participating director of Carnival plc and other senior executives of Carnival plc and its subsidiaries participate in the Carnival plc Deferred Bonus and Co-Investment Matching Plan, except that from April 17, 2003, Mr. Ratcliffe no longer received matching awards as described below. A percentage of their annual bonus is mandatorily delivered in the form of Carnival plc share awards that are retained in a trust for a three-year period. During this period, participants in the plan have no right to vote. The level of mandatory deferral for Mr. Ratcliffe in 2005 was 50% of his annual bonus.

Senior executives below board level may choose to invest all or part of their post-tax cash bonus, or funds from their own resources, into the plan (“invested shares”) subject to a maximum limit on the amount invested in the plan in any one year of 75% of base salary. In addition, they may be granted a matching award, which is subject to an earnings per share (“EPS”) growth performance condition.

The vesting of matching awards is subject to Carnival Corporation & plc’s EPS growth over the three year retention period:

<u>Carnival Corporation & plc’s EPS Growth</u>	<u>% of matching award capable of release or exercise</u>
50% and greater	100%
15%	25%
Below 15%	0%

Where Carnival Corporation & plc’s EPS growth is between 15% and 50%, the percentage of a matching award which is capable of exercise is calculated on a straight line basis between 25% and 100%. The Compensation Committee determines whether the performance target has been satisfied by comparing Carnival Corporation & plc’s EPS (calculated in accordance with applicable U.S. GAAP accounting standards) of the financial year ending immediately prior to the financial year in which the grant date falls with the EPS for the last financial year of the retention period. The EPS growth performance measure was selected by the Compensation Committee on the establishment of the plan in 2000 in accordance with market practice, and in line with shareholder requirements at the time.

Carnival Corporation 2002 Stock Plan

Under the Carnival Corporation 2002 Stock Plan, the Carnival Corporation Compensation Committee may issue share options, restricted shares and restricted share units to selected employees, directors, consultants and advisors who are important to the success of Carnival Corporation & plc. The Carnival Corporation Compensation Committee has the discretion to determine the persons to whom awards are granted, the type of award, the number of shares to be covered by each award and, with respect to options, the exercise price.

Share options

Options are generally granted at or above market value and vest according to a schedule set by the Compensation Committee with an expiration date not more than ten years after the date of the grant. Options granted to executive directors outstanding at November 30, 2005 vest in equal instalments over a five-year period beginning one year from the date of grant.

Restricted share and restricted share units

The grant or the vesting of an award of restricted shares and restricted share units may be made conditional upon service to a member of Carnival Corporation & plc or any of its affiliates or the attainment of performance goals or other factors. Generally, restricted shares and restricted share units granted to executive directors outstanding at November 30, 2005 vest five years from the date of grant. Holders of an award of restricted shares have all of the rights of a shareholder of Carnival Corporation, including the right to vote, but holders of an award of restricted share units do not have such rights. The Compensation Committee has discretion to determine whether dividends with respect to restricted shares will be paid to the participant or withheld by Carnival Corporation and credited upon release, and interest may be credited on such dividends at a rate determined by the Compensation Committee. If the shares were forfeited, the participant would also forfeit his or her right to any dividends attributable. The Compensation Committee has discretion to determine whether dividend equivalents with respect to restricted share units (being equal to cash and share dividends on the shares represented by the restricted share units) will be paid to the participant or withheld by Carnival Corporation, whether interest may be credited on such dividend equivalents at a rate determined by the Compensation Committee, as well as whether the award will be settled in cash or by shares. If the restricted shares are forfeited, the participant would also forfeit his or her right to any dividend equivalents attributable.

As restricted share awards and restricted share units may only be forfeited in limited circumstances, they are regarded as remuneration for the year of award and, therefore, the 2005 awards are disclosed in the executive directors' remuneration table below.

Carnival plc 2005 Employee Share Plan

The Carnival plc 2005 Employee Share Plan (the "PLC Share Plan"), which was approved by shareholders on April 13, 2005, replaced the Carnival plc Executive Share Option Plan, and no further options will be granted under that plan. The PLC Share Plan is designed for maximum flexibility as to the types of options and other share awards that may be granted to employees and executive directors. The PLC Share Plan allows the Compensation Committee to tailor equity compensation policies for the various operating companies under Carnival plc that are competitive in their respective employment markets, as well as strengthen Carnival plc's ability to recruit and retain talented employees and more closely align their interests with those of shareholders. The Compensation Committee is aware that the terms of the PLC Share Plan are not wholly consistent with UK practices, but consider it highly relevant that approximately 95% of the annual awards made to executives of the Carnival Corporation & plc group under the share based plans of Carnival Corporation & plc are made to executives outside of the UK.

All employees of Carnival plc and its subsidiaries are eligible to participate in the PLC Share Plan at the discretion of the Compensation Committee, however awards are granted primarily to management (including executive directors).

The Compensation Committee may award annual grants of share options, or awards of restricted shares or restricted share units separately, or in any combination that the Compensation Committee decides. The value of an award to be granted to any individual will be determined taking into account an individual's present and potential contribution to the success of Carnival Corporation & plc and the market practice for companies with global operations in the country where the participants are based. Whilst the PLC Share Plan does not place an individual limit on the value of share options and awards that may be granted to the executive directors in any year, the Compensation Committee is guided by the compensation policy described above.

Share options

The terms and conditions under which options are granted generally mirror those of the Carnival Corporation 2002 Stock Plan described above with the exception that options may also be granted over American Depositary Shares (ADSs), each representing one ordinary share of Carnival plc, where appropriate for U.S.-based executives.

Restricted share and restricted share units

The terms and conditions under which restricted shares and restricted share units are awarded, mirror those of the Carnival Corporation 2002 Stock Plan described above.

The Combined Code provides that shares granted to directors should not vest, and options should not be exercisable, in less than three years. The terms of the plan give flexibility to the Compensation Committee to determine the vesting schedule applicable to share options and awards.

The Combined Code also provides that grants under all incentive plans should be subject to challenging performance criteria reflecting the company's objectives. In accordance with U.S. practice and consistent with historical practice in relation to the Carnival Corporation 2002 Stock Plan, the Compensation Committee has discretion to determine whether the grant or vesting of share options and awards under the plan will be subject to performance targets. In determining whether performance targets shall apply, the Compensation Committee will have regard to the local practice in the country in which the participant is based.

Carnival plc Partnership Share Scheme

The Carnival plc Partnership Share Scheme (formerly known as the P&O Princess Cruises Partnership Share Scheme) approved by shareholders at the 2001 annual general meeting of Carnival plc (formerly P&O Princess Cruises plc) was expected to be implemented in 2005. However, after careful consideration it was decided that the Carnival plc Partnership Share Scheme would not be implemented.

Stock Purchase Plan

Carnival plc 2005 Employee Stock Purchase Plan

The Carnival plc 2005 Employee Stock Purchase Plan (“ESPP”) was approved by shareholders at the annual general meeting held on April 13, 2005. The ESPP enables employees of Carnival plc and designated subsidiaries, to the extent the ESPP is offered to employees, to purchase American Depositary Shares (ADSs) of \$1.66 each in Carnival plc on a semi-annual basis at approximately a 15% discount to market value, up to an annual maximum individual purchase limit of \$17,647. The maximum total number of ADSs, which may be purchased pursuant to the ESPP, is 2,000,000 ADSs.

Service contracts

It is the policy of the Compensation Committees for executive directors to have notice periods of not more than 12 months in duration. Following U.S. accepted practice on remuneration as stated above, the policy of the Compensation Committee of Carnival Corporation has been not to enter into service contracts with U.S. executive directors, but to enter into individual compensation arrangements. The Compensation Committees will continue to have regard to the individual circumstances of each case taking account of best practice in the UK and the U.S. and the expected cost to Carnival Corporation & plc of any termination of a director’s employment arrangements. Details of individual termination arrangements are set out below:

<u>Executive director</u>	<u>Effective date of service contract</u>	<u>Unexpired term of contract from November 30, 2005</u>	<u>Notice period</u>	<u>Compensation for loss of office</u>
Micky Arison	None ⁽¹⁾	None	None	None
Howard S. Frank	None ⁽¹⁾	None	None	None
Robert H. Dickinson	None ⁽¹⁾	None	None	None
Pier Luigi Foschi	Dec. 1, 2004	12 months	12 months	1x annual base salary and bonus
Peter G. Ratcliffe	April 17, 2003 ⁽²⁾	Term continues until termination of contract	12 months	1x annual base salary and bonus

(1) Messrs. Arison, Frank and Dickinson only have Executive Long-Term Compensation Agreements. Nothing in those agreements confers a right to be employed by Carnival Corporation and no notice period to terminate the agreements applies.

(2) Amended on July 19, 2004.

In accordance with U.S. practice, Micky Arison, Howard S. Frank and Robert H. Dickinson have no service contract and no entitlement to severance except for retention of unvested options and restricted share awards. Only Pier Luigi Foschi and Peter G. Ratcliffe have service contracts. In line with U.S. practice, annual bonus forms part of the severance for Peter G. Ratcliffe and Pier Luigi Foschi.

Vesting of options and share awards on termination of an executive director’s contract is dependent upon the reasons the contract is terminated. Under the Carnival plc 2005 Employee Share Plan and Carnival Corporation 2002 Stock Plan, all share options and share awards, not vested at the time of termination, will lapse with the exception of retirement. In the case of retirement, depending on the director’s years of service and age, the options will vest according to the vesting schedule. In the case of the Deferred Bonus and Co-Investment Matching Plan, share awards and matching awards are generally subject to the provisions of the plan until the end of the retention period. The matching awards will vest pro rata for the proportion of the performance period for which the director served. However, upon resignation, all share awards and matching awards will lapse. Share awards granted within 12 months immediately prior to termination are exercisable within three months from termination and related matching awards shall lapse. The aforementioned applies unless the Compensation Committees determine otherwise.

Pensions

Carnival Corporation & plc operates various group pension schemes for its executives in which the executive directors also participate. Under the Carnival plc pension schemes, retirement benefits are based solely on base salary and no other emoluments are pensionable in line with UK best practice. Under the Carnival Corporation schemes, cash bonuses form part of pensionable earnings in addition to base salary.

Robert H. Dickinson and Howard S. Frank participate in the Carnival Corporation Non-Qualified Retirement Plan for Highly Compensated Employees as disclosed under the section entitled "Defined Benefit and Other Plans" in the proxy statement. Messrs. Dickinson and Frank also participate in the Carnival Corporation Supplemental Executive Retirement Plan as also described under that section. Carnival Corporation has also established the Carnival Corporation Fun Ship Nonqualified Savings Plan, which is a defined contribution plan. Robert H. Dickinson and Howard S. Frank pay certain deferred bonus amounts into the Carnival Corporation Fun Ship Nonqualified Savings Plan. No company contributions are made on their behalf into this plan.

The Carnival Corporation Non-Qualified Retirement Plan for Highly Compensated Employees provides an early retirement benefit at age 55 after completion of 15 years of service, subject to a reduction of 0.5% for each month that distribution of benefits precedes the participants' normal retirement date. The Carnival Corporation Supplemental Executive Retirement Plan provides an early retirement benefit at age 55 after completion of 15 years service, subject to a reduction of 3% for each year that the participant retires before age 65.

Peter G. Ratcliffe participates in the P&O Princess Cruises Pension Scheme, a HM Revenue & Customs approved defined benefit scheme as well as the Princess Cruises Supplemental Executive Retirement Plan in the U.S. under which Mr. Ratcliffe receives a supplement in the case where benefits from the P&O Princess Cruises Pension Scheme are deficient to pay his pension entitlement. Mr. Ratcliffe is also a member of the Princess Cruises Retirement Savings Plan in the U.S., which is a defined-contribution 401(k) plan.

Under the P&O Princess Cruises Pension Scheme, in the event of compulsory early retirement, or voluntary early retirement after the age of 55, Peter G. Ratcliffe would receive a minimum pension of two thirds of final salary subject to HM Revenue & Customs limits.

Mr. Foschi has no company pension arrangements with Carnival Corporation & plc.

NON-EXECUTIVE DIRECTORS

Service contracts

Non-executive directors do not have service contracts, but instead have a letter of appointment setting out the services they are to provide to Carnival Corporation & plc and the other terms and conditions of their appointment. Their appointments and subsequent appointments are subject to annual election and re-election by shareholders.

On December 1, 2004, Holland America Line Inc. ("HAL") entered into a letter agreement with Mr. Lanterman regarding the terms of his employment for the month of December 2004 (the "December Employment Agreement"). Pursuant to the December Employment Agreement, Mr. Lanterman was paid \$62,500, less applicable taxes and other standard deductions, including, but not limited to, medical insurance premiums and previously authorized 401(k) contributions, if any. In accordance with the December Employment Agreement, Mr. Lanterman resigned as a HAL employee effective December 31, 2004.

In addition, HAL entered into a Consulting Agreement (the "Consulting Agreement") with Mr. Lanterman. Under the terms of the Consulting Agreement, Mr. Lanterman will serve as non-executive Chairman of HAL. During the term, Mr. Lanterman will provide such consulting services and other assistance as may be required by HAL's President on strategic, financial and historical analyses and other various services that are specified by HAL's President, up to a maximum of 1,000 hours annually. The initial term of the Consulting Agreement was from January 1, 2005 through November 30, 2005 and pursuant to the terms of the agreement, renewed automatically for a further 12 months. The Consulting Agreement will not be extended beyond November 30, 2006.

During the financial year 2005, Mr. Lanterman received compensation of approximately \$722,000 under the terms of the Consulting Agreement. He does not participate in any incentive compensation plans offered by HAL or any affiliate of HAL, but is eligible for medical and dental insurance and certain other benefits. The Consulting Agreement contains confidentiality and indemnification provisions and may be terminated by HAL for good cause or upon the death or disability of Mr. Lanterman. HAL has also agreed

to indemnify Mr. Lanterman from any losses arising from his provision of the consulting services subject to the Consulting Agreement, subject to customary exceptions. At the end of the term of the Consulting Agreement, no further severance or other payments shall be provided to Mr. Lanterman, except as set forth in the Retirement and Consulting Agreement between Mr. Lanterman and HAL as described below.

Non-executive directors are entitled to receive a basic annual fee of \$40,000 a year, an attendance fee per board meeting of \$5,000 (\$2,000 if meeting attended by telephone), equity compensation in the form of options to acquire shares of Carnival Corporation common stock, restricted shares and/or restricted share units and reimbursement for travel, meals and accommodation expenses attendant to their board membership. If Carnival Corporation & plc requests that the directors' spouses attend a special event, directors are reimbursed for travel expenses incurred. In addition, non-executive directors receive further compensation for serving as chairman or member of a board committee as follows:

	Retainer		Attendance fee	
	Chair \$	Member \$	In person \$	By telephone \$
Audit Committees	15,000	7,500	3,000	1,500
All other Committees	7,500	3,750	2,500	1,250

For purposes of calculating fees, a board or committee meeting of Carnival Corporation and a concurrent or related board or committee meeting of Carnival plc constitute a single meeting.

Until October 18, 2005, Baroness Hogg and Sir John Parker also received an additional \$5,000 for each board meeting held outside the UK attended in person as part compensation for not accepting share options. Effective October 18, 2005, this additional board compensation was suspended in exchange for receiving restricted shares awards, as further described below.

In accordance with prevailing remuneration practice in the U.S., non-executive directors have historically received an annual grant of share options in Carnival Corporation as part of their compensation under the terms of the Amended and Restated Carnival Corporation 2001 Outside Director Stock Plan described below. In accordance with UK best practice, Baroness Hogg and Sir John Parker have elected not to receive share options.

Pensions

The non-executive directors do not receive any pension benefits. However, in 1999 and years prior thereto, Mr. Lanterman deferred receipt of a portion of his annual bonus. In exchange, Carnival Corporation and Mr. Lanterman entered into a Retirement and Consulting Agreement, which provides that Carnival Corporation will pay him the deferred bonus amounts plus interest in monthly instalments over the 15 years following his retirement, which commenced on January 1, 2005.

Share Ownership Guidelines

In October 2004, the boards approved minimum share ownership guidelines for non-executive directors to be achieved by October 2007. Pursuant to the guidelines, all non-executive directors should own at least 5,000 shares of either Carnival Corporation common stock or Carnival plc ordinary shares.

Product Familiarization

All non-executive directors are encouraged to take a cruise for up to 14 days per year for product familiarization and pay a fare of \$35 per day for such cruises. Guests traveling with the non-executive director in the same stateroom will each be charged a fare of \$35 per day. All other charges associated with the cruise (e.g., air fares, government fees and taxes, gratuities, ground transfers, tours, etc.) are the responsibility of the non-executive director.

LongTerm Incentive Plan

Amended and Restated Carnival Corporation 2001 Outside Director Stock Plan

On April 13, 2005, the shareholders approved amendments to the Carnival Corporation 2001 Outside Director Stock Option Plan, renamed the Amended and Restated Carnival Corporation 2001 Outside Director Stock Plan (the "Outside Director Stock Plan"), primarily permitting awards of restricted shares and restricted share units, in addition to share options, and permitting the Compensation Committee to grant any combination thereof, to non-executive directors at its discretion.

Each non-executive director elected or appointed to the boards of directors annually receives an award representing 10,000 "points". Each option to purchase one share represents one point and each share of restricted share award and each restricted share unit represents four points.

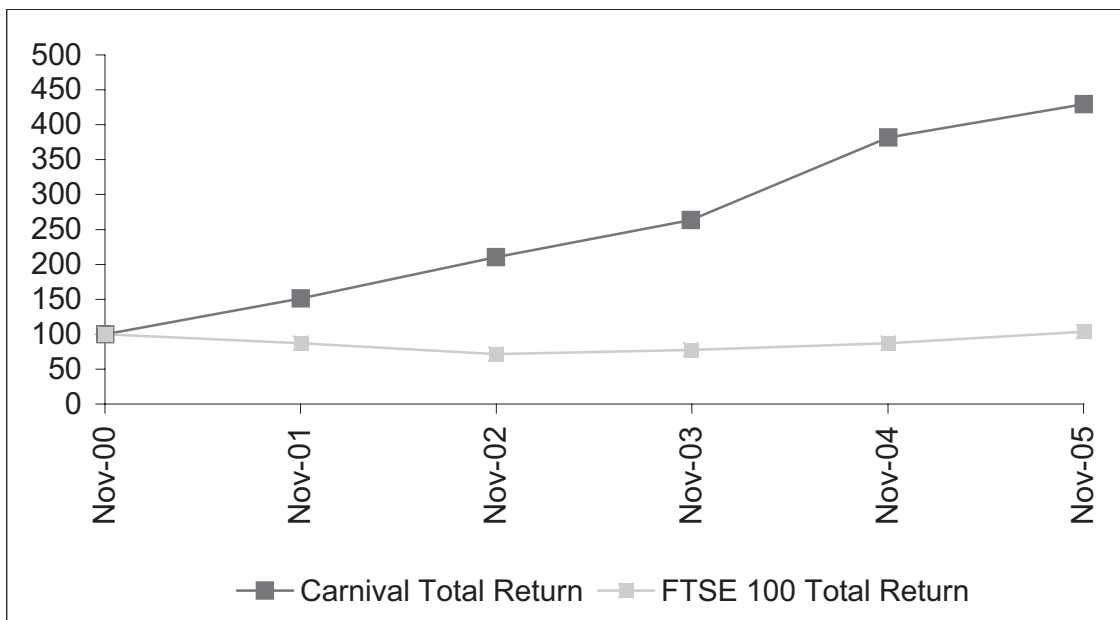

The maximum number of shares that may be subject to awards under the Outside Director Stock Plan is 1,000,000.

The exercise price of each option granted under the Outside Director Stock Plan is equal to the market price of a share of common stock on the date an option is granted. Options granted under the plan vest and become exercisable in five equal annual instalments beginning on the first anniversary of the grant date and expire ten years from the date of grant. Awards of restricted shares and restricted share units shall be granted on the same vesting schedule as share options. No performance conditions are applied to the vesting of options and share awards.

Mr. Lanterman has agreed not to receive compensation for his services as a non-executive director and, as a result, does not receive any share options or awards under the Outside Director Stock Plan. In addition, Baroness Hogg and Sir John Parker, as UK directors, have elected not to receive share options under the plan in accordance with UK best practice. They have, however, accepted restricted share awards under the plan.

CARNIVAL PLC CORPORATE GOVERNANCE REPORT

Corporate governance

Carnival Corporation and Carnival plc (together referred to as “Carnival Corporation & plc”) operate under a dual listed company structure with primary listings in the U.S. and the UK. Accordingly, Carnival Corporation & plc has implemented a single corporate governance framework consistent, to the extent possible, with the governance practices and requirements of both countries. Where there are customs or practices that differ between the two countries, Carnival Corporation & plc has sought to be compliant with UK practices whenever possible. Carnival Corporation & plc believes that the resulting corporate governance framework described below effectively addresses the corporate governance requirements of both the U.S. and the UK.

Corporate Governance Guidelines

Carnival Corporation & plc has adopted corporate governance guidelines (the “Guidelines”) that set forth the general governance principles approved by the boards of directors. These principles are summarized below and are available on the company’s website.

- A majority of the members of each of the boards must be independent.
- The boards will each have at all times an Audit Committee, a Compensation Committee and a Nominating & Governance Committee (the “Committees”). All the members of these Committees will be independent directors under the criteria established by the New York Stock Exchange and the London Stock Exchange. Each Committee has its own charter, which principally sets forth the purposes, goals and responsibilities of the Committees.
- The Nominating & Governance Committees will review with the boards, on an annual basis, the requisite skills and characteristics of new board members, as well as the composition of the boards as a whole. The Nominating & Governance Committees will assess and recommend board candidates for appointment as directors.
- The responsibilities of the directors are laid out in the Guidelines and cover matters such as the directors duties to Carnival Corporation & plc and its shareholders, attendance at meetings and the annual review of Carnival Corporation & plc’s long-term strategic plans and the principal issues that Carnival Corporation & plc will face in the future.
- The non-executive directors shall designate a senior independent director to preside at meetings of the non-executive directors and at board meetings in absence of the Chairman, and to serve as the principal liaison for non-executive directors.
- Directors have free and full access to officers and employees of Carnival Corporation & plc, to the advice and services of the Secretary to the boards and to independent professional advice at the expense of Carnival Corporation & plc, as necessary.
- The Compensation Committees will recommend the form and amount of director and senior executive compensation in accordance with the policies and principles set forth in its charter and conduct an annual review thereof. In particular the Compensation Committees will annually review the compensation of the Chief Executive Officer (“CEO”) and his performance to ensure that the CEO is providing the best leadership for Carnival Corporation & plc in the long and short-term.
- The Nominating & Governance Committees will maintain orientation programs for new directors and continuing education programs for all directors.
- The boards will conduct an annual performance evaluation to determine whether they, their Committees and individual directors are functioning effectively.
- The non-executive directors will meet at least annually under the direction of the senior independent director to conduct an appraisal of the Chairman’s performance.

- All shareholders may communicate with the boards by addressing all communications to the Secretary, who must forward any item requiring immediate attention to the senior independent non-executive director, who must in turn notify the boards of any matters for discussion or action as appropriate.

Carnival Corporation & plc will continue to monitor governance developments in the UK to ensure a vigorous and effective corporate governance framework of the highest international standards.

Set out below is a statement of how Carnival Corporation & plc has applied the principles of Section 1 of the Combined Code on Corporate Governance, issued in July 2003 (the "Combined Code") during the financial year ended November 30, 2005.

Board composition

Each of the boards of directors is comprised of 14 members: five executive directors and nine non-executive directors. All directors are required to submit themselves to annual re-election. The biographical details of the members of the boards are contained in the proxy statement to which this report is annexed. All directors have been subject to a formal performance evaluation during the year as described below.

Board balance and independence

All of the non-executive directors, with the exception of Mr. Lanterman (a former executive director), are considered by the boards to be independent directors. Messrs. Capen, Maidique, Subotnick and Zucker have been non-executive directors for more than nine years from the date of their first election to the board of Carnival Corporation, however notwithstanding this, the boards have determined that each of those directors is independent for the following reasons.

Consistent with U.S. practice, the boards believe that length of tenure should be one of the factors considered with respect to the independence of directors, but tenure alone should not result in the loss of independence. Automatic loss of independence status for directors due to tenure would effectively operate as a term limit for independent directors and result in the loss of the valuable contributions of directors who have been able to develop over time increasing insight into Carnival Corporation & plc and its operations. The boards prefer to rely on vigorous annual evaluations of individual directors to review their objectivity and independence, as well as their overall effectiveness as directors. All directors are also subject to annual re-election by shareholders following individual evaluations and recommendations by the Nominating & Governance Committees. Performance evaluations conducted during the year are described below.

Six of the non-executive directors of Carnival Corporation & plc who are U.S. citizens participate in a special Carnival Corporation share plan for non-executive directors, details of which are described in the Carnival plc Directors' Remuneration Report, which is attached as Annex B to the proxy statement. The two UK non-executive directors, Baroness Hogg and Sir John Parker, have opted not to receive share options, but in 2005 accepted restricted share awards under the Amended and Restated Carnival Corporation 2001 Outside Director Stock Plan. Two U.S. non-executive directors, Messrs. Subotnick and Donald elected to receive all or a portion of their equity grant in 2005 in the form of restricted shares. The remaining non-executive directors received their equity grants in 2005 in the form of share options. Participation in stock option plans by non-executive directors is a common practice in the U.S. and the boards do not believe that such participation affects the independence of the participating directors.

Stuart Subotnick, the senior independent non-executive director, approves board agendas and meeting schedules to ensure information flow to the boards. Each board member is entitled to suggest the inclusion of items on the agenda and to raise at any board meetings subjects that are not on the agenda for that meeting.

Directors' indemnities

As at the date of this report, indemnities are in force under which Carnival Corporation & plc have agreed to indemnify the directors of Carnival Corporation & plc, to the extent permitted by law and Carnival Corporation's articles of incorporation and Carnival plc's articles of association, in respect of all losses

arising out of, or in connection with, the execution of their powers, duties and responsibilities, as directors of Carnival plc.

Chairman and Chief Executive Officer

The CEO of Carnival Corporation & plc, Micky Arison, also serves as Chairman of the boards, which is not compliant with the Combined Code. Unlike the prevailing practice in the UK, approximately two-thirds of the Fortune 500 companies in the U.S. have chairpersons that are also the CEO or have other significant relationships with their companies beyond board duties. The boards believe that the presence of a majority of non-executive directors, as well as the requirement that all Committees be comprised exclusively of non-executive directors, provides an appropriate balance of power and authority. The role of the senior independent non-executive director also helps to ensure that power and information are not concentrated in one or two individuals. As a further measure to enhance their effectiveness, the non-executive directors meet outside the presence of the executive directors at least quarterly under the chairmanship of the senior independent non-executive director. In addition, the non-executive directors meet periodically with the Chairman of the boards with no other executive directors present.

The boards believe that the separation of the roles of chairman and CEO is best addressed as part of the succession planning process, and that it is in the best interests of Carnival Corporation & plc and its shareholders for the boards to make an appropriate determination, consulting with shareholders as appropriate, as and when a new chairman or CEO may be nominated in the future.

Board procedures and responsibilities

Meetings of the boards are held on a regular basis to enable the boards to properly discharge their responsibilities. During the financial year ended November 30, 2005, the board of directors of Carnival plc held a total of eight meetings. All board meetings during the year were attended by the full board. The agenda for each board meeting is prepared by the Chairman and reviewed and approved by the senior independent non-executive director, in addition to the meeting schedules, and, as described above, any director can contribute to the agenda.

Non-executive directors are required to allocate sufficient time to meet the expectations of their role. The consent of the Chairman and the senior independent non-executive director must be sought before accepting additional directorships that might affect the time a non-executive director of Carnival Corporation & plc is able to devote to that role.

Executive directors may not serve as a non-executive board member on more than one FTSE 100 or Fortune 100 company nor as the Chairman of such a company.

Board structures and delegation to management

As set out in the Guidelines, the basic responsibility of the directors is to exercise their business judgment in what they reasonably believe to be in the best interests of Carnival plc and its shareholders. The boards have a formal schedule of matters specifically reserved to them for decision, which includes the approval of annual and interim results and financial statements, dividends, significant changes in accounting policy, material acquisitions and disposals, material agreements, major capital expenditure, annual operating budgets, strategic plans, treasury policy, risk management policy, material changes to employee incentive schemes as well as approval of share option grants or other share-related benefits, and health, safety and environmental policies.

Details of the Committees of the boards are set out in the section below. In addition, any matters reserved for the boards that arise between formal board meetings that need to be resolved are delegated to an executive committee, comprising any two executive directors and a non-executive director. Any resolutions made by the executive committee are ratified by the board of directors at the following board meeting.

The strategic management and direction of and significant commercial decisions in relation to global operations of Carnival Corporation & plc, except to the extent reserved to the full boards under their schedule

of reserved matters, is delegated by the boards to boards of subsidiary companies within the group and to management committees of the boards, which in turn delegate to local management as appropriate.

Committees of the boards

The following Committees, which have written charters setting out their authority and duties, copies of which can be found on Carnival Corporation & plc's website at www.carnivalcorp.com or www.carnivalplc.com, have operated throughout the year.

AUDIT COMMITTEES

The members of the Audit Committees of the boards comprise five independent non-executive directors: Stuart Subotnick (chairman), Richard G. Capen, Jr., Arnold W. Donald, Sir John Parker and Richard J. Glasier. The board of Carnival plc has determined that Stuart Subotnick has "recent and relevant financial experience" for the purposes of the Combined Code.

The Audit Committees are scheduled to meet at least eight times a year and at other times if required, with a minimum of four meetings per year as required by the Audit Committees' charter. The Chief Operating Officer, the Chief Financial and Accounting Officer and the Senior Vice President—Audit Services, who is responsible for internal control and risk assessment within Carnival Corporation & plc, and the external auditors normally attend meetings at the invitation of the Audit Committees. During the year, 12 meetings of the Carnival plc Audit Committee were held, which were attended by all members of the Audit Committees, with the exception of Mr. Glasier, who attended 11 meetings.

The main role and responsibilities of the Audit Committees are to review the significant risks or exposures of Carnival Corporation & plc, the adequacy of internal controls, the quarterly, interim and annual consolidated financial statements, any formal announcements relating to the Carnival Corporation & plc's performance, the appointment, replacement, reassignment or dismissal of the head of audit services, to liaise with, and assess the effectiveness and independence of, the external auditors and to review compliance with the Carnival Corporation & plc Code of Business Conduct and Ethics. The Audit Committees have established and monitor the procedures for receipt of employee complaints regarding any alleged fraud or violations of law.

In fulfilling its responsibilities during the year, the Audit Committees have:

- Reviewed the quarterly, interim and annual financial results, including accounting matters and key factors affecting financial results and future forecasts;
- Reviewed financial statement and related disclosures, proposed filings with the U.S. Securities and Exchange Commission and draft press releases;
- Confirmed receipt of certification letters, disclosure controls and procedure checklists and loss contingency memos from all companies;
- Received briefings on Carnival Corporation & plc's Sarbanes-Oxley 404 compliance program;

- Received quarterly reporting from the Environmental Compliance group regarding the status of Carnival Corporation & plc's Environmental Compliance Plan and vessel auditing program, as well as any instances of non-compliance and planned remedial action;
- Received reporting, as well as quarterly briefings, from Carnival plc's Audit Services Department ("AS") concerning results from their internal auditing and consulting work. Reporting included significant findings, any identified control weaknesses and management plans for remedial action;
- Reviewed annual AS company-wide risk assessment, historical audit coverage and audit plan for the upcoming year;

- Reviewed AS reporting concerning progress against their audit plan, department staffing and professional qualifications, and the status of management action plans for previously issued reports;
- Reviewed the status of complaints received through Carnival Corporation & plc's third-party administered hotline and other channels; and
- Reviewed and approved revisions to the Audit Committee charter and Carnival plc's Code of Business Conduct and Ethics.

COMPENSATION COMMITTEES

The Compensation Committees of the boards comprise three independent non-executive directors: Modesto A. Maidique (chairman), Richard J. Glasier and Sir John Parker.

The Compensation Committees are scheduled to meet at least four times a year and at other times as required. Executive directors are invited to attend for appropriate items, but are excluded when their own performance and remuneration are under review. During the year, six meetings of the Carnival plc Compensation Committee were held, which were attended by all members.

The Compensation Committees are responsible for the evaluation and approval of the director and officer compensation plans, policies and programmes of Carnival Corporation & plc. They annually review and approve corporate goals and objectives relevant to the CEO's compensation and determine and approve the CEO's compensation. They also annually determine and approve the compensation of all other executive directors and make recommendations to the boards with respect to the compensation of all other directors and certain senior officers. The Compensation Committees are empowered to retain any compensation consultant to be used to assist in the evaluation of compensation issues.

NOMINATING & GOVERNANCE COMMITTEES

The Nominating & Governance Committees of the boards comprise three independent non-executive directors: Uzi Zucker (chairman), Stuart Subotnick and Baroness Hogg.

The Nominating & Governance Committees meet periodically as required. During the year, five meetings of the Carnival plc Nomination & Governance Committee were held, which were attended by all members.

The principal function of the Nominating & Governance Committees is to assess and recommend to the boards candidates for appointment as directors of Carnival Corporation & plc and members of the Committees. They are also responsible for establishing procedures to exercise oversight of the evaluation of the boards and management and the maintenance of orientation programmes for new directors, continuing education for all directors and for annually reviewing and reassessing the adequacy of the Corporate Governance Guidelines and recommending any proposed changes to the boards for approval.

Information and professional development

The Secretary is required to ensure that members of the boards are given appropriate documentation in advance of each meeting and directors are required to devote adequate preparation time reviewing documentation ahead of each meeting. The Secretary is also responsible for advising the boards through the Chairman on all corporate governance matters.

All directors have access to advice and services of the Secretary and are permitted to take independent professional advice, at Carnival Corporation & plc's expense, as he or she may deem necessary to discharge his or her responsibilities as a director. A director is required to inform the senior independent non-executive director of his or her intention to do so.

Directors are offered the opportunity to attend training programmes of their choice.

Board performance evaluation

During the year, the Nominating & Governance Committees conducted performance evaluations of the members of our boards of directors, the boards and their Committees. The performance review of Micky Arison, in his role as Chairman, was conducted separately by the non-executive directors, led by the senior independent non-executive director, Stuart Subotnick, taking into account the views of the executive directors.

As part of the boards' evaluation exercise, each director was required to complete a questionnaire about the performance of the boards and their Committees. All questionnaires were reviewed and assessed by the Nominating & Governance Committees.

In addition, the Nominating and Governance Committees reviewed the individual performance of each director focusing on his or her contribution to Carnival Corporation & plc and specifically focusing on areas of potential improvement. In making their assessment, the Nominating & Governance Committees reviewed considerations of diversity, age, skills and experience in the context of the needs of the boards and with the aim of achieving an appropriate balance on the boards.

The Nominating & Governance Committees also discussed and reviewed with non-executive directors any significant time commitments they have to other companies. In addition, the number of directorships held by non-executive directors was taken into account, in line with Carnival plc's policy on multiple appointments.

The Nominating & Governance Committees reported the results of the reviews to the boards, concluding that each director was an effective member of the boards and has sufficient time to carry out properly their respective commitments to the boards, Committees and all other such duties as were required of them. It is the view of the Nominating & Governance Committees that the boards continued to operate effectively during the year. Accordingly, all current board members are recommended to the shareholders for re-election.

During the year the Nominating & Governance Committees also reviewed their own performance against their respective charters by completing questionnaires that were provided to the Chairman. The results of such reviews were discussed among the members and reported to the boards. The boards concluded that the Nominating & Governance Committees continued to function effectively and continued to meet the requirements of their respective charters.

Directors' remuneration

The Carnival plc Directors' Remuneration Report is attached as Annex B to the proxy statement to which this report is annexed. A resolution to approve the Directors' Remuneration Report will be proposed at the forthcoming annual general meeting.

Relations with shareholders

The formal channels of communication by which the boards communicate to shareholders the overall performance of Carnival Corporation & plc are the Annual Reports, UK preliminary announcement and half year statement, joint Annual Report on Form 10-K, joint Quarterly Reports on Form 10-Q and joint Current Reports on Form 8-K, filed with the U.S. Securities and Exchange Commission, the proxy statement and press releases.

Senior management of Carnival Corporation & plc meet periodically with representatives of institutional shareholders to discuss their views and to ensure that the strategies and objectives of Carnival Corporation & plc are well understood. Issues discussed with institutional shareholders include performance, business strategies and any corporate governance concerns.

Presentations are made to representatives of the investment community periodically in the U.S., the UK and elsewhere. Results of each fiscal quarter are reviewed with the investment community following each quarter on conference calls that are broadcast live over the Internet.

The boards receive periodic briefings from management regarding feedback and information obtained from Carnival Corporation & plc's shareholders and brokers. During 2005, Carnival Corporation & plc's management and its corporate brokers made presentations to the boards regarding shareholder issues. The boards' members were also provided copies of reports prepared by key market analysts.

Shareholders will have the opportunity at the forthcoming annual general meeting, notice of which is contained in the proxy statement to which this report is annexed, to put questions to the boards, including the Chairmen of the Committees of the boards.

The boards have implemented procedures to facilitate communications between shareholders and the boards. Shareholders who wish to communicate with the boards should address their communications to the attention of the Company Secretary of Carnival Corporation & plc at 3655 N.W. 87th Avenue, Miami, Florida 33178-2428 U.S.A. The Secretary maintains a log of all such communications and promptly forwards to the senior independent non-executive director, Stuart Subotnick, those, which the Secretary believes, require immediate attention, and also periodically provides the senior independent non-executive director with a summary of all such communications and any responsive action taken. The senior independent non-executive director notifies the boards or the Chairman of the relevant Committees of the boards of those matters that he believes are appropriate for further action or discussion.

Interested parties who wish to communicate with the senior independent non-executive director should address their communications to the attention of Stuart Subotnick at 3655 N.W. 87th Avenue, Miami, Florida 33178-2428 U.S.A.

Annual meetings of shareholders

As we have shareholders in both the UK and the U.S., our intention is to rotate the location of the annual meetings between the UK and the U.S. each year in order to accommodate shareholders on both sides of the Atlantic. Last year we held our annual meetings in Southampton, England, and this year we will be holding them in Coral Gables, Florida.

This year the annual meetings will be held at the Biltmore Hotel, 1200 Anastasia Avenue, Coral Gables, Florida on April 20, 2006. The meetings will commence at 3:00 pm (UK time), and although technically two separate meetings (the Carnival plc meeting will begin first), shareholders of Carnival Corporation may attend the Carnival plc meeting and vice-versa.

We are also offering an audio webcast of the annual meetings. If you choose to listen to the webcast, go to our website, www.carnivalcorp.com or www.carnivalplc.com, shortly before the start of the meetings and follow the instructions provided.

Directors' responsibility

The statement of directors' responsibilities in relation to the Carnival plc financial statements follows the Carnival plc Directors' Report in Annex A of the proxy statement.

Independence of auditors

The Audit Committees are responsible for engaging a firm of auditors of appropriate independence and experience and for the approval of all audit and non-audit fees and terms. The policy of the Audit Committees is to undertake a formal assessment of the auditors' independence each year, which includes:

- a review of non-audit services provided and related fees;
- discussion with the auditors of a written report detailing all relationships with Carnival Corporation & plc and any other party that could affect the independence or the objectivity of the auditors; and
- evaluation with the boards of the performance of the independent auditors.

The Audit Committees have implemented procedures relating to the provision of services by Carnival Corporation & plc's independent auditors. These include:

- requiring the pre-approval by the Audit Committees of all audit and permissible non-audit services;
- maintenance of a schedule of certain non-audit services, including consultancy, investment banking and legal services, which Carnival Corporation & plc is specifically prohibited from obtaining from its audit firm; and
- procedures which control, and in certain circumstances, prohibit, the recruitment of staff formerly employed by the external audit firm and involved in the audit of Carnival Corporation & plc.

An analysis of the fees payable to the external audit firm in respect of both audit and non-audit services during 2005 and the policy on audit committee pre-approval and permissible non-audit work of the independent auditors is set out in the proxy statement under the heading "Independent Registered Certified Public Accounting Firm".

Going concern

On the basis of current financial forecasts and available borrowing facilities, the directors have a reasonable expectation that Carnival Corporation & plc has adequate resources to continue in operational existence for the foreseeable future and, accordingly, consider that it is appropriate to adopt the going concern basis in preparing the consolidated financial statements of Carnival plc.

Internal control and risk management

Internal control and risk management within Carnival Corporation & plc's business units is a well-defined, ongoing process embedded in each of the operations. It is designed to identify, evaluate and manage the significant risks faced by the units. A system of internal controls designed to be capable of responding quickly to evolving risks in the business has been established, comprising procedures for the prompt reporting of material internal control weaknesses and significant deficiencies together with the appropriate corrective action.

Carnival Corporation & plc has adopted the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") guidance for implementing its internal control framework as part of the Sarbanes-Oxley Act Section 404 compliance plan. COSO is considered to be the model internal control framework and references the same internal control objectives and components as are used by the Turnbull Guidance which assists UK boards in assessing the effectiveness of a company's risk and control processes under the Combined Code.

The corporate executive management team receives periodic information regarding internal control issues arising at the business units. The primary focus of this aspect of the system is the corporate audit services group that is responsible for monitoring the process, ensuring that issues common to more than one business unit are identified and that all relevant matters are brought to the attention of the boards as a whole. The audit services group is supported by the corporate accounting, finance and legal groups, as well as the CEO, Chief Operating Officer and the Chief Financial and Accounting Officer (the "Certifying Officers"). The Certifying Officers are required by rules of the U.S. Securities and Exchange Commission to file written certifications on a quarterly basis certifying, among other items, that they have disclosed to the auditors and the Audit Committee all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect Carnival Corporation & plc's ability to record, process, summarize and report financial information and any fraud, whether or not material, that involves management or other employees who have a significant role in Carnival Corporation & plc's internal control over financial reporting.

In the UK, the directors of Carnival Corporation & plc are responsible for the Carnival Corporation & plc system of internal controls and for reviewing its effectiveness but recognise that any such system can provide only reasonable and not absolute, assurance against material misstatement or loss. The Audit Committees review the adequacy of internal controls within Carnival Corporation & plc on an annual basis in accordance with the framework of internal control as set forth by COSO and mirrored within the Turnbull Guidance and in accordance with the charter of the Audit Committees.

The system of internal control was in place throughout the year and has continued in place up to the date of approval of this report. The system is designed to manage rather than eliminate the risk of failure to achieve business objectives. The boards confirm that they have performed their annual review of its effectiveness and that it is in compliance with the Turnbull Guidance.

Statement of compliance with the Combined Code issued in July 2003

Carnival Corporation & plc has complied with the provisions set out in Section 1 of the Combined Code throughout the year ended November 30, 2005, with the following exceptions:

- the joint role of the Chairman and CEO and independence of non-executive directors as explained above;
- there are no performance conditions attaching to the share options and share awards;
- certain non-executive directors receive share options;
- annual bonuses of U.S. executive directors form part of their pensionable salary;
- no upper limits are attached to annual bonuses; and
- share incentives may vest in fewer than three years.

The above matters of non-compliance, with the exception of the joint role of the Chairman and CEO and independence of non-executive directors, are explained in the Carnival plc Directors' Remuneration Report attached as Annex B to the proxy statement.
