## SELLING SECURITYHOLDERS

The prospectus dated July 3, 2003, relating to the offer for resale of \$889,000,000 aggregate principal amount at maturity of debentures and 20,896,657 shares of our common stock issuable upon conversion of the debentures held by the selling securityholders, plus an indeterminate number of shares as may become issuable upon conversion of the debentures by reason of adjustment to the conversion price and, upon each issuance of shares of Carnival Corporation common stock to a person, including to a holder of debentures upon conversion of debentures, an equivalent number of non-detachable trust shares of beneficial interest in the P&O Princess Special Voting Trust, is amended to replace the first paragraph and the table under the heading "Selling Securityholders" on page 74 with the information in the following paragraph and table. We may further amend or supplement this table from time to time if necessary.

We originally sold the debentures to the initial purchaser in a private placement. The debentures were subsequently resold by the initial purchaser to purchasers, including the selling securityholders listed below, in transactions exempt from registration. The following table provides, as of August 8, 2003, the principal amount at maturity of debentures held by such selling securityholder, the number of shares of common stock beneficially owned by such securityholder prior to its conversion of any debentures and the number of shares of our common stock issuable upon conversion of the debentures. This information has been obtained from the selling securityholders. Selling securityholders representing an amount of up to an additional \$387,300,000 aggregate principal amount at maturity of debentures will be added to the table in one or more supplements to this prospectus.
