Carnival Corporation Guarantee

Carnival plc (formerly known as P&O Princess Cruises plc) is soliciting your consents to proposed amendments to the terms of the notes and debentures of Carnival plc described above, which we refer to in this prospectus as the "Securities." Generally, the proposed amendments modify some of the covenants and events of default in the indenture governing the Securities to reflect the implementation of a dual listed company, or "DLC," structure between Carnival Corporation and Carnival plc on April 17, 2003. In addition, if the proposed amendments are approved, the holder will have the benefit of a Carnival Corporation guarantee. Carnival plc is seeking consents to the proposed amendments from all holders of the Securities of record at 5:00 p.m., New York City time, on Wednesday, June 11, 2003, which is the record date for the consent solicitation. If, among other conditions, consents to the proposed amendments have been validly submitted by the record holders of not less than a majority of the principal amount of each series of the Securities and have not been withdrawn prior to expiration of the consent solicitation, Carnival plc intends to execute the supplemental indenture promptly after expiration of the consent solicitation. Therefore, the terms of your Securities may be affected even if you do not consent. See "Description of the Consent Solicitation," "Description of the Securities" and "Conditions to the Consent Solicitation and Issuance of the Guarantees."

In return for consents to the proposed amendments, Carnival Corporation is offering a guarantee of Carnival plc's obligations under the Indenture and the Securities on an unsubordinated, unsecured basis. The guarantee will be issued if the required consents of each series of the Securities are received as described above and if some other conditions are met. The guarantee and the Securities will be unsubordinated and unsecured obligations and will rank equal to all other existing and future unsubordinated, unsecured indebtedness of Carnival Corporation and Carnival plc, respectively. On a pro forma basis after giving effect to the DLC transaction, as of February 28, 2003, there would have been approximately \$6.0 billion of total indebtedness outstanding of Carnival Corporation and Carnival plc based on Carnival Corporation's indebtedness at February 28, 2003 and the indebtedness of Carnival plc at March 31, 2003. See "Description of the Guarantee," "Description of the DLC Transaction" and "Conditions to the Consent Solicitation and Issuance of the Guarantees."

The DLC transaction, which closed on April 17, 2003, did not require the consent of the holders of the Securities. Carnival plc is not soliciting such consent. The consent solicitation will expire at 5:00 p.m., New York City time, on Tuesday, July 15, 2003, or such other date to which Carnival plc extends the consent solicitation in which case all references to the "Expiration Date" shall be deemed to be references to that later date.

Consents may not be revoked except in the manner described in this prospectus. The consent solicitation and offer of the guarantee is described in detail in this prospectus. Carnival Corporation and Carnival plc urge you to read this prospectus carefully, including the Risk Factors starting on page 16. Carnival plc's board of directors is not, nor is Carnival Corporation's board of directors or any other person, making any recommendation as to whether you should consent to the proposed amendments.

The Securities and Exchange Commission and state securities regulators have not approved or disapproved of these securities, or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

On a pro forma basis in accordance with accounting principles generally accepted in the United States, or US GAAP, Carnival Corporation & plc would have reported revenues of \$6.9 billion and \$1.7 billion and net income of \$1.3 billion and \$138 million for the fiscal year ended November 30, 2002 and the three months ended February 28, 2003, respectively. On the same basis, Carnival Corporation & plc would have reported shareholders' equity of \$12.8 billion as at February 28, 2003. Carnival Corporation & plc has one of the youngest fleets among the major cruise vacation operators, with an average age, weighted by lower berths, of approximately 7.5 years as of February 28, 2003. Carnival Corporation & plc also operates two private destination ports of call in the Caribbean for the exclusive use of its passengers and three riverboats on Europe's Danube River, and offers land-based tour packages as part of its vacation product alternatives.

The Consent Solicitation

Carnival plc is soliciting consents to proposed amendments to the indenture under which the Securities were issued, which is referred to in this prospectus as the "Indenture". In return for your consents to proposed amendments, which would modify some of the covenants and events of default and add a tax gross-up provision and an event of default provision as described in this prospectus, Carnival Corporation is offering a guarantee of Carnival plc's obligations under the Indenture and the Securities on an unsubordinated, unsecured basis. In order to submit your consent, you must fill out the letter of consent accompanying this prospectus, which we refer to in this prospectus as the Letter of Consent, and fax or mail a copy to D.F. King & Co., Inc., the Information Agent, to the fax number or address given on the back cover of this prospectus so that it is received prior to the Expiration Date. See "Description of the Consent Solicitation—Consent Procedures."

Summary Terms of the Consent Solicitation and Offer to Guarantee

The Consent Solicitation	In accordance with the terms of the Indenture, Carnival plc is seeking consents to proposed amendments to the Indenture from all holders of the Securities on the record date. Only these holders can consent to the proposed amendments.
Record Date	The record date is 5:00 p.m., New York City time, on June 11, 2003.
The Securities	The proposed amendments relate to Carnival plc's currently outstanding \$284,750,000 7.30% Notes due June 1, 2007 and \$192,000,000 7.875% Debentures due June 1, 2027. The Securities are unsubordinated obligations of Carnival plc. P&O Princess Cruises International Limited, Carnival plc's wholly-owned subsidiary, has unconditionally guaranteed the due and punctual payment of the principal, interest, premium, if any, and liquidated damages, if any, on the Securities. See "Description of the Amended Securities."
Proposed Amendments to the Indenture	The proposed amendments to the Indenture reflect the implementation of the DLC structure and the principle that Carnival Corporation and Carnival plc operate as a single economic enterprise and the issuance of the guarantee by Carnival Corporation. The proposed amendments include: <ul style="list-style-type: none"> • amendments to the negative covenants so they apply to Carnival Corporation and Carnival plc and their respective subsidiaries on a combined basis; • amendments to the financial reporting covenants to clarify that the delivery of Carnival Corporation & plc financial information would satisfy the reporting requirements; • an amendment so that all accounting terms not otherwise defined in the Indenture have the meanings given to them by US GAAP, rather than UK GAAP; • the addition of a covenant requiring Carnival Corporation to pay additional amounts to holders of the Securities as a result of specified Panamanian taxes;

- an amendment to the covenant regarding merger, consolidation and sale of assets to permit a merger or consolidation with, or sale or other disposition of assets to, Carnival Corporation without complying with the jurisdiction of incorporation restriction, if certain conditions are satisfied; and
- amendments to the events of default to reflect the financial position of Carnival Corporation & plc.

See "Description of the Consent Solicitation—Summary of the Proposed Amendments" and Annex A, which contains the text of the proposed amendments.

5

Guarantee Offered	Carnival Corporation will issue a guarantee of Carnival plc's obligations under the Indenture and the Securities on an unsubordinated, unsecured basis in return for consents to the proposed amendments to the Indenture. See "Description of the Guarantee."
Ratings	The Securities are currently rated A- by Standard & Poor's, Baa3 by Moody's Investors Service and A- by FitchRatings. The ratings of Standard & Poor's and FitchRatings assume that the consents will be obtained, the guarantee will be issued, and certain other changes to the Carnival plc capital structure will occur. Also, we believe that if the consents are obtained, the guarantee is issued and certain other changes to the Carnival plc capital structure occur, the Moody's rating may be upgraded. If the guarantee were not issued, the ratings of the Securities could be downgraded by Standard & Poor's and FitchRatings.
Ranking	The guarantee and the Securities will be unsubordinated and unsecured obligations and will rank equal to all other existing and future unsubordinated, unsecured indebtedness of Carnival Corporation and Carnival plc, respectively. The Securities will be effectively subordinated to all secured indebtedness of Carnival Corporation, Carnival plc and P&O Princess Cruises International Limited and all indebtedness and other liabilities of all subsidiaries of Carnival Corporation and Carnival plc that are not guarantors of the Securities. On a pro forma basis after giving effect to the DLC transaction, as of February 28, 2003, there would have been approximately \$6.0 billion of total indebtedness outstanding of Carnival Corporation & plc, based on the indebtedness of Carnival Corporation at February 28, 2003 and the indebtedness of Carnival plc at March 31, 2003. Of this amount, there would have been approximately \$1.1 billion of secured indebtedness of Carnival Corporation, Carnival plc and P&O Princess Cruises International Limited outstanding and approximately \$1.4 billion of indebtedness of non-guarantor subsidiaries outstanding, on a pro forma basis, based on the indebtedness of Carnival Corporation at February 28, 2003 and Carnival plc at March 31, 2003.
Conditions to the Consent Solicitation and the Issuance of the Guarantee	The consent solicitation by Carnival plc and the issuance of the guarantee by Carnival Corporation are subject to a number of conditions precedent, including the receipt of validly submitted and unrevoked consents from record holders of not less than a majority of the principal amount of each series of the Securities. See "Conditions to the Consent Solicitation and the Issuance of the Guarantee."

6

Expiration Date	The consent solicitation will expire at 5:00 p.m., New York City time, on Tuesday, July 15, 2003, or such other date to which Carnival plc extends the consent solicitation, in which case all references to the "Expiration Date" shall be deemed to be references to that later date. See "Description of the Consent Solicitation—Expiration Date; Extensions."
Termination of the Consent Solicitation and the Offering	Carnival Corporation and Carnival plc reserve the right but shall not be obligated to terminate, amend or modify the consent solicitation and/or the offering of the guarantee if any condition to the consent solicitation or any condition to the issuance of the guarantee is not satisfied or waived. See "Description of the Consent Solicitation—Termination of the Consent Solicitation" and "Conditions to the Consent Solicitation and the Issuance of the Guarantee."
Accounting Treatment	The Securities will be recorded at the same carrying value on the date of the issuance of the guarantee. Accordingly, Carnival plc will not recognize any gain or loss for accounting purposes. The expenses of the consent solicitation and the issuance of the guarantee will be expensed as incurred.
Material United States Federal Income Tax Considerations	The proposed amendments to the Indenture, together with the issuance of the guarantee, should not constitute a taxable exchange for US holders of the Securities. See "Material United States Federal Income Tax Considerations". For a description of the material UK tax considerations see "Material United Kingdom Tax Considerations."
Regulatory Approvals	Other than federal and state securities laws, there are no federal or state regulatory requirements

that must be complied with or approvals that must be obtained in connection with Carnival plc's solicitation of consents to the proposed amendments or Carnival Corporation's issuance of its guarantee.

(a) From June 1997 through September 28, 2000, Carnival Corporation owned 50% of Costa Cruises. On September 29, 2000, Carnival Corporation completed the acquisition of the remaining 50% interest in Costa. Carnival Corporation accounted for this transaction using the purchase accounting method. Prior to the fiscal 2000 acquisition, Carnival Corporation accounted for its 50% interest in Costa using the equity method. Commencing in fiscal 2001, Costa's results of operations have been consolidated in the same manner as Carnival Corporation's other wholly-owned subsidiaries. Carnival Corporation's November 30, 2000 and subsequent consolidated balance sheets include Costa's balance sheet. All statistical information

- (b) Effective December 1, 2001, Carnival Corporation adopted Statement of Financial Accounting Standards ("SFAS") No. 142, "Goodwill and Other Intangible Assets", which requires that companies stop amortizing goodwill and requires an annual, or when events or circumstances dictate a more frequent, impairment review of goodwill. Accordingly, as of December 1, 2001, Carnival Corporation no longer amortizes its goodwill. Finally, net income for the three months ended February 28, 2003 includes \$19 million of net insurance proceeds, which is included in nonoperating income. See Notes 4, 5 and 9 in Carnival Corporation's 2002 consolidated financial statements, which are incorporated by reference in this prospectus.
- (d) The 1998 per share amounts have been adjusted to reflect a two-for-one stock split effective June 12, 1998.
- (e) Represents the total annual passenger capacity, assuming two passengers per cabin, that Carnival Corporation's ships offered for sale, which is computed by multiplying passenger capacity by ship operating days.
- (f) In accordance with cruise industry practice, occupancy percentage is calculated based upon two passengers per cabin even though some cabins can accommodate three or more passengers. The percentages in excess of 100% indicate that more than two passengers occupied some cabins.
- (g) Effective December 1, 2000, Carnival Corporation adopted SFAS No. 133, which requires that all derivative instruments be recorded on Carnival Corporation's balance sheet. Total assets at February 28, 2002 and 2003, and November 30, 2001 and 2002 included \$608 million, \$20 million, \$578 million and \$187 million, respectively, which represents the fair value of hedged firm commitments. See Note 2 in Carnival Corporation's 2002 consolidated financial statements, which are incorporated by reference in this prospectus.
- (h) Represents the percentage of total debt to the sum of total debt and shareholders' equity.

Selected Historical Financial Data of Carnival plc

The selected financial data of Carnival plc presented below for fiscal 1998 through 2002 and as of the end of each such fiscal year are derived from Carnival plc's audited consolidated financial statements. The selected financial data presented below for the three months ended March 31, 2003 and March 31, 2002 and as of the end of each such period are unaudited and, in the opinion of Carnival plc's management, contain all adjustments, consisting of only normal recurring accruals, necessary for a fair presentation, except for DLC transaction costs discussed below. Carnival plc's operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire year. The following selected financial data should be read in conjunction with the audited and unaudited consolidated financial statements and notes to those accounts incorporated by reference in this prospectus.

Carnival plc's consolidated financial statements are presented on the basis that Carnival plc's cruise business and subsidiaries were part of its business and subsidiaries for all years presented or, if not owned by Carnival plc at all times during such period, from the date such businesses and subsidiaries were acquired by Carnival plc and/or until the date on which Carnival plc disposed of them, as applicable.

Carnival plc's consolidated financial statements have been prepared using Carnival plc's accounting policies in accordance with generally accepted accounting principles in the United Kingdom, or UK GAAP, which differ in some respects from US GAAP. The notes to the Carnival plc audited consolidated financial statements for the year ended December 31, 2002, which are incorporated by reference in this prospectus, provide a description of the material differences between US GAAP and UK GAAP as they relate to Carnival plc and a reconciliation to US GAAP of the results of operations and shareholders' funds.

- (a) Prior to the de-merger of Carnival plc from The Peninsular and Oriental Steam Navigation Company in 2000, no combined financial statements had been prepared for the companies and businesses comprising Carnival plc. The financial information for fiscal years 1998 and 1999 has been extracted from KPMG Audit Plc's accountants' report on Carnival plc contained in the listing particulars dated September 26, 2000 which were prepared for the de-merger.
- (b) Net operating costs under UK GAAP included US \$6.2 million and US \$117.0 million for the three months ended March 31, 2003 and the year ended December 31, 2002, respectively, of DLC transaction costs.
- (c) At January 1, 2002, Carnival plc adopted FRS 19. The 2001 balance sheet was restated to reflect full provision for deferred tax, an increase in deferred tax liabilities of \$108.1 million. The tax credit for the year to December 31, 2001 has been increased to reflect the elimination of the majority of future potential tax liabilities, upon Carnival plc's election to enter the UK tonnage tax regime by \$96.8 million. The profit and loss account and balance sheet information for each of the three years ended December 31, 2000 have also been restated for the adoption of Financial Reporting Standard 19: Deferred Tax.
- (d) Defined as profit before fixed charges (excluding capitalized interest) and taxation divided by fixed charges. Fixed charges consist of the net interest expense in the profit and loss account, interest capitalized in respect of ships and other fixed assets and an estimate of the interest implicit in operating lease rentals.
- (e) At January 1, 2001, Carnival plc adopted SFAS No. 133. The cumulative effect of the change in this accounting policy at that date was a charge of \$9.0 million, which is included in net income for fiscal 2001. The basic and diluted earnings per share for fiscal 2001 is after the cumulative effect of the change in this accounting principle.
- (f) Under UK GAAP the year ended December 31, 2001 includes a tax credit of \$97.5 million, comprising a credit from the release of deferred tax on entry into the tonnage tax regime of \$192.5 million and tax charges arising from internal corporate restructuring of \$95.0 million. The US GAAP tax credit for the year ended December 31, 2001 is for the release of deferred taxes.

- (g) Effective January 1, 2002 Carnival plc adopted SFAS No 142, which requires that companies stop amortizing goodwill and requires an annual, or when events or circumstances dictate a more frequent, impairment review of goodwill. Accordingly, as of January 1, 2002 Carnival plc no longer amortizes its goodwill. If goodwill had not been recorded for periods prior to January 1, 2002 Carnival plc's adjusted net income and adjusted basic and diluted earnings per share would have been as follows:

RISK FACTORS

You should consider carefully the following information about the risks associated with your investment in the Securities, as they will be amended, and the guarantee, together with the other information contained in this prospectus, before giving your consent. The DLC transaction, which closed on April 17, 2003, was permitted under the indenture governing the Securities and therefore did not require the consent of the holders of the Securities. Carnival plc is not soliciting such consent. A number of the risk factors listed below will be applicable to holders of the Securities whether or not the consent solicitation is successful, including those under the captions, "Risks Relating to the DLC Transaction" and "Risks Relating to Carnival Corporation & plc's Businesses."

Risks Relating to the Guarantee

Carnival Corporation's guarantee is governed by the laws of a foreign jurisdiction, and an action to enforce the guarantee must be brought in the courts of England.

Unlike the Securities and the Indenture, Carnival Corporation's guarantee, which will be issued under its existing deed of guarantee and the agreement extending the benefits of that deed to the Securities and Indenture will not be governed by the laws of the State of New York, but instead will be governed by the laws of the Isle of Man. Unlike the Securities and the Indenture, which are required to be enforced in New York federal courts, an action to enforce the guarantee, like all other enforcement actions that may be brought by other creditors under Carnival Corporation's deed of guarantee, must be brought exclusively in the courts of England. Because of the exclusive jurisdiction of English courts, an action to enforce the guarantee may be separate from an action to enforce the terms of the Securities and the Indenture. Furthermore, Carnival Corporation's deed of guarantee was executed as part of the DLC transaction. DLC transactions are relatively unusual and there is little or no case law in the Isle of Man or the United Kingdom relating to DLC transactions or the agreements related to them. As a result, it may be more difficult, expensive and time consuming for holders to enforce Carnival Corporation's guarantee than a guarantee governed by New York law in a more traditional financing. Furthermore, because a substantial portion of Carnival Corporation's assets are located outside of the United Kingdom, any judgment related to the guarantee in England would then need to be enforced in other countries, such as the United States, which may require further litigation.

Carnival Corporation's guarantee may be unenforceable due to fraudulent conveyance statutes and, accordingly, you could have no claim against Carnival Corporation, as guarantor of the Securities.

Although laws differ among various jurisdictions, a court could, under fraudulent conveyance laws, subordinate or avoid Carnival Corporation's guarantee if it found that the guarantee was incurred with actual intent to hinder, delay or defraud creditors, or Carnival Corporation did not receive fair consideration or reasonably equivalent value for the guarantee and that Carnival Corporation:

- was insolvent or rendered insolvent because of the guarantee;
- was engaged in a business or transaction for which its remaining assets constituted unreasonably small capital; or
- intended to incur, or believed that it would incur, debts beyond Carnival Corporation's ability to pay at maturity.

Carnival Corporation does not believe that the issuance of this guarantee is a fraudulent conveyance because, among other things, Carnival Corporation will receive substantial benefits including the reciprocal guarantee of Carnival Corporation's indebtedness by Carnival plc and a streamlining and unification of the

debt capital structure of Carnival Corporation & plc. However, if a court were to void the guarantee as the result of a fraudulent conveyance by Carnival Corporation or hold it unenforceable for any other reason, holders of the Securities would cease to have a claim against Carnival Corporation based on its guarantee and would solely be creditors of Carnival plc.

Under those circumstances, Carnival Corporation would have no obligation to make any payment to Carnival plc or to the holders of the Securities other than any liquidation payment that would be required under the equalization and governance agreement described in "Description of the DLC Transaction."

Holders may be adversely affected in the event that the guarantee is not issued because holders of the Securities will not have any direct claim against Carnival Corporation for the payment of obligations under the Securities.

In connection with the DLC transaction, Carnival plc and Carnival Corporation entered into deeds of guarantee. Under Carnival Corporation's deed of guarantee, Carnival Corporation has guaranteed all indebtedness and other similar obligations of Carnival plc that are incurred under agreements entered into since the closing of the DLC transaction, and under Carnival plc's deed of guarantee, Carnival plc has guaranteed reciprocal obligations of Carnival Corporation incurred under agreements entered into since the closing of the DLC transaction. Carnival Corporation expects to guarantee all or a substantial portion of the existing indebtedness of Carnival plc, subject to some amendments being made to the terms of that indebtedness. Also, if Carnival Corporation guarantees all or a substantial portion of Carnival plc's existing indebtedness, Carnival plc expects to guarantee all or a substantial portion of Carnival Corporation's existing indebtedness. Neither Carnival Corporation nor Carnival plc is required to make these guarantees under any agreement relating to the DLC transaction or otherwise. If Carnival Corporation and Carnival plc guarantee some or all of each other's indebtedness, but Carnival Corporation does not guarantee Carnival plc's obligations under the Indenture and the Securities, holders of the Securities would be in a worse position than other creditors of Carnival plc who had their obligations directly guaranteed by Carnival Corporation in the event of a liquidation of Carnival plc. Under those circumstances, other than any liquidation payment that would be required under the equalization and governance agreement described in "Description of the DLC Transaction," Carnival Corporation would have no obligation to make any payment to Carnival plc or to the holders of the Securities.

In addition, if Carnival Corporation does not guarantee the payment obligations of Carnival plc under the Securities and the Indenture, they will be effectively subordinated to all indebtedness of Carnival Corporation and its subsidiaries, all secured indebtedness of Carnival plc and P&O Princess Cruises International Limited and all indebtedness of Carnival plc's subsidiaries that are not guarantors of the Securities, which totaled, on a pro forma basis, as of February 28, 2003, approximately \$4.5 billion. If Carnival Corporation does guarantee the payment obligations of Carnival plc under the Securities and the Indenture, the Securities will be effectively subordinated to all secured indebtedness of Carnival Corporation, Carnival plc and P&O Princess Cruises International Limited and all indebtedness of non-guarantor subsidiaries, which totaled, on a pro forma basis as of February 28, 2003, approximately \$2.5 billion.

Risks Relating to the DLC Transaction

Benefits from the DLC structure may not be achieved to the extent or within the time period currently expected, which could eliminate, reduce and/or delay the improvements in cost savings and operational efficiencies expected to be generated by the DLC structure.

Since completion of the DLC transaction, Carnival Corporation and its subsidiaries and Carnival plc and its subsidiaries have been managed as if they were a single economic enterprise. Carnival Corporation and Carnival plc expect their combination under the DLC structure to enable them to achieve cost savings through synergies as well as enhanced operational efficiencies. However, both may encounter substantial difficulties during this process that could eliminate, reduce and/or delay the

realization of the cost savings and synergies that both currently expect. Among other things, these difficulties could include:

- loss of key employees;
- inconsistent and/or incompatible business practices, operating procedures, information systems, financial controls and procedures, cultures and compensation structures between Carnival Corporation and its subsidiaries and Carnival plc and its subsidiaries;
- unexpected integration issues and higher than expected integration costs; and
- the diversion of management's attention from day-to-day business as a result of the need to deal with integration issues.

As a result of these difficulties, the actual cost savings and synergies generated by the DLC structure may be less, and may take longer to realize, than Carnival Corporation and Carnival plc currently expect.

The structure of the DLC transaction involves risks not associated with the more common ways of combining the operations of two companies and these risks may have an adverse effect on the economic performance of the companies and/or their respective share prices.

The DLC structure is a relatively uncommon way of combining the management and operations of two companies and it involves different issues and risks from those associated with the other more common ways of effecting such a combination, such as a merger or exchange offer to create a wholly owned subsidiary. In the DLC transaction, the combination was effected primarily by means of contracts between Carnival Corporation and Carnival plc and not by operation of a statute or court order. The legal effect of these contractual rights may be different from the legal effect of a merger or amalgamation under statute or court order and there may be difficulties in enforcing these contractual rights. Shareholders and creditors of either company might challenge the validity of the contracts or their lack of standing to enforce rights under these contracts, and courts may interpret or enforce these contracts in a manner inconsistent with the express provisions and intentions of Carnival Corporation and Carnival plc expressed in such contracts. In addition, shareholders and creditors of other companies might successfully challenge other dual listed company structures and establish legal precedents that could increase the risk of a successful challenge to the DLC transaction. Carnival Corporation & plc is maintaining two separate public companies and comply with both Panamanian corporate law and English company and

securities laws and different regulatory and stock exchange requirements in the UK and the US. This structure is likely to require more administrative time and cost than was the case for each company individually, which may have an adverse effect on Carnival Corporation & plc's operating efficiency.

Courts may interpret or enforce the contracts and other instruments that effect the DLC structure in a manner inconsistent with the express provisions and intentions of Carnival Corporation and Carnival plc.

Various provisions of the constituent documents of Carnival Corporation and Carnival plc, the equalization and governance agreement and the deeds of guarantee, which were entered into by Carnival Corporation and Carnival plc on April 17, 2003, are intended to ensure that, as far as practicable, the shareholders and creditors of Carnival Corporation and Carnival plc are treated equitably in the event of insolvency of either or both companies and in accordance with the equalization ratio, regardless of where the assets of Carnival Corporation & plc reside. Courts may interpret or enforce these contracts in a manner inconsistent with the express provisions and intentions of Carnival Corporation and Carnival plc expressed in those contracts and other instruments. For instance, a bankruptcy court may not choose to follow the companies' contractual way of allocating liabilities and assets. Therefore, if assets were transferred between the two companies, a court, faced with the liquidation or dissolution of either company, may not adhere to the intentions of Carnival

18

Corporation and Carnival plc to treat both companies' creditors as creditors of Carnival Corporation & plc under the deeds of guarantee. As a result, the rights of creditors of a company that transfers assets to the other member of Carnival Corporation & plc may be adversely affected if a court determines that those creditors only have recourse to the assets of that company and not the other company.

Changes under the Internal Revenue Code, applicable US income tax treaties, and the uncertainty of the DLC structure under the Internal Revenue Code may adversely affect the US federal income taxation of the US source shipping income of Carnival Corporation & plc.

Carnival Corporation & plc believe that substantially all of the US source shipping income of each of Carnival Corporation and Carnival plc qualifies for exemption from US federal income tax, under:

- Section 883 of the Internal Revenue Code;
- as appropriate in the case of Carnival plc and its UK resident subsidiaries, the US-UK Income Tax Treaty that entered into force on April 25, 1980, which is referred to below as the "old US-UK treaty", and, when applicable, the new US-UK Income Tax Treaty that entered into force on March 31, 2003, which is referred to below as the "new US-UK treaty"; or
- other applicable US income tax treaties,

and should continue to so qualify now that the DLC transaction has been completed. The new US-UK treaty contains some limitations that would deny the availability of treaty benefits for income earned through some entities, including some Carnival plc entities. However, the relevant provisions of new US-UK treaty will not become effective until 2004 and Carnival plc and its UK resident subsidiaries may elect, in some circumstances, to continue application of the old US-UK treaty until twelve months beyond the date on which it would otherwise be effective. Carnival plc believes that it will be able to reorganize prior to the date on which the new US-UK treaty becomes applicable such that the relevant US source shipping income should qualify for an exemption from US federal income tax under the new US-UK treaty or Section 883. There is, however, no existing US federal income tax authority that directly addresses the tax consequences of implementation of a dual listed company structure such as the DLC structure for purposes of Section 883 or any other provision of the Internal Revenue Code or any income tax treaty and, consequently, the matters discussed above are not free from doubt.

To date, no final US Treasury regulations or other definitive interpretations of the relevant portions of Section 883 have been promulgated, although regulations have been proposed. Any such final regulations or official interpretations could differ materially from Carnival Corporation's and Carnival plc's interpretation of this Internal Revenue Code provision and, even in the absence of differing regulations or official interpretations, the Internal Revenue Service might successfully challenge either or both interpretations. In addition, the provisions of Section 883 are subject to change at any time by legislation. Moreover, changes could occur in the future with respect to the trading volume or trading frequency of Carnival Corporation shares and/or Carnival plc shares on their respective exchanges or with respect to the identity, residence, or holdings of Carnival Corporation's and/or Carnival plc's direct or indirect shareholders that could affect the eligibility of Carnival Corporation and its subsidiaries and/or certain members of the group consisting of Carnival plc, its subsidiaries and its subsidiary undertakings which are otherwise eligible for the benefits of Section 883 to qualify for the benefits of the Section 883 exemption. Accordingly, it is possible that Carnival Corporation and its ship-owning or operating subsidiaries and/or certain members of the group consisting of Carnival plc, its subsidiaries and its subsidiary undertakings whose tax exemption is based on Section 883 may lose this exemption. If any such corporation were not entitled to the benefits of Section 883, it would be subject to US federal income taxation on a portion of its income, which would reduce the net income of such corporation.

As noted above, Carnival plc believes that substantially all of the US source shipping income of Carnival plc and its UK resident subsidiaries qualifies for exemption from US federal income tax under

19

either the old or new US-UK treaties, as applicable. In addition, certain companies of Carnival Corporation & plc may rely on other US income tax treaties for similar exemptions from US taxation on US source shipping income. Carnival Corporation and Carnival plc do not believe that the DLC transaction will affect the ability of these corporations to continue to qualify for such treaty benefits. There is, however, no authority that directly addresses the effect, if any, of DLC arrangements or the availability of benefits under the treaties and, consequently, the matter is not free from doubt.

These treaties may be abrogated by either applicable country, replaced or modified with new agreements that treat shipping income differently than under the agreements currently in force. If any of the corporations discussed in the paragraph above that currently qualify for exemption from US source shipping income under any applicable US income tax treaty do not qualify for benefits under the existing treaties or if the existing treaties are abrogated, replaced or materially modified in a manner adverse to the interests of any such corporation and, with respect to US federal income tax only, such corporation does not qualify for

Section 883 exemption, such corporation may be subject to US federal income taxation on a portion of its income, which would reduce the net income of any such corporation.

A small group of shareholders collectively owns approximately 33% of the total combined voting power of the outstanding shares of Carnival Corporation & plc and may be able to effectively control the outcome of shareholder voting.

A group of shareholders, consisting of some members of the Arison family, including Micky Arison, and trusts established for their benefit, beneficially owns approximately 44% of the outstanding common stock of Carnival Corporation and owns shares entitled to constitute a quorum at shareholder meetings and to cast approximately 33% of the total combined voting power of the outstanding shares of Carnival Corporation & plc. Depending upon the nature and extent of the shareholder vote, this group of shareholders may have the power to effectively control, or at least to influence substantially, the outcome of shareholder votes and, therefore, the corporate actions requiring such votes.

Risks Relating to Carnival Corporation & plc's Businesses

Carnival Corporation & plc may lose business to competitors throughout the vacation market.

Carnival Corporation & plc operates in the vacation market, and cruising is one of many alternatives for people choosing a vacation. Carnival Corporation & plc therefore risks losing business not only to other cruise lines, but also to other vacation operators that provide other leisure options, including hotels, resorts and package holidays and tours.

Carnival Corporation & plc faces significant competition from other cruise lines, both on the basis of cruise pricing and also in terms of the nature of ships and services it will offer to cruise passengers. Carnival Corporation & plc's principal competitors within the cruise vacation industry include:

- Royal Caribbean Cruises Ltd., which owns Royal Caribbean International and Celebrity Cruises;
- Norwegian Cruise Line and Orient Lines;
- Disney Cruise Line;
- My Travel's Sun Cruises, Thomson, Saga and Fred Olsen in the UK;
- Festival Cruises, Hapag-Lloyd, Peter Deilmann and Phoenix Reisen in Germany;
- Festival Cruises, Mediterranean Shipping Cruises, Royal Olympia Cruises and Louis Cruise Line in southern Europe;
- Crystal Cruises;
- Radisson Seven Seas Cruise Line; and

20

-
- Silversea Cruises.

Carnival Corporation & plc also competes with land-based vacation alternatives throughout the world, including, among others, resorts and hotels located in Las Vegas, Nevada, Orlando, Florida, various Caribbean, Mexican, Bahamian and Hawaiian Island destination resorts and numerous vacation destinations throughout Europe and the rest of the world.

In the event that Carnival Corporation & plc does not compete effectively with other vacation alternatives and cruise companies, its results of operations and financial condition could be adversely affected.

Overcapacity within the cruise and competing land-based vacation industry could have a negative impact on net revenue yields, increase operating costs, result in ship asset impairments and could adversely affect profitability.

Cruising capacity has grown in recent years and Carnival Corporation & plc expects it to continue to increase over the next three years as all of the major cruise vacation companies are expected to introduce new ships. In order to utilize new capacity, the cruise vacation industry will need to increase its share of the overall vacation market. The overall vacation market is also facing increases in land-based vacation capacity, which also will impact Carnival Corporation & plc. Failure of the cruise vacation industry to increase its share of the overall vacation market could have a negative impact on Carnival Corporation & plc's net revenue yields. Should net revenue yields be negatively impacted, Carnival Corporation & plc's results of operations and financial condition could be adversely affected, including the impairment of the value of its ship assets. In addition, increased cruise capacity could impact Carnival Corporation & plc's ability to retain and attract qualified crew at competitive costs and, therefore, increase Carnival Corporation & plc's shipboard employee costs.

The international political and economic climate and other world events affecting safety and security could adversely affect the demand for cruises and could harm Carnival Corporation & plc's future sales and profitability.

Demand for cruises and other vacation options has been, and is expected to continue to be, affected by the public's attitude towards the safety of travel, the international political climate and the political climate of destination countries. Events such as the terrorist attacks in the US on September 11, 2001, the threat of additional attacks, the recent military action in Iraq, concerns of an outbreak of additional hostilities and national government travel advisories, together with the resulting political instability and concerns over safety and security aspects of traveling, have had a significant adverse impact on demand and pricing in the travel and vacation industry and may continue to do so in the future. Demand for cruises is also likely to be increasingly dependent on the underlying economic strength of the countries from which cruise companies source their passengers. Economic or political changes that reduce disposable income or consumer confidence in the countries from which Carnival Corporation & plc will source its passengers may affect demand for vacations, including cruise vacations, which are a discretionary purchase. Decreases in demand could lead to price discounting which, in turn, could reduce the profitability of its business.

Carnival Corporation & plc may not be able to obtain financing on terms that are favorable or consistent with its expectations due to, among other reasons, the lowering of the debt ratings of Carnival Corporation as a result of the DLC transaction.

Access to financing for Carnival Corporation & plc will depend on, among other things, the maintenance of strong long-term credit ratings. Carnival Corporation's debt was, prior to the closing of the DLC transaction, rated "A" by Standard & Poor's, "A2" by Moody's Investors Service and "A" by FitchRatings. Carnival plc's debt was, shortly prior to the closing of the DLC transaction, rated "BBB" by Standard & Poor's, "Baa3" by Moody's and "BBB+" by FitchRatings. On April 14, 2003, Moody's

downgraded the long-term ratings of Carnival Corporation from "A2" to "A3" and its short-term rating from "Prime-1" to "Prime-2" to reflect the expected completion of the DLC transaction, and stated that this rating remains on review for further possible downgrade pending final resolution of Carnival Corporation & plc's capital structure. In addition, Moody's stated that the ratings for Carnival plc remain on review for possible upgrade pending final resolution of Carnival Corporation & plc's capital structure. On April 16, 2003, Standard & Poor's lowered its long-term corporate credit ratings for Carnival Corporation from "A" to "A-" and its short-term corporate credit ratings for Carnival Corporation from "A-1" to "A-2". Concurrently, Standard & Poor's withdrew its "BBB" corporate credit rating for Carnival plc and raised its unsubordinated unsecured debt ratings for Carnival plc from "BBB" to "A-." On April 29, 2003, FitchRatings lowered the rating on Carnival Corporation's unsubordinated, unsecured debt to "A-" and raised the rating on Carnival plc's unsubordinated, unsecured debt to "A-".

The forecasted cash flow from future operations for Carnival Corporation & plc may be adversely affected by various factors, including, but not limited to, declines in customer demand, increased competition, overcapacity, the deterioration in general economic and business conditions, terrorist attacks, the recent military action in Iraq, ship incidents, adverse publicity and increases in fuel prices, as well as other factors noted under these risk factors and under "Forward-Looking Statements" section below. To the extent that Carnival Corporation & plc is required, or chooses, to fund future cash requirements, including future shipbuilding commitments, from sources other than cash flow from operations, cash on hand and current external sources of liquidity, including committed financings, Carnival Corporation & plc will have to secure such financing from banks or through the offering of debt and/or equity securities in the public or private markets.

The future operating cash flow of Carnival Corporation & plc may not be sufficient to fund future obligations, and Carnival Corporation & plc may not be able to obtain additional financing, if necessary, at a cost that meets its expectations. Accordingly, the financial results of Carnival Corporation & plc could be adversely affected.

If Carnival plc loses eligibility for inclusion in the FTSE 100 or Carnival Corporation is removed from the S&P 500, it may become more difficult for Carnival Corporation & plc to access the equity capital markets.

Carnival Corporation's common stock remains listed on the NYSE and is expected to continue to be included in the S&P 500. Carnival plc's ordinary shares remain listed on the London Stock Exchange and remain eligible for inclusion in the FTSE series of indices and are included with full weighting in the FTSE 100. If Carnival plc loses eligibility for inclusion in the FTSE 100 or Carnival Corporation is removed from the S&P 500, it may become more difficult for Carnival Corporation & plc to access the equity capital markets and it may adversely affect the value of your Securities.

Conducting business internationally can result in increased costs.

Carnival Corporation & plc operates its business internationally and plans to continue to develop its international presence. Operating internationally exposes Carnival Corporation & plc to a number of risks, including:

- currency fluctuations;
- interest rate movements;
- the imposition of trade barriers and restrictions on repatriation of earnings;
- political risks;
- risk of increases in duties, taxes and governmental royalties; and
- changes in laws and policies affecting cruising, vacation or maritime businesses or governing the operations of foreign-based companies.

If Carnival Corporation & plc is unable to address these risks adequately, its results of operations and financial condition could be adversely affected.

Accidents and other incidents at sea or adverse publicity concerning the cruise industry or Carnival Corporation & plc could affect Carnival Corporation & plc's reputation and harm its future sales and profitability.

The operation of cruise ships involves the risk of accidents, illnesses, mechanical failures and other incidents at sea, which may bring into question passenger safety, health, security and vacation satisfaction and thereby adversely affect future industry performance. Incidents involving passenger cruise ships could occur and could adversely affect future sales and profitability. In addition, adverse publicity concerning the vacation industry in general or the cruise industry or Carnival Corporation & plc in particular could impact demand and, consequently, have an adverse impact on Carnival Corporation & plc's profitability.

Operating, financing and tax costs are subject to many economic and political factors that are beyond Carnival Corporation & plc's control, which could result in increases in operating and financing costs.

Some of Carnival Corporation & plc's operating costs, including fuel, food, insurance and security costs, are subject to increases because of market forces and economic or political instability beyond Carnival Corporation & plc's control. In addition, interest rates and Carnival Corporation & plc's ability to secure debt or equity financing, including in order to finance the purchase of new ships, are dependent on many economic and political factors. Actions by US and non-US taxing jurisdictions could also cause an increase in Carnival Corporation & plc's costs. Increases in operating, financing and tax costs could adversely affect Carnival Corporation & plc's results because Carnival Corporation & plc may not be able to recover these increased costs through price increases of its cruise vacations.

Environmental legislation and regulations could affect operations and increase operating costs.

Some environmental groups have lobbied for more stringent regulation of cruise ships. Some groups also have generated negative publicity about the cruise industry and its environmental impact. The US Environmental Protection Agency is considering new laws and rules to manage cruise ship waste. Alaskan authorities are currently investigating an incident that occurred in August 2002 on board Holland America's Ryndam involving a wastewater discharge from the ship. As a result of this incident, various Ryndam ship officers have received grand jury subpoenas from the US Attorney's office in Alaska. If the investigation results in charges being brought, sanctions could include a prohibition of operations in Alaska's Glacier Bay National Park and Preserve for a period of time.

In addition, pursuant to a settlement with the US government in April 2002, Carnival Corporation pled guilty to certain environmental violations. Carnival Corporation was sentenced under a plea agreement pursuant to which Carnival Corporation paid fines in fiscal 2002 totaling \$18 million to the US government and other parties. Carnival Corporation accrued for these fines in fiscal 2001. Carnival Corporation and its subsidiaries were also placed on probation for a term of five years. Under the terms of the probation, any future violation of environmental laws by Carnival Corporation or its subsidiaries may be deemed a violation of probation. In addition, Carnival Corporation was required as a special term of probation to develop, implement and enforce a worldwide environmental compliance program. Carnival Corporation and its subsidiaries are in the process of implementing the environmental compliance program and expects to incur approximately \$10 million in additional annual environmental compliance costs in 2003 and yearly thereafter as a result of the program. Since the completion of the DLC transaction, the terms of the environmental compliance program have become applicable to Carnival plc and its subsidiaries, which will result in higher environmental compliance costs for Carnival plc and its subsidiaries as well.

Carnival Corporation & plc's costs of complying with current and future environmental laws and regulations, or liabilities arising from past or future releases of, or exposure to, hazardous substances or to vessel discharges, could increase the cost of compliance or otherwise materially adversely affect Carnival Corporation & plc's business, results of operations or financial condition.

New regulation of health, safety and security issues could increase operating costs and adversely affect net income.

Carnival Corporation & plc is subject to various international, national, state and local health, safety and security laws, regulations and treaties. The International Maritime Organization, sometimes referred to as the IMO, which operates under the United Nations, has adopted safety standards as part of the International Convention for the Safety of Life at Sea, sometimes referred to as SOLAS, which is applicable to all of Carnival Corporation & plc's ships. Generally SOLAS establishes vessel design, structural features, materials, construction and life saving equipment requirements to improve passenger safety and security.

In addition, ships that call on US ports are subject to inspection by the US Coast Guard for compliance with SOLAS and by the US Public Health Service for sanitary standards. Carnival Corporation & plc's ships are also subject to similar inspections pursuant to the laws and regulations of various other countries such ships visit. Finally, the US Congress recently enacted the Maritime Transportation Security Act of 2002 which implements a number of security measures at US ports, including measures that relate to foreign flagged vessels calling at US ports.

Carnival Corporation & plc believes that health, safety and security issues will continue to be areas of focus by relevant government authorities both in the US and abroad. Resulting legislation or regulations, or changes in existing legislation or regulations, could impact the operations of Carnival Corporation & plc and would likely subject Carnival Corporation & plc to increasing compliance costs in the future.

Delays in ship construction and problems encountered at shipyards could reduce Carnival Corporation & plc's profitability.

The construction of cruise ships is a complex process and involves risks similar to those encountered in other sophisticated construction projects, including delays in completion and delivery. In addition, industrial actions and insolvency or financial problems of the shipyards building Carnival Corporation & plc's ships could also delay or prevent the delivery of its ships under construction. These events could adversely affect Carnival Corporation & plc's profitability. However, the impact from a delay in delivery could be mitigated by contractual provisions and refund guarantees obtained by Carnival Corporation & plc.

In addition, Carnival Corporation & plc has entered into forward foreign currency contracts to fix the cost in US dollars of certain of Carnival Corporation & plc's foreign currency denominated shipbuilding contracts. If any of the shipyards are unable to perform under the related contract, the foreign currency forward contracts related to that shipyard's shipbuilding contracts would still have to be honored. This might require Carnival Corporation & plc to realize a loss on an existing contract without having the ability to have an offsetting gain on its foreign currency denominated shipbuilding contract, thus adversely affecting the financial results of Carnival Corporation & plc.

FORWARD-LOOKING STATEMENTS

Some of the statements contained in this prospectus or incorporated by reference into this prospectus are "forward-looking statements" that involve risks, uncertainties and assumptions with respect to Carnival Corporation and its subsidiaries, Carnival plc and its subsidiaries and Carnival Corporation & plc, including some statements concerning the transactions described in this prospectus, future results, plans, goals and other events which have not yet occurred. These statements are intended to qualify for the safe harbors from liability provided by Section 27A of the Securities Act and Section 21E of the Exchange Act. You can find many, but not all, of these statements by looking for words like "will," "may," "believes," "expects," "anticipates," "forecast," "future," "intends," "plans" and "estimates" and for similar expressions.

Because forward-looking statements, including those which may impact the forecasting of net revenue yields, booking levels, pricing, occupancy, operating, financing and tax costs, estimates of ship depreciable lives and residual value or business prospects, involve risks and uncertainties, there are many factors that could cause Carnival Corporation's and its subsidiaries', Carnival plc's and its subsidiaries' and Carnival Corporation & plc's actual results, performance or achievements to differ materially from those expressed or implied in this prospectus. These factors include, but are not limited to the following:

- achievement of expected benefits from the DLC transaction;
- risks associated with the DLC structure;
- liquidity and index inclusion as a result of the implementation of the DLC structure, including a possible mandatory exchange of Carnival plc shares that may occur under Carnival plc's constituent documents;
- risks associated with the uncertainty of the tax status of the DLC structure;
- general economic and business conditions which may impact levels of disposable income of consumers and the net revenue yields for the cruise brands of Carnival Corporation & plc;
- conditions in the cruise and land-based vacation industries, including competition from other cruise ship operators and providers of other vacation alternatives and increases in capacity offered by cruise ship and land-based vacation alternatives;
- the impact of operating internationally;
- the international political and economic climate, the recent military action in Iraq, other armed conflicts, terrorist attacks, availability of air service, and other world events and negative publicity and their impact on the demand for cruises;
- accidents and other incidents at sea affecting the health, safety, security and vacation satisfaction of passengers;
- the ability of Carnival Corporation & plc to implement its shipbuilding program and brand strategies and to continue to expand its businesses worldwide;
- the ability of Carnival Corporation & plc to attract and retain shipboard crew and maintain good relations with employee unions;
- the ability to obtain financing on terms that are favorable or consistent with Carnival Corporation & plc's expectations;
- the impact of changes in operating and financing costs, including changes in foreign currency and interest rates and fuel, food, insurance and security costs;

25

-
- changes in the tax, environmental, health, safety, security and other regulatory regimes under which Carnival Corporation & plc operates;
 - continued availability of attractive port destinations;
 - the ability to successfully implement cost improvement plans and to integrate business acquisitions;
 - continuing financial viability of Carnival Corporation & plc's travel agent distribution system;
 - weather patterns or natural disasters; and
 - the ability of a small group of shareholders effectively to control the outcome of shareholder voting.

These risks and other risks are detailed in the section entitled "Risk Factors" and in the SEC reports of Carnival Corporation and Carnival plc. That section and those reports contain important cautionary statements and a discussion of many of the factors that could materially affect the accuracy of Carnival Corporation & plc's forward-looking statements and/or adversely affect Carnival Corporation & plc's businesses, results of operations and financial positions, which statements and factors are incorporated in this prospectus by reference.

Forward-looking statements should not be relied upon as a prediction of actual results. Subject to any continuing obligations under applicable law or any relevant listing rules, Carnival Corporation & plc expressly disclaim any obligation to disseminate, after the date of this prospectus, any updates or revisions to any such forward-looking statements to reflect any change in expectations or events, conditions or circumstances on which any such statements are based.

Carnival Corporation & plc

On a pro forma combined basis, giving effect to the DLC transaction as if it had occurred at the beginning of the relevant periods, Carnival Corporation & plc's ratio of earnings to fixed charges would have been 5.3x for the year ended December 31, 2002 and 2.6x for the three months ended February 28, 2003.

DESCRIPTION OF THE DLC TRANSACTION

The DLC transaction combined the businesses of Carnival Corporation and Carnival plc and their subsidiaries through a number of contracts and amendments to Carnival Corporation's articles of incorporation and by-laws and to Carnival plc's memorandum of association and articles of association. The two companies have retained their separate legal identities, and each company's shares continue to be publicly traded on the NYSE for Carnival Corporation and the London Stock Exchange for Carnival plc. However, both companies operate as if they were a single economic enterprise. The contracts governing the DLC transaction provide that Carnival Corporation and Carnival plc each continue to have separate boards of directors, but the boards and senior executive management of both companies are identical. In addition to their normal fiduciary duties to the company and obligation to have regard to the interests of its shareholders, the directors of each company are entitled to have regard to the interests of the other company and its shareholders. The amendments to the constituent documents of each of the companies also provide that, on most matters, the holders of the common equity of both companies effectively vote as a single body. On specified matters where the interests of Carnival Corporation shareholders may differ from the interests of Carnival plc shareholders, each shareholder body will vote separately as a class. These matters are called class rights actions and include, among others:

- transactions primarily designed to amend or unwind the DLC structure;
- adjustments to the equalization ratio, which reflects the relative economic and voting interests represented by an individual share in each company, not in accordance with the equalization and governance agreement described below; and
- amendments to tax-related provisions in Carnival Corporation's articles of incorporation.

No class rights action generally may be implemented unless approved by both shareholder bodies, which means that each shareholder body generally has a veto with respect to class rights actions. The current equalization ratio is 1:1, so one Carnival plc ordinary share is entitled to the same economic and voting interests in Carnival Corporation & plc as one share of Carnival Corporation common stock.

Carnival Corporation's constituent documents and Carnival plc's constituent documents have been harmonized, to the extent practicable and permitted by law, to ensure Carnival Corporation's and Carnival plc's corporate procedures are substantially similar. As part of the DLC transaction, Carnival plc changed its name from P&O Princess Cruises plc to Carnival plc.

The shareholders of Carnival Corporation hold approximately 79% of the economic interests in Carnival Corporation & plc, and the shareholders of Carnival plc hold approximately 21% of the economic interests in Carnival Corporation & plc.

Carnival plc and Carnival Corporation executed deeds of guarantee at the closing of the DLC transaction. Under Carnival Corporation's deed of guarantee, Carnival Corporation has agreed to guarantee all indebtedness and certain other monetary obligations of Carnival plc that are incurred under agreements entered into on or after the date of the closing of the DLC transaction, along with all other obligations of Carnival plc that Carnival plc and Carnival Corporation specify in a separate agreement relating to the deed of guarantee. Under this prospectus, subject to the conditions set forth in this prospectus, Carnival Corporation is offering to extend its deed of guarantee to cover the Securities. Carnival Corporation expects to guarantee all or a substantial portion of the existing indebtedness of Carnival plc subject to some amendments being made to the terms of that indebtedness. Also, if Carnival Corporation guarantees all or a substantial portion of

Carnival plc's existing indebtedness, Carnival plc expects to guarantee all or a substantial portion of Carnival Corporation's existing indebtedness. Neither Carnival Corporation nor Carnival plc is required to make these guarantees under any agreement relating to the DLC transaction or otherwise. The terms of

Carnival plc's deed of guarantee are substantially similar to those contained in Carnival Corporation's. As a result, subject to the terms of the guarantee, the holders of indebtedness and other obligations that are subject to the guarantees will have recourse to both Carnival plc and Carnival Corporation, though a Carnival plc creditor must first make written demand on Carnival plc and vice-versa. For more information regarding the deed of guarantee, please see "Description of the Guarantee."

Upon the closing of the DLC transaction, Carnival plc and Carnival Corporation also executed an equalization and governance agreement, which provides for the equalization of dividends and liquidation distributions based on the equalization ratio, and contains various other provisions relating to the governance of the DLC structure. Because the current equalization ratio is 1:1, one Carnival plc ordinary share would be entitled to the same distributions, subject to the terms of the equalization and governance agreement, as one share of Carnival Corporation common stock. In a liquidation of either company or both companies, if the hypothetical potential per share liquidation distributions to each company's shareholders are not equivalent, taking into account the relative value of the two companies' assets and the indebtedness of each company, to the extent that one company has greater net assets so that any liquidation distribution to its shareholders would not be equivalent on a per share basis, the company with the ability to make a higher net distribution is required to make a payment to the other company to equalize the possible net distribution to shareholders. The requirement to make an equalizing payment is subject to some limitations. First, a reorganization under Chapter 11 of the US Bankruptcy Code or a similar statute would not be considered a "liquidation," so such a reorganization would not result in equalizing payments. Second, neither company will be required to make the equalizing payment if the payment would result in neither group of shareholders being entitled to any liquidation proceeds. Therefore, if the assets of Carnival Corporation & plc are not sufficient to satisfy all of the creditors of Carnival Corporation & plc, no equalization payment would be required to be made.

DESCRIPTION OF THE CONSENT SOLICITATION

Carnival plc is soliciting consents, upon the terms and subject to the conditions set forth in this prospectus, to proposed amendments to the Indenture, dated as of October 23, 2000, among Carnival plc, P&O Princess Cruises International Limited and the Bank of New York, as Trustee, which governs the Securities. Under the terms of the Indenture, receipt by the Trustee of evidence of validly delivered and unrevoked consents from record holders of not less than a majority in aggregate principal amount of each series of Securities is required to approve the proposed amendments to the Indenture.

Summary of the Proposed Amendments

The purpose of the proposed amendments is to reflect the DLC structure, the issuance of the guarantee and the principle under the DLC structure that Carnival plc and Carnival Corporation operate as a single economic enterprise. The proposed amendments will not affect the right of a holder to receive 100% of the principal amount of the Securities at their respective maturities, the interest rates, the interest payment dates or any other rights of a holder, except as specifically set forth in the proposed amendments. The following sets forth a brief summary of the proposed amendments for which the consents are being sought pursuant to the consent solicitation. This summary is qualified by reference to the full provisions of the Indenture, the form of supplemental indenture and the complete text of the proposed amendments attached to this prospectus as Annex A. Copies of the Indenture and additional copies of the form of supplemental indenture can be obtained without charge from the Information Agent. Also, the Indenture and the form of supplemental indenture have been filed as exhibits to the registration statement containing this prospectus.

The proposed amendments would amend the following sections of the Indenture:

1. Section 1.01 (Definitions):

(a) *Amendments to Definitions of Consolidated Net Tangible Assets, Consolidated Operating Revenue and Consolidated Relevant Total Assets.* Amending these definitions so that they are calculated with respect to Carnival Corporation & plc and by reference to Carnival Corporation's applicable annual report on Form 10-K or pro forma financial statements for Carnival Corporation & plc filed with the Commission or otherwise made available to the Trustee.

(b) *Amendments to Definitions of Principal Property, Principal Subsidiary, Relevant Total Assets and Restricted Subsidiary.* Amending these definitions so that the terms include Carnival Corporation's subsidiaries as well as those of Carnival plc.

(c) *Amendment of Definitions of UK GAAP and US GAAP.* Amending these definitions so that such terms will be defined as the generally accepted accounting principles in effect in the United Kingdom and the United States, respectively, on the execution date of the supplemental indenture.

2. Section 1.04(2) (Rules of Construction). Amending the provision in the definitions so that all financial terms not otherwise defined in the Indenture will have the meaning ascribed to them by US GAAP, rather than UK GAAP.

3. Section 4.04 (Reports). Amending the financial reporting covenant to clarify that Carnival plc may satisfy the covenant by delivering or making available at the office of the paying agent in London the periodic reports filed under the Exchange Act by Carnival Corporation rather than stand-alone financial statements or periodic reports of Carnival plc and to delete the requirement that Carnival plc continue to file stand-alone reports under the Exchange Act.

4. Section 4.07 (Liens) and Section 4.08 (Sale and Leaseback Transactions). Amending the limitation on liens and the limitation on sale and leaseback transactions covenants such that the same will apply to Carnival Corporation and its subsidiaries, as well as to Carnival plc and its subsidiaries

and to consider the combined or consolidated financial position of Carnival Corporation & plc, rather than that of Carnival plc as a stand-alone entity.

5. Section 4.10 (Carnival Corporation Additional Amounts). Adding a covenant requiring Carnival Corporation to pay additional amounts to holders of the Securities as a result of specified Panamanian taxes.

6. Section 5.01 (Consolidation, Merger and Sale of Assets). Amending the covenant regarding merger, consolidation and sale of assets to permit a merger or consolidation with, or sale or other disposition of assets to, Carnival Corporation, a Panamanian corporation, or a wholly-owned subsidiary of Carnival Corporation without having to comply with the requirement that the surviving entity or transferee entity be incorporated in a European Union member state, an organization for Economic Co-operation and Development member nation or a European Free Trade Association, so long as the guarantee is in effect immediately prior to the transaction, and such transaction is not prohibited by the agreements pertaining to the governing structure.

7. Sections 6.01(d), (e) and (f) (Events of Default).

(a) Amending these events of default to apply to Carnival Corporation and certain of its principal subsidiaries as well as to Carnival plc and certain of its principal subsidiaries.

(b) Amending the maximum amount of other indebtedness that may be subject to acceleration without being an "Event of Default" so that the maximum amount is based on "Consolidated Net Tangible Assets" of Carnival Corporation & plc.

8. Amending other sections and definitions to make technical or correcting amendments that are consistent with the amendments described above.

The proposed amendments will be set forth in the supplemental indenture among Carnival plc, P&O Princess Cruises International Limited and the Trustee, which will be executed promptly following the Expiration Date. However, the supplemental indenture will provide that the proposed amendments will only become operative when the guarantee has been issued by Carnival Corporation.

The consents to all of the proposed amendments are being sought as a single proposal. Accordingly, a consent purporting to consent to only some of the proposed amendments to the Indenture will be deemed a consent to the proposed amendments as a whole.

The execution and delivery of a Letter of Consent by a holder will constitute the consent of such holder to the proposed amendments. If the proposed amendments become effective, the amendments will also be binding on all non-consenting holders and future holders of the Securities.

General

Section 9.02 of the Indenture provides that, in order to be implemented, the proposed amendments require the consent of the holders of not less than a majority in aggregate principal amount of each class of the outstanding Securities. If the requisite consents have been received, Carnival plc intends to enter into a supplemental indenture with P&O Princess Cruises International Limited, as guarantor under the Indenture, and the Trustee on the Expiration Date. The supplemental indenture will amend the Indenture to give effect to the proposed amendments.

Carnival plc is soliciting consents from all holders of record on the record date. Consents must be properly completed, duly executed and delivered on or prior to the Expiration Date. Consents may be revoked in accordance with the requirements as described under "—Revocability of Consents" below. The delivery, or non-delivery, of a consent will not affect a holder's right to receive 100% of the principal amount of the Securities at their respective maturities, the interest rates, the interest payment

dates or any other rights of a holder under the Securities, except as specifically set forth in the proposed amendments.

Only holders of record as of 5:00 p.m., New York City time, on June 11, 2003, the record date, may execute consents and, unless validly revoked by the holder of record as of the record date at any time prior to the Expiration Date in the manner described herein, such consents will be binding on all subsequent transferees of the Securities with respect to which such consents were given. If the record date is changed, only holders as of the revised record date will be entitled to execute consents.

The consent solicitation may be terminated by Carnival plc in its reasonable discretion, at any time on or prior to the Expiration Date. If the consent solicitation is terminated, all consents shall be voided. See "—Termination of the Consent Solicitation" below.

The consents are being solicited by Carnival plc, which has retained Merrill Lynch & Co. and UBS Securities LLC as Solicitation Agents and D.F. King & Co., Inc. as Information Agent to aid in the solicitation of consents, including soliciting consents from brokers, dealers, commercial banks, custodians and participants in The Depository Trust Company, or DTC, and participants in DTC are referred to in this prospectus as DTC participants. All costs of the consent solicitation will be borne by Carnival plc.

Carnival plc's board of directors is not, nor is Carnival Corporation's board of directors, making any recommendation as to whether you should consent to the proposed amendments. Also, none of the Solicitation Agents, the Information Agent, the Trustee or any other person makes any recommendation in connection with the consent solicitation. Carnival plc and Carnival Corporation have not retained any representative to act on behalf of the holders of the Securities in connection with the consent solicitation or to prepare any report as to the fairness of the consent solicitation's terms.

Consent Procedures

Each beneficial owner of Securities desiring that consent be delivered with respect to such Securities must instruct the holder of such Securities, such as a custodian bank, depository, broker, trust company or other nominee, including a DTC participant to execute a Letter of Consent and deliver it to the Information Agent on such beneficial owner's behalf. An Instruction Letter is included in the Letter to Our Clients accompanying this Prospectus for this purpose.

Carnival plc recommends that Holders who hold Securities through Euroclear and Clearstream systems submit their instructions regarding the consent solicitation at least two business days prior to the Expiration Date so that instructions may be received in a timely manner.

Only holders of record of the Securities, which are persons in whose name a Security is registered or their duly designated proxies, on the record date may execute and deliver a consent. DTC is expected to grant an omnibus proxy authorizing DTC participants to deliver a consent. Accordingly, for the purposes of the consent solicitation, the reference to "holders" shall be deemed to mean DTC participants who held Securities through DTC as of the record date. In order to cause a consent to be given with respect to the Securities held through DTC, such DTC participant must complete and sign the Letter of Consent and mail or deliver it to the Information Agent at its address or facsimile number set forth on the back cover of this prospectus pursuant to the procedures set forth in this prospectus and in the accompanying Letter of Consent.

A beneficial owner of an interest in the Securities held through a DTC participant or another nominee (such as Euroclear or Clearstream) must complete and sign the Letter of Consent and deliver it to such nominee in order to cause a consent to be given by such nominee with respect to such Securities. Securities held through Euroclear and Clearstream are held through their respective DTC Participants. Holders should comply with the procedures established by Euroclear or Clearstream, as applicable, for the consent solicitation

Giving a consent will not affect a holder's right to sell or transfer the Securities. All consents received by the Information Agent prior to the Expiration Date will be effective notwithstanding a record transfer of such Securities subsequent to the record date.

Holders who wish to consent should mail, hand deliver or send by overnight courier or facsimile, confirmed by physical delivery, their properly completed and duly executed Letters of Consent to the Information Agent at the address or facsimile number set forth on the back cover of this prospectus in accordance with the instructions set forth in this prospectus and in the Letter of Consent. Consents should be delivered to the Information Agent and not to Carnival Corporation, Carnival plc, the Solicitation Agents or the Information Agent. All consents that are properly completed, signed and delivered to the Information Agent prior to the Expiration Date will be given effect.

Holders of the Securities should not tender or deliver the Securities at any time.

Consents by holders who are DTC participants must be executed in exactly the same manner as each such holder's name is registered with DTC. If a consent is signed by a trustee, partner, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, such person must so indicate when signing and must submit with the Letter of Consent appropriate evidence of authority to execute the consent. In addition, if a consent relates to less than the total principal amount of Securities or relates to only one series of Securities which such holder holds through DTC, the holder must list the series and principal amount of Securities that such holder holds through DTC to which the consent relates. If no series or aggregate principal amount of the Securities as to which a consent is delivered is specified, but the Letter of Consent is otherwise properly completed and signed, the holder will be deemed to have consented to the proposed amendments with respect to all Securities that such holder holds through DTC.

The registered ownership of a Security as of the record date shall be proved by the Trustee, as registrar of the Securities. The ownership of Securities held through DTC by DTC participants shall be established by a DTC security position listing as part of the omnibus proxy provided by DTC as of the record date. All questions as to the validity, form, eligibility, including time of receipt, and acceptance of any delivery of consents will be determined by Carnival plc, in its reasonable discretion, which determination will be conclusive and binding. Carnival plc reserves the right to reject any or all Letters of Consent determined by it not to be in proper form or the acceptance of which could, in the opinion of Carnival plc or its counsel, be unlawful. Carnival plc reserves the right to waive any defect or irregularity with regard to any particular Letter of Consent or revocations thereof. Unless waived, any defects or irregularities in connection with consents must be cured within such time as Carnival plc determines. None of Carnival plc, Carnival Corporation or any of their affiliates, the Solicitation Agents, the Information Agent, the Trustee or any other person shall be under any duty to give any notification of any such defects or irregularities or waiver, nor shall any of them incur any liability for failure to give such notification. Deliveries of Letters of Consent or revocations thereof will not be deemed to have been made until any irregularities of defects therein have been cured or waived. Carnival plc's interpretation of the terms and conditions of the consent solicitation shall be conclusive and binding. Consents shall be binding upon the successors, assigns, heirs and legal representatives of the persons delivering consents and the beneficial owners of Securities relating thereto.

Revocability of Consents

All properly completed and executed consents received prior to the Expiration Date will be counted, notwithstanding any transfer of the Securities to which such consent relates, unless the Information Agent receives from the holder who submitted the consent, or a subsequent holder which has received a proxy from the relevant holder, a written notice of revocation or a changed consent bearing a date prior to the Expiration Date and later than the date of the prior consent. A consent to the proposed amendments by a holder of the Securities will bind the holder and every subsequent

holder of such Securities or portion of such Securities, even if notation of the consent is not made on such Securities.

A transfer of the Securities after the record date must be accompanied by a duly executed proxy from the relevant holder if the subsequent transferee is to have revocation rights with respect to the consent to the proposed amendments.

Any holder of the Securities as to which a consent has been given may revoke such consent as to such Securities or any portion of such Securities, in integral multiples of US\$1,000, by delivering a written notice of revocation or a changed Letter of Consent bearing a date later than the date of the prior Letter of Consent with the Information Agent at any time prior to the Expiration Date.

To be effective, a notice of revocation must be in writing, must contain the name, address and DTC participant number of the holder, and the aggregate principal amount of the series of Securities to which it relates and must be signed in the same manner as the original Letter of Consent or signed by the transferee of the relevant Securities and accompanied by a duly executed proxy or other authorization from the relevant holder, in form satisfactory to Carnival plc. All revocations of consents must be sent to the Information Agent at its address set forth on the back cover of this prospectus.

To be effective, the revocation must be executed by the holder of such Securities in the same manner as the name of such holder appears on the books of the register maintained by the Information Agent or as set forth in DTC's position listing without alteration, enlargement or any change whatsoever. If a revocation is signed by a trustee, executor, administrator, guardian, attorney in fact, officer of a company or other person acting in a fiduciary or representative capacity, such person must indicate such fact when signing and must submit with the revocation appropriate evidence of authority to execute the revocation. A revocation of the consent will be effective only as to the Securities listed on the revocation and only if such revocation complies with the provisions of this prospectus and the Letter of Consent. Only a holder of the Securities on the record date is entitled to revoke a consent previously given. A beneficial owner of the Securities must arrange with the holder to execute and deliver on its behalf a revocation of any consent already given with respect to such Securities. A purported notice of revocation that is not received by the Information Agent in a timely fashion and accepted by Carnival plc as a valid revocation will not be effective to revoke a consent previously given.

A revocation of a consent may only be rescinded by the delivery of a written notice of revocation or the execution and delivery of a new Letter of Consent. A holder who has delivered a revocation may thereafter deliver a new Letter of Consent by following one of the described procedures at any time prior to the Expiration Date.

Prior to the Expiration Date, Carnival plc intends to consult with the Information Agent to determine whether the Information Agent has received any revocations of consents. Carnival plc reserves the right to contest the validity of any such revocations.

Conditions to the Consent Solicitation

Notwithstanding any other provision of the consent solicitation, Carnival plc will not be required to enter into the supplemental indenture and Carnival Corporation will not issue the guarantee if the conditions described in "Conditions to the Consent Solicitation and the Issuance of the Guarantee" are not satisfied

or waived by Carnival plc and Carnival Corporation.

Expiration Date; Extensions

The consent solicitation will expire at 5:00 p.m., New York City time, on Tuesday, July 15, 2003, or such other date to which Carnival plc extends the consent solicitation, in which case all references to the "Expiration Date" shall be deemed to be references to that later date. The Expiration Date will be at least 20 business days after the date of this prospectus in accordance with Rule 14e-1(a) under the

35

Exchange Act. Carnival plc reserves the right to extend the consent solicitation at any time and from time to time by giving oral notice, confirmed in writing, or written notice to the Trustee no later than 9:00 a.m., New York City time, on the next business day after the previously announced Expiration Date. Any notice of such an extension will be followed by a press release or other public announcement no later than 9:00 a.m., New York City time, on the next business day following the previously scheduled Expiration Date. Such announcement or notice may state that Carnival plc is extending the consent solicitation for a specified period of time or on a daily basis. Failure of any holder to receive such notice will not affect the extension of the consent solicitation.

Termination and Amendment of the Consent Solicitation

In the event that the consent solicitation is terminated, the consents will not be effective, whether or not a holder has delivered a consent on or prior to the Expiration Date. Subject to compliance with any applicable federal or state securities laws, including Rule 14e-1 under the Exchange Act, Carnival plc expressly reserves the right for any reason

- (1) to terminate or amend, waive or modify the terms of the consent solicitation, including to change the record date, at any time prior to the Expiration Date by giving oral, confirmed in writing, or written notice of such termination to the Trustee, and
- (2) to extend or not to extend the consent solicitation beyond the Expiration Date.

Similarly, Carnival Corporation reserves the right for any reason to terminate the offering of the guarantee and to amend, waive or modify the terms of the offering of the guarantee prior to the issuance of the guarantee. Any such action by Carnival Corporation will also be done in accordance with applicable federal or state securities laws, including Rule 14e-1 under the Exchange Act. Any action by Carnival plc under clause (1) above will be followed as promptly as practicable by press release or other public announcement or by written notice to the registered holders. Any notice of an extension of the consent solicitation will be by a press release or other public announcement no later than 9:00 a.m., New York City time, on the next business day following the previously scheduled Expiration Date.

The Solicitation Agents

Carnival plc and Carnival Corporation have retained each of Merrill Lynch & Co. and UBS Securities LLC as Solicitation Agents in connection with the consent solicitation. The Solicitation Agents will solicit consents and will receive customary fees and reimbursement for reasonable out-of-pocket expenses. Carnival plc and Carnival Corporation have agreed to indemnify the Solicitation Agents against certain liabilities and expenses in connection with the consent solicitation. At any given time, each of the Solicitation Agents may trade the Securities for its own accounts, or for the accounts of its customers, and accordingly, may hold a long or short position in the Securities.

Merrill Lynch & Co. and UBS Securities LLC, from time to time, have provided, and may continue to provide in the future, investment banking, general financing and banking services to Carnival Corporation and Carnival plc, for which they have received or will receive customary compensation from Carnival Corporation and Carnival plc. Merrill Lynch & Co. and UBS Securities LLC acted as financial advisors to Carnival Corporation in connection with the DLC transaction. Merrill Lynch & Co. and UBS Securities LLC have been engaged to act as Solicitation Agents, and neither Merrill Lynch & Co. nor UBS Securities LLC shall be deemed to have guaranteed, or be otherwise responsible for, the performance of any of Carnival plc's obligations in connection with the consent solicitation, of Carnival plc's obligations under the Securities or of Carnival Corporation's obligations under the guarantee.

36

The Information Agent

Carnival plc and Carnival Corporation have retained D.F. King & Co., Inc. as Information Agent to assist in responding to questions or requests for assistance in filling out and delivering the Letters of Consent or Instruction Letters or for additional copies of this prospectus, the Letter of Consent or the Instruction Letter and to receive and examine Letters of Consent and tabulate the consents delivered thereby. Carnival plc will pay the Information Agent customary fees, reimburse it for certain expenses and indemnify it against certain liabilities.

Requests for assistance in filling out and delivering Letters of Consent or Instruction Letters or requests for additional copies of this prospectus, the Letter of Consent or the Instruction Letter may be directed to the Information Agent at the telephone numbers or address set forth on the back cover of this prospectus.

DESCRIPTION OF THE AMENDED SECURITIES

The Securities were issued pursuant to the Indenture dated as of October 23, 2000 between Carnival plc, P&O Princess Cruises International Limited, referred to as the P&O Princess Guarantor in this section, and The Bank of New York, as Trustee. The following is a summary of some of the provisions of the Securities and the Indenture, as proposed to be amended by the supplemental indenture. This summary is not complete and may not cover information that you

may find important. Accordingly, this summary is subject to, and qualified in its entirety by reference to, the detailed provisions of the Indenture and the form of supplemental indenture. Please see the Indenture and the form of supplemental indenture which are exhibits to the registration statement containing this prospectus. You should read the Indenture and the form of supplemental indenture carefully and in their entirety because the Indenture and the form of supplemental indenture, and not this description, will define your rights as a holder of the Securities. You may obtain a copy of the Indenture and the form of supplemental indenture by request directed to the Information Agent. Also, for a description of the proposed amendments to the Indenture that highlight the difference between the proposed changes and the existing provisions of the Indenture, see Annex A—Proposed Amendments.

The following provisions will not be affected by the proposed amendments:

General

The Securities are direct, unsecured and unsubordinated obligations of Carnival plc and rank equally in right of payment with all other unsecured and unsubordinated obligations of Carnival plc. The notes will mature on June 1, 2007, and the debentures will mature on June 1, 2027.

The Securities will pay principal and pay interest in US dollars in immediately available funds. The notes bear interest at the rate of 7.30% per annum and the debentures bear interest at the rate of 7.875%, each from their date of issuance. Interest on the Securities is paid semi-annually on June 1 and December 1 in each year to the holders of the Securities as of the record date of the Securities, which is the close of business on the preceding May 15 and November 15, respectively (whether or not a business day). The Securities are not redeemable prior to their maturity, except that, under certain circumstances, the Securities may be redeemed, in whole but not in part, at a redemption price equal to 100% of their principal amount, together with interest thereon to the date fixed for redemption, if Carnival plc, the P&O Princess Guarantor or Carnival Corporation has been or would be required to pay certain additional amounts with respect to the Securities. See "—Additional Amounts" and "—Carnival Corporation Additional Amounts" below. In any case where the date of maturity of the principal of or interest on the Securities or the date fixed for redemption of the Securities falls on a Saturday, Sunday or a day on which banking institutions are closed, whether in London or New York City, then payment of principal, premium, or interest or additional amounts, if any, need not be made on that date at that place but may be made on the next succeeding day which is not, in London or New York City, a Saturday, Sunday, a legal holiday or a day on which banking institutions are authorized or obligated by law to close, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after that date. Interest in respect of any period of less than one year shall be calculated on the basis of a 360-day year of twelve 30-day months. The Securities are not be entitled to the benefit of any sinking fund.

Ranking

The guarantee and the Securities will be unsubordinated and unsecured obligations and will rank equal to all other existing and future unsubordinated, unsecured indebtedness of Carnival Corporation and Carnival plc, respectively. The Securities will be effectively subordinated to all secured indebtedness of Carnival Corporation, Carnival plc and P&O Princess Cruises International Limited and all indebtedness and other liabilities of all subsidiaries of Carnival Corporation and Carnival plc

that are not guarantors of the Securities. On a pro forma basis after giving effect to the DLC transaction, as of February 28, 2003, there would have been approximately \$6.0 billion of total indebtedness outstanding of Carnival Corporation & plc, based on the indebtedness of Carnival Corporation at February 28, 2003 and the indebtedness of Carnival plc at March 31, 2003. Of this amount, there would have been approximately \$1.1 billion of secured indebtedness of Carnival Corporation, Carnival plc and P&O Princess Cruises International Limited outstanding and approximately \$1.4 billion of indebtedness of non-guarantor subsidiaries outstanding, on a pro forma basis, based on the indebtedness of Carnival Corporation at February 28, 2003 and Carnival plc at March 31, 2003.

Payments

Payments of principal of, interest on and the redemption price (upon redemption at the option of Carnival plc) of the Securities are made to the Trustee as holder of the Securities. The Trustee makes all such payments to DTC by wire transfer of immediately available funds. Upon receipt by DTC of any such payment from the Trustee, DTC will credit its participants' accounts on the payment date therefore with payments in amounts proportionate to their respective ownership of book-entry Securities as shown on the records of DTC (adjusted as necessary so that such payments are made with respect to whole Securities only). Neither Carnival plc, the Trustee nor the paying agent has any responsibility or liability for any aspect of the records relating to or payments made on account of book-entry Securities.

None of Carnival plc, the Trustee, the paying agent, nor any of their respective agents have any responsibility for the performance by DTC or its participants or indirect participants, or by Euroclear or Clearstream and their respective participants, of their respective obligations under the rules and procedures governing any of their operations. DTC has advised Carnival plc that it will take any action permitted to be taken by a holder of beneficial interest in the Securities only at the direction of one or more participants to whose account Securities held by DTC are credited and only in respect of the principal amount of the Securities as to which that participant or participants has or have given such direction.

All payments are subject in all cases to any applicable laws and regulations, but without prejudice to the provisions of the Securities relating to the payment of additional amounts described below.

Carnival plc may vary or terminate the appointment of any paying agent or appoint additional or other paying agents or approve any change in the offices through which any paying agent acts, provided that, so long as the Securities are listed on the London Stock Exchange and the rules and regulations of such exchange so require, there will always be a paying agent in London. Any variation, termination, appointment or removal shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 90 days' prior notice thereof shall have been given to the holders of the Securities.

Optional Tax Redemption

Carnival plc may only redeem the Securities as provided in the following paragraph.

Carnival plc may redeem the notes and/or the debentures at its option or at the option of the P&O Princess Guarantor at any time, in whole but not in part, upon notice as described below, at a redemption price equal to 100% of the principal amount of the debentures and/or the notes, together with accrued interest to the date fixed for redemption, if any, if Carnival plc or the P&O Princess Guarantor determines that,

- as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United Kingdom (including any treaty to which the United

Kingdom is a party) or any political subdivision or taxing authority within the United Kingdom affecting taxation, or any change in official position regarding application or interpretation of such laws, regulations or rulings interpretation of those laws, regulations or rulings (including a holding by a court of competent jurisdiction), which change, amendment, application or interpretation becomes effective on or after the date of the Indenture, or

- as a result of certificated Securities issued as a consequence of
 - DTC being unwilling or unable to continue as, or ceasing to be, a clearing agency registered under the Exchange Act and a successor to DTC registered as a clearing agency under the Exchange Act is not able to be appointed by Carnival plc within 90 days or
 - the Trustee is unwilling or unable to continue as Trustee and a successor Trustee is not able to be appointed by Carnival plc within 90 days,

on the occasion of the next payment of principal or interest in respect of the notes and/or the debentures Carnival plc or the P&O Princess Guarantor would be obligated to pay additional amounts (including as a result of a deduction or withholding on payments made by the Trustee) and such obligation cannot be avoided by Carnival plc or the P&O Princess Guarantor, as the case may be, taking reasonable measures available to it. For this purpose, such reasonable measures does not include, where relevant, the issuance of certificated Securities at the option of Carnival plc to holders of book-entry Securities in lieu of redeeming the Securities under the circumstances set forth above, except in circumstances where the issuance of such certificated Securities would not require Carnival plc or the P&O Princess Guarantor to pay any additional amounts.

Prior to the giving of any notice of redemption of the Securities pursuant to the foregoing, Carnival plc will deliver to the Trustee an opinion of independent legal counsel (of recognized standing and selected by Carnival plc) stating that Carnival plc is entitled to effect the redemption, together with a certificate of Carnival plc setting forth a statement of facts showing that the conditions precedent to the right of Carnival plc so to redeem have occurred.

In the event that a corporation organized under the laws of a jurisdiction other than the United Kingdom or the United States or any political subdivision thereof assumes the obligations of Carnival plc or the P&O Princess Guarantor under the Securities pursuant to the terms and conditions of the Indenture, the party assuming Carnival plc's or the P&O Princess Guarantor's obligations will be entitled to redeem the Securities subject to the terms of the preceding paragraph, substituting the name of its jurisdiction of organization for the United Kingdom and the date it assumed Carnival plc's or the P&O Princess Guarantor's obligations for the date of the Indenture.

Carnival plc, or any third party assuming Carnival plc's obligations, will give notice of redemption of the Securities as provided above not less than 30 nor more than 60 days prior to the date fixed for redemption; provided that no notice of redemption will be given earlier than 60 days prior to the earliest date on which Carnival plc or the P&O Princess Guarantor would be required to pay additional amounts if a payment in respect of the Securities was then due, all as provided in the Indenture. Once Carnival plc, or any third party assuming Carnival plc's obligations, has given notice, the Securities will become irrevocably due and payable on the date fixed for redemption and will be paid the redemption price, together with accrued interest to the date fixed for redemption, at the place or places of payment and in the manner specified in the Securities.

From and after the redemption date, if money for the redemption of the Securities called for redemption has been made available, as provided in the Securities called for redemption, on the redemption date, the Securities called for redemption will cease to bear interest, and the only right of the holders of the Securities called for redemption will be to receive payment of the redemption price and all unpaid interest accrued to the date of redemption.

Additional Amounts

All payments of, or in respect of, principal and interest made by Carnival plc or the P&O Princess Guarantor in respect of any Security is made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the United Kingdom or by or within any political subdivision thereof or any authority therein having power to tax, unless such taxes, duties, assessments or governmental charges are required by law to be withheld or deducted. If any deduction or withholding for any present or future taxes, duties, assessments or other governmental charges of the United Kingdom (or any political subdivision or taxing authority within the United Kingdom) is at any time be required by the United Kingdom (or any political subdivision or taxing authority within the United Kingdom) in respect of the payment of any amounts by Carnival plc or the P&O Princess Guarantor on the Securities, Carnival plc or the P&O Princess Guarantor, as the case may be, will pay to a holder of a Security who is not a resident in the United Kingdom for UK tax purposes such additional amounts as may be necessary in order that the net amounts paid to such holder, after such deduction or withholding, is not less than the amounts specified in the Security affected to which its holder is entitled; provided, however, that no such payment of additional amounts to a holder will be required for or on account of:

- any tax, duty, assessment or other governmental charge which would not have been imposed, withheld or deducted but for
- the existence of any present or former connection between the holder or beneficial owner of a Security (or between a fiduciary, settler, beneficiary, member or shareholder or possessor of a power over, such holder or beneficial owner, if such holder or beneficial owner is an estate, trust, partnership or corporation) and the United Kingdom (or any political subdivision or territory or possession within the United Kingdom or area subject to its jurisdiction), including, without limitation, the holder or beneficial owner (or the fiduciary, settler, beneficiary, member, shareholder or possessor) being or having been domiciliary, national or resident thereof or being or having been present or engaged in trade or business therein or having or having had a permanent establishment, office, branch or fixed base therein or otherwise having or having had some connection with the United Kingdom (or such political subdivision, territory or possession of the United Kingdom or area subject to its jurisdiction) other than the holding or ownership of a Security or the collection of principal of and

interest, if any, on, or the enforcement of, a Security or

- the presentation of a Security, where presentation is required, for payment
 - in the United Kingdom or
 - on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later, except to the extent that the holder would have been entitled to the additional amounts if it had presented its Security for payment on any day within the 30 day period;
- any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;
- any tax, duty, assessment or other governmental charge which is payable otherwise than by withholding or deduction from payment of, or in respect of, principal of, or any interest on, the Securities;
- any tax, duty, assessment or other governmental charge that is imposed, deducted or withheld by reason of the failure to comply by the holder or the beneficial owner of a Security or the beneficial owner of any payment on the Security with a request of Carnival plc or the P&O

41

Guarantor addressed to the holder to provide information concerning the nationality, residence, identity or connection with the United Kingdom or any political subdivision or taxing authority thereof of the holder or such beneficial owner or to make any declaration or other similar claim to satisfy any information or reporting requirement, which in either case, is required or imposed by a statute, treaty, regulation, ruling or administrative practice of the taxing jurisdiction as a precondition to exemption from withholding or deduction of all or part of such tax, duty, assessment or other governmental charge;

- any tax, duty, assessment or other governmental charge which is payable in respect of any payments on a certificated Security issued at the request of the holder on or after the occurrence of an event of default, see "—Events of Default" below; or
- any combination of the above items;

nor will additional amounts be paid with respect to any payment of the principal of, or any interest on, any Security to any holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent the payment would be required by the laws of the United Kingdom (or any political subdivision or taxing authority within the United Kingdom) to be included in the income for tax purposes of a beneficiary or settler with respect to such fiduciary or a member of such partnership or to a beneficial owner who would not have been entitled to such additional amounts had it been the holder of the Security.

Defeasance

Carnival plc or the P&O Princess Guarantor may

- discharge any and all of its obligations in respect of the Securities, except for certain obligations to issue temporary Securities, to register certificated Securities, mutilated, lost or stolen Securities and to maintain paying agencies, and except for the right of the holders of the Securities to receive payments of principal, premium and interest and liquidated damages, if any, and the rights, obligations and immunities of the Trustee, referred to as "legal defeasance," or
- release any and all of its obligations with respect to certain covenants that are described in the Indenture, referred to as "covenant defeasance," and any omission to comply with such obligations will not constitute a default or event of default with respect to such Securities,

upon the deposit with the Trustee, in trust, of US dollars and/or obligations issued by the United States which though the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of (and premium and liquidated damages, if any) and each installment of interest on such Securities on the stated maturity of those payments or on a selected date of redemption or on the remaining dates in accordance with the terms of the Indenture and the Securities.

Such a trust may only be established for legal defeasance if, among other things, the Trustee has received an opinion of counsel

- to the effect that neither the trust nor the Trustee will be required to register as an investment company under the US Investment Company Act of 1940, as amended, and
- to the effect that the holders of such Securities will not recognize income, gain or loss for US federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to US federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit, defeasance and discharge had not occurred. This opinion of counsel must be based on either a private ruling of the US Internal Revenue Service concerning the Securities, a published ruling of the US Internal Revenue Service or a change in the applicable US federal income tax law.

42

Such a trust may only be established for covenant defeasance if, among other things, the Trustee has received an opinion of counsel to the effect that the holders of such Securities will not recognize income, gain or loss for US federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to US federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit, defeasance and discharge had not occurred.

Modification and Waiver

Modifications of and amendments to the Indenture may be made by Carnival plc, the P&O Princess Guarantor and the Trustee with the consent of the holders of at least a majority in aggregate principal amount of the outstanding notes or debentures, as the case may be; provided that no such modification, amendment, waiver or consent may, without the consent of each holder affected thereby,

- change the obligation of Carnival plc or the P&O Princess Guarantor to pay additional amounts (except as otherwise permitted by such Securities),
- impair the right to institute suit for the enforcement of any such payment on or after the stated maturity of such Securities,
- amend or modify the provisions relating to additional amounts,
- reduce the above-stated percentage of aggregate principal amount of the Securities outstanding necessary to modify or amend the Indenture or to waive any future compliance or past default,
- subordinate in right of payment, or otherwise subordinate, the Securities to any other indebtedness or obligation of Carnival plc, the P&O Princess Guarantor or any restricted subsidiary, as the case may be,
- waive a past default or an event of default in the payment of principal, premiums, interest and liquidated damages, if any, on the Securities (except a rescission of acceleration of the Securities by the holders of at least a majority in aggregate principal amount of the Securities and a waiver of the payment default that resulted from such acceleration), or
- any change in the foregoing amendment and waiver provisions.

Any modifications, amendments or waivers to the Indenture, the guarantee of the P&O Princess Guarantor or to the terms and conditions of the Securities will be conclusive and binding on all holders of the Securities, whether or not they have given consent, and on all future holders of the Securities, whether or not notation of such modification, amendments or waivers is made upon the Securities. Any instrument given by or on behalf of any holder of any Security in connection with any consent to any such modification, amendment or waiver will be irrevocable once given and will be conclusive and binding on all subsequent holders of the Security.

Carnival plc, the P&O Princess Guarantor and the Trustee may, upon agreement between themselves, without the vote or consent of any holder of notes or debentures, as the case may be,

modify, amend or supplement the Indenture, the guarantee of the P&O Princess Guarantor or such Securities for the purpose of

- providing for the assumption of Carnival plc's or the P&O Princess Guarantor's obligations to the holders in the case of a merger or consolidation or sale of substantially all its assets,
- complying with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the US Trust Indenture Act of 1939, as amended,
- surrendering any right or power conferred upon Carnival plc or the P&O Princess Guarantor,
- securing the Securities pursuant to the requirements of the Indenture, the Securities or otherwise,
- curing any ambiguity, defect or inconsistency contained in the Indenture or in the Securities in a manner which does not adversely affect the interest of any such holder in any material respect, or
- effecting any amendment which Carnival plc, the P&O Princess Guarantor and the Trustee may determine that would provide any additional rights or benefits to the holders or that will not adversely affect the interest of any such holder in any material respect.

The following provisions will be added and/or changed by the proposed amendments:

Carnival Corporation Additional Amounts

Carnival plc will cause all payments made by Carnival Corporation pursuant to the guarantee in respect of the Securities to be paid without deduction or withholding for any and all present and future taxes, levies, imposts or other governmental charges whatsoever imposed, assessed, levied or collected by or for the account of the Republic of Panama (or by or for the account of the jurisdiction of incorporation (other than the United States) of a successor corporation to Carnival Corporation, to the extent that such taxes become applicable as a result of the successor corporation becoming the obligor on the Securities) or any political subdivision or taxing authority thereof or therein or, if deduction or withholding of any such Panamanian taxes shall at any time be required by the Republic of Panama (or the jurisdiction of incorporation (other than the United States) of a successor corporation to Carnival Corporation) or any such subdivision or authority, Carnival plc shall cause Carnival Corporation to pay such additional amounts as may be necessary in order that the net amounts paid to

each holder pursuant to the terms of the supplemental indenture after such deduction or withholding shall equal the amounts then due and payable under the terms of this Agreement; provided, however, that the foregoing shall not apply to:

- any present or future Panamanian taxes which would not have been so imposed, assessed, levied or collected but for the fact that the holder or beneficial owner of such Security being or having been a domiciliary, national or resident of, or engaging or having been engaged in business or maintaining or having maintained a permanent establishment or being or having been physically present in, the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision or otherwise having or having had some connection with the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision other than the holding or ownership of a Security, or the collection of principal of and interest, if any, on, or the enforcement of, a Security,
- any present or future Panamanian taxes which would not have been so imposed, assessed, levied or collected but for the fact that, where presentation is required, such Security was presented for payment on a date more than thirty days after the date such payment became due and payable or was provided for, whichever is later, except to the extent that the holder would have been

44

entitled to such additional amounts if it had presented its Security for payment on any day within the 30 day period,

- any present or future Panamanian taxes which would not have been so imposed, assessed, levied or collected but for the failure to comply by the holder with a request of Carnival Corporation addressed to the holder to provide information concerning the nationality, residence, identity or connection with the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or any political subdivision or taxing authority thereof of the holder or beneficial owner of such Security or to make any declaration or other similar claim to satisfy any information or reporting requirement, which in either case, is required by statute or by rules or regulations of the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision or taxing authority as a precondition to relief or exemption from withholding or deduction of any Panamanian taxes,
- any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;
- any tax, duty, assessment or other governmental charge which is payable otherwise than by withholding or deduction from payment of (or in respect of) principal of, or any interest on, the Securities;
- any tax, duty, assessment or other governmental charge which is payable in respect of any payments on a certificated Security issued at the request of the holder on or after the occurrence of an event of default; or
- any combination of the above items;

nor will additional amounts be paid with respect to any payment of principal of, or any interest on, any Security to any holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent the payment would be required by the laws of the Republic of Panama or the jurisdiction of incorporation of a successor corporation to Carnival Corporation or any political subdivision or taxing authority thereof or therein to be included in the income for tax purposes of a beneficiary or settler with respect to such fiduciary or a member of such partnership or to a beneficial owner who would not have been entitled to such additional amounts had it been the holder of the Security.

Certain Covenants of Carnival plc

Limitations on Liens

The Securities provide that, for so long as any of the Securities remain outstanding, Carnival plc shall not and shall not permit Carnival Corporation or any subsidiary of which Carnival plc and/or Carnival Corporation owns, directly or indirectly, at least 80% of the subsidiary's voting shares, to create, incur, guarantee or assume any notes, bonds, debentures or other similar evidences of indebtedness for money borrowed, collectively referred to in this document as "debt," secured by a mortgage, pledge, security interest, lien or other similar encumbrance, referred to in this document as a "mortgage" or "mortgages," on any principal property or on any shares of stock or indebtedness of any restricted subsidiary, without effectively providing concurrently with the creation, incurrence, guarantee or assumption of such debt that the Securities (together with, if the relevant obligor so determines, any other debt of Carnival plc, Carnival Corporation or any of their respective subsidiaries, then existing or

45

thereafter created ranking equally with the Securities) will be secured equally and ratably with, or prior to, that debt, so long as that debt will be so secured, except that this restriction will not apply to:

 - mortgages on any property of Carnival plc, Carnival Corporation or any restricted subsidiary in favor of the federal government of the United States or the government of any state thereof or the government of the United Kingdom, or the European Union, or any instrumentality of any of them, securing the obligations of Carnival plc, Carnival Corporation or any of their subsidiaries pursuant to any contract or payments owed to such entity pursuant to applicable laws, rules, regulations or statutes,

mortgage or mortgages which would otherwise be subject to the foregoing restrictions in an aggregate amount which, together with all other such debt of Carnival plc, Carnival Corporation or of such subsidiary of Carnival plc or Carnival Corporation secured by a mortgage and Carnival Corporation & plc's attributable debt in respect of sale and leaseback transactions (other than attributable debt in respect of sale and leaseback transactions permitted because the relevant member of Carnival Corporation & plc would be entitled to create, incur, guarantee or assume such debt secured by a mortgage on the property to be leased without equally and ratably securing the Securities pursuant to the preceding paragraph and other than a sale and leaseback transaction the proceeds of which have

been applied within twelve months after its consummation to the net proceeds to the retirement or repayment of funded debt (as described in more detail in the third bullet point under "—Limitation on Sale and Leaseback Transactions" below)), does not at the time such debt is incurred exceed 20% of consolidated net tangible assets.

Limitations on Sale and Leaseback Transactions

The Securities provide that, for so long as any of the Securities remains outstanding, Carnival plc shall not and shall not permit Carnival Corporation or any subsidiary of which Carnival plc and/or Carnival Corporation owns, directly or indirectly, at least 80% of such subsidiary's voting shares, to enter into any arrangement with a third party, not including Carnival plc, Carnival Corporation or any of their respective subsidiaries, providing for the leasing by Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation for a period, including renewals, in excess of three years, of any principal property which has been owned by Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation for more than 270 days and which has been or is to be sold or transferred by Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation to the third party, referred to in this document as a "sale and leaseback transaction," unless, after giving effect thereto, the aggregate amount of all attributable debt with respect to all of these sale and leaseback transactions plus all the debt of Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation incurred, issued, assumed or guaranteed and secured by a mortgage or mortgages (with the exception of debt secured by a mortgage or mortgages on property that Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation would be entitled to create, incur, issue, guarantee or assume without equally and ratably securing the Securities pursuant to the provisions of the Securities referred to under "—Limitation on Liens" above) does not exceed 20% of consolidated net tangible assets. This restriction will not apply to any sale and leaseback transaction if

- Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation would be entitled to create, incur, issue, guarantee or assume debt secured by a mortgage or mortgages on the principal property to be leased without equally and ratably securing the Securities pursuant to the provisions of the Securities referred to under "—Limitations on Liens" above,
- within a period commencing twelve months prior to the consummation of the sale and leaseback transaction and ending twelve months after the consummation of such sale and leaseback transaction, Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation has expended or will expend for any principal property (including capital improvements thereon) an amount equal to
 - the net proceeds or
 - the part of the net proceeds which Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation has elected not to apply in the manner described in the following clause; or
- Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation, within twelve months after the consummation of any sale and leaseback transaction, applies an amount equal to the net proceeds (less any amount expended for principal property under the immediately preceding clause) to the retirement or repayment of funded debt of Carnival plc, Carnival Corporation or such subsidiary of Carnival plc or Carnival Corporation ranking equally in right of payment with the Securities or funded debt of a subsidiary of Carnival Corporation or Carnival plc. No retirement referred to in this clause may be effected by payment at maturity or pursuant to any mandatory sinking fund or prepayment provision (unless such repayment is required due to the receipt of the net proceeds).

For the purposes of these covenants and events of default discussed below, terms set forth below have the following meanings:

"*attributable debt*" means, as to any lease in respect of a sale and leaseback transaction, as of the date of determination, the lesser of

- the fair value of the property subject to the sale and leaseback transaction (as determined by the board of directors of Carnival plc) and
- the present value (discounted at a rate equal to the weighted average of the rate of interest on all Securities then issued and outstanding under the Indenture, compounded semi-annually) of the total amount of rent required to be paid under such lease during the remaining term thereof, including any period for which such lease has been extended. Such rental payments will not include amounts payable by or on behalf of the lessee on account of maintenance and repairs, crewing/manning, insurance, taxes, assessments, water rates and similar charges.

"*Carnival 10-Ks*" means the annual reports on Form 10-K of Carnival Corporation (or any successor or equivalent form thereto).

"*Carnival Corporation & plc company*" means any of Carnival Corporation, Carnival plc and any of their respective subsidiaries.

"*consolidated net tangible assets*" means the aggregate amount of total assets of Carnival Corporation & plc after deducting therefrom (i) all current liabilities and (ii) all goodwill, trade names, trademarks, patents and other like intangible assets, as shown in the latest Carnival 10-K (reflecting Carnival Corporation & plc) provided that with respect to any calculation made prior to the availability of the Carnival 10-K for the year ending November 30, 2003, such amount may be calculated based upon the pro forma combined balance sheet of Carnival Corporation and Carnival plc as of November 30, 2002, as filed with the Commission.

"funded debt" means any indebtedness which by its terms or by the terms of any instrument or agreement relating thereto matures, or which is otherwise payable or unpaid, more than one year from, or is directly or indirectly renewable or extendible at the option of the debtor to a date more than one year from, the date of creation thereof.

"net proceeds" means the greater of (1) the net proceeds received by Carnival plc, Carnival Corporation or any restricted subsidiary from a transaction described in "—Limitation on Sale and Leaseback Transactions" and (2) the fair market value of the principal property so sold at the time of entering into such transaction, as determined by the Board of Directors of Carnival plc.

"person" means any individual, corporation, partnership, limited liability company, joint venture, association, joint-stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

"principal property" means (i) any ship or real estate property, owned or leased by a Carnival Corporation & plc company which has a net book value exceeding the greater of \$25,000,000 or 0.5% of the consolidated net tangible assets, and (ii) any shares of capital stock of any Carnival Corporation & plc company owning any of these ships or real estate properties.

"restricted subsidiary" means any subsidiary of Carnival plc or Carnival Corporation (including any newly acquired or newly formed subsidiary of Carnival Corporation or Carnival plc) which owns a principal property.

Events of Default

An event of default will occur under the notes or the debentures, as the case may be, in the following events;

- (1) default in any payment when due of principal of any of the notes or the debentures, as the case may be;
- (2) default in payment of any installment of interest, liquidated damages or additional amounts for a period of 30 days after the date when due;
- (3) default in performance of any other covenant of Carnival plc or the P&O Princess Guarantor in the Indenture of the guarantee continued for 90 days after appropriate notice;
- (4) default under any bond, debenture, note or other evidence of indebtedness for money borrowed by Carnival plc, Carnival Corporation or any principal subsidiary having an aggregate principal amount outstanding of the greater of £25,000,000 or 0.5% of consolidated net tangible assets (or their respective equivalents in any other currency) or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by Carnival plc or any principal subsidiary, whether such indebtedness now exists or will hereafter be created which default will have resulted in such indebtedness of the greater of £25,000,000 or 0.5% (or their respective equivalents in any other currency) of consolidated net tangible assets becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such indebtedness having been discharged, or such acceleration having been rescinded or annulled, within a period of 30 days after written notice is provided to Carnival plc;
- (5) certain events of bankruptcy, insolvency or reorganization relating to either Carnival plc, Carnival Corporation or the P&O Princess Guarantor (under bankruptcy, insolvency or similar laws), including certain involuntary events of bankruptcy, insolvency or reorganization that are not cured;

provided, however, that it will not be an event of default under clause (4) if the bond, debenture, note or other evidence of indebtedness in question is the subject of non-recourse financing arrangement under which the lender's right of recourse is limited to a specific asset of the relevant member of the group and there is no further recourse by the relevant creditor against the general assets of Carnival plc, Carnival Corporation, the P&O Princess Guarantor or a principal subsidiary; and provided, further, that it will not be an event of default under clause (5) if the event in question relates solely to property of Carnival plc, Carnival Corporation, the P&O Princess Guarantor or a subsidiary of Carnival plc or Carnival Corporation that is the subject of a non-recourse financing arrangement described in the previous proviso, and if such event does not, directly or indirectly, give further recourse by the relevant creditor to the general assets (or any other property) of Carnival plc, Carnival Corporation, the P&O Princess Guarantor or a principal subsidiary.

If an event of default occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the notes or debentures, as the case may be, then outstanding by written notice to Carnival plc (and to the Trustee if such notice is given by the holders), may declare the notes or debentures, as the case may be, to be immediately due and payable at 100% of the principal amount thereof, plus premium, accrued and unpaid interest thereon and liquidated damages, if any, to the date of such declaration. Upon a declaration of acceleration, such principal, premium and accrued interest and liquidated damages, if any, shall be immediately due and payable. Notwithstanding the foregoing, if a voluntary event of bankruptcy, insolvency or reorganization (under bankruptcy, insolvency or similar laws) with respect to Carnival plc or the P&O Princess Guarantor occurs, the Securities will be

immediately due and payable without any declaration or other act on the part of the holders of the Securities.

The holders of at least a majority in principal amount of the outstanding notes or debentures, as the case may be, by written notice to Carnival plc and to the Trustee may waive all past defaults and rescind and annul a declaration of acceleration and its consequences if, in addition to certain other covenants,

- all existing events of default, other than the nonpayment of principal, premium and accrued interest and liquidated damages, if any, on the notes or debentures, as the case may be, that have become due solely by such declaration or occurrence of acceleration, have been cured or waived, and
- the rescission would not conflict with any judgment, decree or order of a court of competent jurisdiction.

The holders of at least a majority in aggregate principal amount of the outstanding notes or debentures, as the case may be, by notice to the Trustee, may waive an existing default or event of default and its consequences under the Indenture except a default in the payment of principal, premium and accrued interest and liquidated damages, if any, on the notes or the debentures, as the case may be, or in respect of a covenant or provision of the Indenture that cannot be modified or amended without the consent of the holder of each outstanding note or debenture affected.

The holders of at least a majority in aggregate principal amount of the outstanding notes or debentures, as the case may be, may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of holders of the notes or the debentures, as the case may be, not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from holders of the notes or the debentures. A holder may not pursue any remedy with respect to the Indenture or the notes or the debentures, as the case may be, unless:

- the holder gives the Trustee written notice of a continuing event of default;
- the holders of at least 25% in aggregate principal amount of outstanding notes or debentures, as the case may be, make a written request to the Trustee to pursue the remedy;
- such holder or holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense (including the reasonable fees and expenses of its counsel);
- the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- during such 60-day period, the holder of a majority in aggregate principal amount of the outstanding notes or debentures, as the case may be, do not give the Trustee a direction that is inconsistent with this request.

However, such limitations do not apply to the right any holder of a note or a debenture to receive payment of the principal and accrued interest on such note or debenture or to bring suit for the enforcement of any such payment, on or after the due date expressed in the notes or the debentures, as the case may be, which right shall not be impaired or affected without the consent of such holder.

For the purposes of this section, terms set forth below have the following meanings:

"principal subsidiary" means a subsidiary of Carnival plc or Carnival Corporation

- whose relevant total assets are 10% or more of consolidated relevant total assets or
- whose operating revenue is 10% or more of consolidated operating revenue.

"relevant total assets" means, in relation to a subsidiary of Carnival plc or Carnival Corporation, its total assets, less the aggregate of all receivables due from other Carnival Corporation & plc companies and all intangible assets (including, without limitation, goodwill), as shown as of the end of the most recent fiscal year in its latest annual audited or unaudited, as the case may be, unconsolidated balance sheet from time to time.

"consolidated relevant total assets" means Carnival Corporation & plc's total assets less all intangible assets (including, without limitation, goodwill) as of the end of the most recent fiscal year as shown in the audited consolidated balance sheet contained in the latest Carnival 10-K (reflecting Carnival Corporation & plc) provided that with respect to any calculation made prior to the availability of the Carnival 10-K for the year ending November 30, 2003, such amount shall be calculated based upon the pro forma combined balance sheet of Carnival Corporation and Carnival plc as of November 30, 2002 as filed with the Commission.

"operating revenue" means, in relation to a subsidiary, its total revenue for the most recent fiscal year as shown in such entity's latest audited or unaudited, as the case may be, unconsolidated accounts.

"consolidated operating revenue" means Carnival Corporation & plc's total revenue for the most recent fiscal year as shown in the audited consolidated accounts contained in the latest Carnival 10-K (reflecting Carnival Corporation & plc) provided that with respect to any calculation made prior to the availability of the latest Carnival 10-K for the year ending November 30, 2004, such amount shall be calculated based upon the pro forma combined statement of operations of Carnival Corporation and Carnival plc for the year ended November 30, 2002 or the year ended November 30, 2003, as available and filed with the Commission or otherwise provided to the Trustee by Carnival plc.

Consolidation, Merger and Sale of Assets; Assumption of Obligations

Under the Securities and the Indenture, Carnival plc or the P&O Princess Guarantor may consolidate with or merge into any other corporation, or sell, convey or transfer all or substantially all of its assets, to any other person, without the consent of the holders of the Securities, provided that the purchasing or transferee corporation or the successor, continuing or resulting corporation in the case of a merger or consolidation (if Carnival plc or the P&O Princess Guarantor, as the case may be, is not the surviving corporation), as the case may be:

- is an entity in an European Union member state, an Organization for Economic Co-operation and Development member nation, or a European Free Trade Association member nation, in each case other than Greece, Lichtenstein, Mexico or Turkey;
- expressly assumes, by an amendment to the Indenture and the Securities or the guarantee, as the case may be, pursuant to the Indenture, the obligations of Carnival plc or the P&O Princess Guarantor, as the case may be, under the Indenture and the Securities or the guarantee, as the case may be, and the due and punctual performance and observance of all the covenants and conditions to be performed or observed by Carnival plc or the P&O Princess Guarantor, as the case may be, pursuant to the Indenture and the Securities or the guarantee, as the case may be;
-

substituting the name of the foreign jurisdiction for the United Kingdom in each place that it appears therein. It will be a condition to any consolidation, merger, sale of assets or assumption under this section that immediately after giving effect to such consolidation, merger, sale of assets or assumption no event of default (and no event which, after notice or lapse of time or both, would become an event of default) will have occurred and be continuing.

Notwithstanding the foregoing, if the guarantee issued by Carnival Corporation is in effect immediately prior to a consolidation, merger, sale, conveyance, transfer or other disposition of assets and such transaction is not prohibited by the agreements relating to the DLC transaction, in the case of

- any merger or consolidation by Carnival plc, the P&O Princess Guarantor or any restricted subsidiaries with Carnival Corporation or any of its subsidiaries,
- any sale, conveyance, transfer or other disposition of assets by Carnival plc, the P&O Princess Guarantor or any restricted subsidiaries to Carnival Corporation or any of its subsidiaries,

the first bullet point under this section shall be deemed to have been satisfied.

Carnival plc will not lease all or substantially all of its assets to any person.

An assumption by any person of the obligations of Carnival plc, the P&O Princess Guarantor or Carnival Corporation under the Securities might be deemed, for US federal income tax purposes, to be an exchange of the Securities by the holders thereof for other securities resulting in the recognition by such holders of gain or loss for US federal income tax purposes and possibly other adverse US tax consequences.

DESCRIPTION OF THE GUARANTEE

In return for consents to the proposed amendments to the Indenture, Carnival Corporation is offering to guarantee Carnival plc's obligations under the Securities and the Indenture on an unsubordinated, unsecured basis. Carnival Corporation will guarantee these obligations by entering into a separate agreement relating to its deed of guarantee, which Carnival plc and Carnival Corporation executed at the closing of the DLC transaction. At the closing of the DLC transaction, Carnival plc and Carnival Corporation also executed a separate deed of guarantee reciprocal to Carnival Corporation's, under which Carnival plc guaranteed specified obligations of Carnival Corporation's creditors. The following description is a summary of the material provisions of the guarantee. The summary is not complete and may not cover information that you may find important. Accordingly, this summary is subject to, and qualified in its entirety by reference to, the detailed provisions of the deed of guarantee and the form of the agreement relating to the deed of guarantee to be entered into upon the successful completion of the consent solicitation. Please see Carnival Corporation's deed of guarantee and the form of the agreement relating to the deed of guarantee, which are exhibits to the registration statement containing this prospectus. You should read Carnival Corporation's deed of guarantee and the form of the agreement relating to the deed of guarantee and the form of supplemental deed carefully and in their entirety because it, and not this description, defines your rights under the guarantee.

Form of Guarantee

The guarantee will be offered in uncertificated form, subject to the satisfaction or waiver of the conditions described in "Conditions to the Consent Solicitation and the Issuance of the Guarantee." It will not be necessary for new certificates evidencing the Securities to be issued.

Obligations Guaranteed

Under Carnival Corporation's deed of guarantee, Carnival Corporation has fully, unconditionally and irrevocably undertaken and promised to Carnival plc that Carnival Corporation will, as a continuing obligation, make to the creditor to whom or to which it is owed the proper and punctual payment of each of the following obligations, following written demand on the relevant primary obligor, if for any reason Carnival plc does not make such payment on the relevant due date:

- any contractual monetary obligations owed to creditors of Carnival plc incurred under an agreement entered into after completion of the DLC transaction;
- any contractual monetary obligations of other persons, referred to as principal debtors, which are guaranteed by Carnival plc and incurred under an agreement entered into after completion of the DLC transaction; and
- any other obligation of any kind that may be agreed in writing between Carnival Corporation and Carnival plc.

Carnival Corporation's deed of guarantee provides that the creditors to whom Carnival plc's obligations are owed are intended third party beneficiaries of Carnival Corporation's deed of guarantee. Subject to protective procedures for existing and new beneficiaries of Carnival Corporation's guarantee, Carnival plc and Carnival Corporation may exclude obligations from coverage under the guarantee by agreement, as described below under "—Exclusions from the Guarantee." In order to impose the guarantee offered under this prospectus, Carnival plc and Carnival Corporation will agree under a separate agreement relating to the deed of guarantee that each series of the Securities is among those obligations to be covered by Carnival Corporation's deed of guarantee.

Should any obligation not be recoverable from Carnival Corporation as a result of the obligation becoming void, voidable or unenforceable against Carnival plc, Carnival Corporation also has agreed

that it will, as sole, original and independent obligor, make payment on such obligation by way of a full indemnity. Unless otherwise provided in the guarantee, Carnival Corporation's liabilities and obligations under the guarantee will remain in force notwithstanding any act, omission, neglect, event or matter which would not affect or discharge the liabilities of Carnival plc owed to the relevant creditor, including, without limitation:

- anything which would have discharged Carnival Corporation, wholly or in part, but not Carnival plc;
- anything which would have offered Carnival Corporation, but not Carnival plc, any legal or equitable defense; and
- any winding-up, insolvency, dissolution and/or analogous proceeding of, or any change in constitution or corporate identity or loss of corporate identity by, Carnival plc or any other person or entity.

In the event that Carnival Corporation is required under the guarantee to make a payment to a creditor, Carnival plc will reimburse Carnival Corporation for those payments.

Exclusions from the Guarantee

Carnival plc and Carnival Corporation may, by entering into a supplemental deed of guarantee and by giving the required notice, exclude from the scope of the guarantee obligations of a particular type, or a particular obligation or obligations, incurred after a specified date. The specified date must be:

- in the case of obligations of a particular type, at least three months after the date on which notice of the relevant exclusion is given, or
- in the case of a particular obligation, at least five business days, or such shorter period as the relevant creditor may agree, after the date on which notice is given to the relevant creditor.

However, no such agreement or exclusion shall be effective with respect to any obligation incurred before, or arising out of, any credit or similar facility available for use at, the time at which the relevant agreement or exclusion becomes effective. Therefore, under this provision Carnival Corporation and Carnival plc would not be able to exclude the Securities or the Indenture from the scope of the guarantee after the guarantee becomes effective with respect to the Securities without the consent of the Trustee and the requisite holders of the Securities.

No Defense, Set-off and Counterclaim

In respect of any claim against Carnival Corporation by a creditor under the guarantee, Carnival Corporation will not have available to it:

- by way of defense or set-off, any matter that arises from or in connection with the guarantee, and which would have been available to Carnival Corporation by way of defense or set-off if the proceedings had been brought against Carnival Corporation by Carnival plc,
- by way of defense or set-off, any matter that would have been available to Carnival Corporation by way of defense or set-off against a creditor if the creditor had been a party to the guarantee, or
- by way of counterclaim any matter not arising from the guarantee that would have been available to Carnival Corporation by way of counterclaim against a creditor if the creditor had been a party to the guarantee.

Governing Law and Jurisdiction

Carnival Corporation's deed of guarantee and the agreement relating to the deed of guarantee are governed and construed in accordance with the laws of the Isle of Man. All actions or proceedings arising out of or in connection with Carnival Corporation's deed of guarantee and the agreement relating to the deed of guarantee must be exclusively brought in courts in England. In addition, the issuance of the guarantee will not affect the governing law of the Securities and the Indenture, which will continue to be governed by the laws of the State of New York. The jurisdictional provisions contained in the Securities and the Indenture will also be unaffected by the guarantee. It is therefore likely that the governing law and the jurisdiction in which actions may be brought in respect of the guarantee will be different from those for the Securities and the Indenture. See "Risk Factors—Risks Relating to the Guarantee—Carnival Corporation's guarantee is governed by the laws of a foreign jurisdiction, and an action to enforce the guarantee must be brought in the courts of England."

Termination

No termination of Carnival Corporation's deed of guarantee will be effective with respect to any obligation under the guarantee incurred before, or arising out of, any credit or similar facility available for use at, the time at which the termination becomes effective. Therefore, if the guarantee becomes effective with respect to the Securities and the Indenture, the termination provisions described below will not apply to the Securities or the Indenture without the consent of the Trustee and the requisite holders of the Securities.

Subject to that limitation, the guarantee will terminate:

- automatically upon the termination or the discontinuance of effectiveness of the equalization and governance agreement, which was entered into by Carnival Corporation and Carnival plc at the closing of the DLC transaction and is the primary agreement governing the ongoing relationship between Carnival Corporation and Carnival plc as a dual listed company operating as a single economic entity,
- automatically upon the termination or discontinuance of effectiveness of the Carnival plc deed of guarantee, or
- on such future date as Carnival Corporation may determine with the giving of three months' notice following Carnival plc consenting to such termination, although Carnival plc's consent shall not be required if prior to the date of such notice a resolution is passed or an order is made for

Amendment

Carnival Corporation and Carnival plc may amend Carnival Corporation's deed of guarantee by entering into a supplemental deed. However, no amendment of the deed of guarantee will be effective with respect to any obligation under the guarantee incurred before, or arising out of, any credit or similar facility available for use at, the time at which the amendment becomes effective. Therefore, if the guarantee becomes effective with respect to the Securities and the Indenture, no such amendment may become effective without the consent of the Trustee and the requisite holders of the Securities.

56

CONDITIONS TO THE CONSENT SOLICITATION AND THE ISSUANCE OF THE GUARANTEE

Carnival plc will not be required to enter into the supplemental indenture, and Carnival Corporation will not be required to issue the guarantee if:

- (a) the Trustee does not receive valid and unrevoked consents to the proposed amendments from holders as of the record date of a majority of the principal amount of each series of Securities prior to the Expiration Date;
- (b) there exists a "Default" or an "Event of Default" under the Indenture or the Securities;
- (c) there shall have been instituted, threatened, enacted, entered, promulgated or enforced or shall be pending any claim, action, order, rule, statute, regulation, stay, decree, injunction or other proceeding before, of or by any court, governmental, regulatory or administrative agency or instrumentality, or by any other person, in connection with the consent solicitation or the issuance of the guarantee, that in any case:
 - challenges, delays, restricts or makes illegal the issuance of the guarantee or the consent solicitation,
 - may prevent, delay or impair the effectiveness of the guarantee, the supplemental indenture or the proposed amendments, or
 - would or might prohibit, prevent, restrict or delay completion of the issuance of the guarantee or the consent solicitation;
- (d) the Trustee under the Indenture shall have objected in any respect to or taken any action that could, in the reasonable judgment of Carnival Corporation or Carnival plc, adversely affect the effectiveness of any of the supplemental indenture, the proposed amendments or the guarantee or shall have taken any action that challenges the validity or effectiveness of the procedures used by Carnival plc in soliciting the consents, including the form thereof, or in the effort of Carnival Corporation to make the offer of the guarantee or the issuance of the guarantee; or
- (e) there shall have occurred and be continuing:
 - any general suspension of, or limitation on prices for, trading in securities on any national securities exchange or in the over-the-counter market,
 - a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States or abroad,
 - any limitation, whether or not mandatory, by any government or governmental, administrative or regulatory authority or agency, domestic or foreign, or other event that, in the reasonable judgment of Carnival Corporation or Carnival plc, might affect the extension of credit by banks or other lending institutions, or
 - a material acceleration or worsening of, a commencement or escalation of, a war or armed hostilities or other national or international calamity directly or indirectly involving the United States.

In addition to the above conditions, Carnival Corporation will not be required to issue the guarantee if:

- (a) Carnival plc terminates the consent solicitation for the Securities; or
- (b) the supplemental indenture has not been validly entered into.

57

The above conditions are for Carnival Corporation's and Carnival plc's sole benefit and may be asserted by either regardless of the circumstances giving rise to such condition or may be waived by Carnival Corporation or Carnival plc in whole or in part at any time and from time to time in Carnival Corporation's and/or Carnival plc's sole discretion.

If any condition to the consent solicitation or the offering of the guarantee is not satisfied or waived by Carnival plc or Carnival Corporation prior to the Expiration Date or the issuance of the guarantee, Carnival plc and Carnival Corporation reserve the right, but are not obligated, subject to applicable law:

-

to terminate the consent solicitation or the offering of the guarantee, as applicable,

- to waive all unsatisfied conditions, or
- to amend, modify or waive the terms of the consent solicitation or the offering of the guarantee, as applicable.

Any such action to terminate, waive or amend the terms of the consent solicitation or the offering of the guarantee will be done in accordance with any applicable federal or state securities laws, including Rule 14e-1 under the Exchange Act. See "Description of the Consent Solicitation—Termination of the Consent Solicitation."

Any determination by Carnival Corporation or Carnival plc concerning any of the above events shall be final and binding upon all persons.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following discussion is a general summary of material US federal income tax consequences applicable to a US holder of Securities as a result of the consent solicitation and the adoption of the proposed amendments and is included herein for general information only. This summary is based upon existing US federal income tax law, including the Internal Revenue Code of 1986, as amended, administrative pronouncements, judicial decisions and US Treasury regulations, as in effect as of the date hereof, all of which are subject to change, possibly with retroactive effect.

This summary assumes that the Securities are held as capital assets as defined in Section 1221 of the Internal Revenue Code, in the hands of US holders at all relevant times. This summary does not discuss all aspects of US federal income taxation that may be applicable to holders of Securities nor does it address any aspects of foreign, state or local taxation. Furthermore, this summary does not discuss all the tax consequences that may be relevant to a US holder in light of such holder's particular circumstances, nor to US holders subject to special rules including certain financial institutions, regulated investment companies, insurance companies, dealers in securities or currencies, tax-exempt organizations, persons who hold Securities as part of a position in a "straddle" or "appreciated financial position" or as part of a "hedging" or "conversion" transaction or other integrated transaction, persons engaged in a trade or business in the US or persons who have ceased to be US citizens or to be taxed as resident aliens, and US holders whose functional currency is not the US dollar. No advance income tax ruling has been sought or obtained from the IRS with respect to the tax consequences described below and, as a result, there can be no assurance that the IRS will not disagree with or challenge any of the conclusions described herein.

"US holder" means a holder of Securities who or that is for US federal income tax purposes:

- a citizen or resident of the United States,
- a corporation or other entity taxable as a corporation organized under the laws of the United States or any political subdivision of it, including the States and the District of Columbia,
- an estate the income of which is subject to US federal income taxation regardless of its source,
- a trust if a court within the US is able to exercise primary jurisdiction over its administration and one or more US persons have authority to control all substantial decisions of the trust, or
- any other person that is subject to US federal income tax on its worldwide income.

This summary does not discuss any US federal income tax consequences applicable to holders that are not US holders.

The following discussion is for general information only and is not intended to be, nor should it be construed to be, legal or tax advice to any holder of Securities and no opinion or representation with respect to the US federal income tax consequences to any such holder is made. Holders of Securities are urged to consult their tax advisors with respect to the US federal, state and local tax consequences, the foreign tax consequences and the non-tax consequences to them as a result of the consent solicitation and the adoption of the proposed amendments.

The US federal income tax consequences to a US holder of Securities of the consent solicitation and the proposed amendments will depend on whether the modification to the Securities effected by such transactions is treated as a "significant modification" within the meaning of the applicable US Treasury regulations promulgated pursuant to Section 1001 of the Internal Revenue Code. If the consent solicitation and the proposed amendments are determined to constitute a significant modification, such transactions will be treated, for US federal income tax purposes, as a constructive

exchange of the Securities for new debt instruments having modified terms, pursuant to which a US holder of Securities may become subject to the following:

- recognition of gain or loss, for US federal income tax purposes, in an amount equal to the difference, if any, between the amount realized by such holder in the constructive exchange and the US holder's adjusted tax basis in the Securities deemed to be exchanged;
- having a holding period in the new debt instruments that are deemed to be received pursuant to such constructive exchange that would begin on the day after the constructive exchange; and
- having a tax basis in the new debt instruments that are deemed to be received pursuant to such constructive exchange equal to the amount realized by such holder in the constructive exchange.

It is also possible that any new debt instruments received by a US holder pursuant to such a constructive exchange may be considered to be issued with original issue discount that exceeds a *de minimis* amount. If, however, the consent solicitation and the proposed amendments are determined not to constitute a significant modification of the Securities for these purposes, no such constructive exchange will occur.

The US Treasury regulations provide that the addition, deletion or alteration of customary accounting or financial covenants relating to a debt instrument does not give rise to a significant modification of that debt instrument. Whether any or all of the covenants that are proposed to be amended pursuant to the proposed amendments are customary is a question of fact. Carnival plc believes, and intends to take the position, that the covenants proposed to be amended are customary or otherwise not economically significant and, consequently, that the adoption of the proposed amendments should not result in a constructive exchange of the Securities for US federal income tax purposes. The IRS may take a contrary position.

In addition, the US Treasury regulations provide that the addition of a guarantee on a recourse debt instrument will give rise to a significant modification of such debt instrument only if the addition of such guarantee results in a substantial enhancement of the obligor's capacity to meet the payment obligations under the debt instrument and that capacity was primarily speculative prior to the modification and is adequate after the modification. Carnival plc believes that their capacity to meet their obligations under the Securities is not primarily speculative at this time and, consequently, that the addition of Carnival Corporation's guarantee should not result in a constructive exchange of the Securities for US federal income tax purposes.

Consequently, although the issue is not free from doubt, the adoption of the proposed amendments and the addition of the guarantee should not constitute a "significant modification" of the Securities within the meaning of the applicable US Treasury regulations promulgated pursuant to Section 1001 of the Internal Revenue Code. It should be noted that there is no authority directly on point that discusses the tax consequences of the adoption of the proposed amendments, and the IRS or a court could disagree with this determination and seek to impose different tax consequences on US holders as compared with the tax consequences discussed above.

US holders should consult their own tax advisors regarding the US federal income tax consequences of the consent solicitation and proposed amendments, in particular the consequences if the consent solicitation and proposed amendments were determined to constitute a constructive exchange of the securities for new securities.

MATERIAL UNITED KINGDOM TAX CONSIDERATIONS

The following is a summary of the current law and practice in the United Kingdom relating to material aspects of the UK taxation of the Securities and the effect of the proposed amendments in relation to the Securities. This summary does not purport to be a complete analysis or listing of all the potential UK tax consequences of the consent solicitation and proposed amendments. Except for the general statement concerning the European Union Savings Directive, it relates only to US holders, as defined below, who are the absolute beneficial owners of the Securities and does not deal with specific situations, such as those of dealers in Securities or where the interest on the Securities is, for UK tax purposes, deemed to be the income of any other person. The statements regarding UK tax set out below are based on current UK tax law and Inland Revenue practice at the date of this prospectus. These statements do not constitute tax advice and holders are recommended to obtain advice on their own particular circumstances.

"US holder" means a beneficial holder of Securities that:

- is a resident of the United States for the purposes of both the convention between the government of the United Kingdom and Northern Ireland and the government of the United States of America for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and gains that entered into force on April 25, 1980 and the new convention that entered into force on March 31, 2003;
- is not, nor has ever been resident or ordinarily resident in the UK for tax purposes; and
- does not, and has never carried on, a trade, profession, business or vocation through a branch, agency or permanent establishment situated in the UK; and
- does not perform independent personal services in the UK from a fixed base situated therein.

Consequences of Accepting the Proposed Amendments to the Terms of the Securities

Based on the above assumptions, no charge to UK income tax, capital gains tax or corporation tax should arise to US holders as a consequence of the proposed amendments to the terms of the Securities.

Interest on the Securities

The proposed amendments to the terms of the Securities should have no effect on the UK withholding tax treatment of any interest payable on the Securities. UK withholding tax, including such withholding or deduction on account of tax by issuers, paying agents and collecting agents, was abolished in relation to interest payments made, or in the case of collecting agents received, in respect of Securities listed on a "recognised stock exchange" as defined in section 841 of the UK Income and Corporation Taxes Act 1988. In the case of the Securities, this condition will be satisfied for so long as the Securities are admitted to listing on the Official List of the UK Listing Authority and to trading on the London Stock Exchange. If the Securities remain admitted to listing and trading at the time of payment, interest on the Securities will be payable without withholding or deduction on account of UK tax.

In all other cases, an amount must be withheld from payments of interest on the Securities on account of UK income tax at the lower rate which is currently 20 per cent, subject to any direction to the contrary by the Inland Revenue under an applicable double tax treaty.

The Inland Revenue has power to obtain information, including the name and address of an individual beneficial owner of the interest, from any person in the UK who either pays interest to or receives interest for the benefit of an individual. This information may, in some circumstances, be communicated by the Inland Revenue to the tax authorities of other jurisdictions.

Interest on the Securities constitutes UK source income for tax purposes and, as such, may be subject to tax by direct assessment even where paid without withholding.

However, interest with a UK source received without deduction or withholding on account of UK tax will not be assessable to tax in the hands of a US holder, other than certain trustees, who is not resident for tax purposes in the UK.

UK Stamp Duty and Stamp Duty Reserve Tax

No UK stamp duty or Stamp Duty Reserve Tax should be payable by holders of Securities in respect of the approval of the proposed amendments to the terms and conditions of the Securities and to the Principal Trust Deed, or the entering into the of the Supplemental Trust Deed in connection therewith.

European Union Savings Directive

The ECOFIN Council of the European Union formally adopted the Directive on the Taxation of Savings Income on June 3, 2003. Subject to a number of important conditions being met, it is proposed that Member States of the European Union will be required to provide to the tax or other relevant authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to an individual resident in that other Member State, subject to the right of certain Member States, namely Austria, Belgium and Luxembourg, to opt instead for a withholding tax system for a transitional period in relation to such payments. The Directive is intended to be effective from January 1, 2005. Holders are advised to consult their own professional advisers to determine the consequences of this Directive on their personal circumstances. It is anticipated that certain other countries, namely Switzerland, Liechtenstein, Monaco, Andorra and San Marino, and certain dependent and associated territories of the United Kingdom and the Netherlands, including the Channel Islands, the Isle of Man, and dependent or associated territories in the Caribbean, may agree to adopt measures regarding the taxation of savings income which are comparable to those contained in the Directive.

Amounts payable by Carnival Corporation

The Company shall cause all payments made by Carnival Corporation pursuant to the Carnival Corporation Guarantee in respect of the Securities to be paid without deduction or withholding for any and all present and future taxes, levies, imposts or other governmental charges whatsoever imposed, assessed, levied or collected by or for the account of the Republic of Panama (or by or for the account of the jurisdiction of incorporation (other than the United States) of a successor corporation to Carnival Corporation, to the extent that such taxes become applicable as a result of the successor corporation becoming the obligor on the Securities) or any political subdivision or taxing authority thereof or therein ("Panamanian Taxes") or, if deduction or withholding of any Panamanian Taxes shall at any time be required by the Republic of Panama (or the jurisdiction of incorporation (other than the United States) of a successor corporation to Carnival Corporation) or any such subdivision or authority, the Company shall cause Carnival Corporation to pay such additional amounts ("Carnival Additional Amounts") as may be necessary in order that the net amounts paid to each holder pursuant to the terms of this Agreement after such deduction or withholding shall equal the amounts then due and payable under the terms of this Agreement; provided, however, that the foregoing shall not apply to (i) any present or future Panamanian Taxes which would not have been so imposed, assessed, levied or collected but for the fact that the holder or beneficial owner of such Security being or having been a domiciliary, national or resident of, or engaging or having been engaged in business or maintaining or having maintained a permanent establishment or being or having been physically present in, the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival

Corporation) or such political subdivision or otherwise having or having had some connection with the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision other than the holding or ownership of a Security, or the collection of principal of and interest, if any, on, or the enforcement of, a Security, (ii) any present or future Panamanian Taxes which would not have been so imposed, assessed, levied or collected but for the fact that, where presentation is required, such Security was presented for payment on a date more than thirty days after the date such payment became due and payable or was provided for, whichever is later, except to the extent that the holder would have been entitled to Carnival Additional Amounts if it had presented its Security for payment on any day within the 30 day period, (iii) any present or future Panamanian Taxes which would not have been so imposed, assessed, levied or collected but for the failure to comply by the holder with a request of Carnival Corporation addressed to the holder to provide information concerning the nationality, residence, identity or connection with the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or any political subdivision or taxing authority thereof of the holder or beneficial owner of such Security or to make any declaration or other similar claim to satisfy any information or reporting requirement, which in either case, is required by statute or by rules or regulations of the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision or taxing authority as a precondition to relief or exemption from withholding or deduction of any Panamanian Taxes, (iv) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge; (v) any tax, duty, assessment or other governmental charge which is payable otherwise than by withholding or deduction from payment of (or in respect of) principal of, or any interest on, the Securities; (vi) any tax, duty, assessment or other governmental charge which is payable in respect of any payments on a certificated Security issued at the request of the Holder on or after the occurrence of an Event of Default; or (vii) any combination of the above items; nor will Carnival Additional Amounts be paid with respect to any payment of principal of, or any interest on, any Security to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent the payment would be required by the laws of the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or any political subdivision or taxing authority thereof or therein to be included in the income for tax purposes of a beneficiary or settler with respect to such fiduciary or a member of such partnership or to a beneficial owner who would

not have been entitled to such Carnival Additional Amounts had it been the Holder of the Security. The provisions described in (i) through (vii) above are referred to herein as "Excluded Taxes." The Company shall cause Carnival Corporation to indemnify and hold harmless each

holder of a Security and upon written request reimburse each holder for the amount of (i) any Panamanian Taxes levied or imposed and paid by such holder of a Security (other than Excluded Taxes) as a result of payments made with respect to such Security, (ii) any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, and (iii) any Panamanian Taxes with respect to payment of Carnival Additional Amounts or any reimbursement pursuant to this sentence. The Company shall cause Carnival Corporation to (1) make such withholding or deduction and (2) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law.

The Company shall, and shall cause Carnival Corporation to, use commercially reasonable efforts to facilitate administrative actions necessary to assist Holders to obtain any refund of or credit against Panamanian Taxes for which Carnival Additional Amounts are not paid as a result of the conditions in the preceding paragraph.

Notwithstanding the foregoing, if the Carnival Corporation Guarantee is in effect immediately prior to a consolidation, merger, sale, conveyance, transfer or other disposition of assets and such transaction is not prohibited by the DLC Agreements, in the case of (i) any merger or consolidation by (x) the Company, the Guarantor or any Restricted Subsidiaries with (y) Carnival Corporation or any of its Subsidiaries, (ii) any sale, conveyance, transfer or other disposition of assets by (x) the Company, the Guarantor or any Restricted Subsidiaries to (y) Carnival Corporation or any of its Subsidiaries, clause (a) of the first sentence of this Section 5.01 shall be deemed to have been satisfied.

The Company will not lease all or substantially all of its assets to any Person.

Item 20. *Indemnification of Directors and Officers.*

Carnival Corporation's third amended and restated articles of incorporation and by-laws provide, subject to the requirements set forth therein, that with respect to any person who was or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, Carnival Corporation shall indemnify such person by reason of the fact that he is or was one of Carnival Corporation's or Carnival plc's directors or officers, and may indemnify such person by reason of the fact that he is or was one of Carnival Corporation's or Carnival plc's employees or agents or is or was serving at Carnival Corporation's or Carnival plc's request as a director, officer, employee or agent in another corporation, partnership, joint venture, trust or other enterprise, in either case against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to Carnival Corporation's or Carnival plc's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Carnival Corporation has entered into agreements with each of its directors providing essentially the same indemnities as are described in Carnival Corporation's third amended and restated articles of incorporation in the event that such director or such director's heirs, executors or administrators are made a party to threatened, pending or completed actions, suits or proceedings as described above.

Article 288 of Carnival plc's articles of association provides:

"Subject to the provisions of the Companies Acts but without prejudice to any indemnity to which a director may otherwise be entitled, every director or other officer of Carnival plc or of Carnival Corporation shall be indemnified out of the assets of Carnival plc against any liability incurred by him to the fullest extent permitted under the law."

Under the UK Companies Act 1985, a UK company is not permitted to indemnify a director or officer of the company (or any person employed by the company as an auditor) against any liability in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the company. UK companies, however, may:

- purchase and maintain liability insurance for officers and directors; and
- indemnify officers and directors against any liability incurred by him either in defending any proceedings in which judgment is given in his favor or he is acquitted, or in connection with the court granting him relief from liability in the case of honest and reasonable conduct.

Carnival plc has entered into agreements with each of its directors providing essentially the same indemnities as are described in Carnival plc's articles of association as described above.

Item 17. Undertakings

(1) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(2) The undersigned registrants hereby undertake to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the Registration Statement when it became effective.

(3) The undersigned registrants hereby undertake to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the Registration Statement though the date of responding to the request.

(4) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

construction arising from progress or partial payments by a customer of a Carnival Corporation & plc Company relating to such property or assets; (xiv) rights of financial institutions to offset credit balances in connection with the operation of cash management programs established for the benefit of a Carnival Corporation & plc Company; (xv) Mortgages encumbering deposits made to secure obligations arising from statutory, regulatory, contractual or warranty requirements of a Carnival Corporation & plc Company; (xvi) Mortgages on any property of the Company, Carnival Corporation or a Restricted Subsidiary in favor of the federal government of the United States or the government of any state thereof or the government of the United Kingdom, or the European Union, or any instrumentality of any of them, securing the obligations of a Carnival Corporation & plc Company pursuant to any contract or payments owed to such entity pursuant to applicable laws, rules, regulations or statutes; (xvii) Mortgages securing taxes or assessments or other applicable charges or levies; (xviii) Mortgages securing industrial revenue, development or similar bonds issued by or for the benefit of a Carnival Corporation & plc Company, *provided* that such industrial revenue, development or similar bonds are nonrecourse to such Carnival Corporation & plc Company; and (xix) any extension, renewal or replacement (or successive extensions, renewals or replacements), as a whole or in part, of any Mortgage referred to in the foregoing clauses, or of any Debt secured thereby; *provided* that the principal amount of Debt secured thereby will not exceed the principal amount of Debt so secured at the time of such extension, renewal, or replacement, and that such extension, renewal or replacement Mortgage will be limited to all or any part of the same property or shares of stock that secured the Mortgage extended, renewed or replaced (plus improvements on such property), or property received or shares of stock issued in substitution or exchange therefor.

Notwithstanding the foregoing, the Company, Carnival Corporation or any Subsidiary of which the Company and/or Carnival Corporation owns, directly or indirectly, at least 80% of such Subsidiary's voting shares may create, incur, guarantee or assume Debt secured by a Mortgage or Mortgages which would otherwise be subject to the foregoing restrictions in an aggregate amount which, together with all other such Debt of Carnival Corporation & plc secured by a Mortgage or Mortgages and Carnival Corporation & plc's Attributable Debt in respect of Sale and Leaseback Transactions (other than Attributable Debt in respect of Sale and Leaseback Transactions permitted because the relevant Carnival Corporation & plc Company would be entitled to create, incur, guarantee or assume such Debt secured by a Mortgage on the property to be leased without equally and ratably securing the Securities pursuant to the preceding paragraph and other than a Sale and Leaseback Transaction the proceeds of which have been applied within twelve months after its consummation to the Net Proceeds to the retirement or repayment of Funded Debt (as described in Section 4.08)), does not at the time such Debt is incurred exceed 20% of Consolidated Net Tangible Assets."

SECTION 6. Section 4.08 of the Original Indenture is hereby amended and restated in its entirety to read as follows:

"SECTION 4.08. *Sale and Leaseback Transactions.* The Company shall not, and shall not permit Carnival Corporation or any Subsidiary of which the Company and/or Carnival Corporation owns, directly or indirectly, at least 80% of such Subsidiary's voting shares to, enter into any arrangement with a third party (not including any Carnival Corporation & plc Company) providing for the leasing by such Carnival Corporation & plc Company for a period, including renewals, in excess of three years, of any Principal Property which has been owned by such Carnival Corporation & plc Company for more than 270 days and which has been or is to be sold or transferred by such Carnival Corporation & plc Company to the third party (a "**Sale and Leaseback Transaction**") unless, after giving effect thereto, the aggregate amount of all Attributable Debt with respect to all of these Sale and Leaseback Transactions plus all the debt of Carnival Corporation & plc incurred, issued, assumed or guaranteed and secured by a Mortgage or Mortgages (with the exception of debt secured by a Mortgage or Mortgages on property that any Carnival Corporation & plc Company would be entitled to create, incur, issue, guarantee or assume without equally and ratably securing the Securities pursuant to the provisions of the Securities pursuant to Section 4.07) does not exceed 20% of Consolidated Net

Tangible Assets. This restriction will not apply to any Sale and Leaseback Transaction if (i) such Carnival Corporation & plc Company would be entitled to create, incur, issue, guarantee or assume Debt secured by a Mortgage or Mortgages on the Principal Property to be leased without equally and ratably securing the Securities pursuant to the provisions of the Securities pursuant to Section 4.07, (ii) within a period commencing twelve months prior to the consummation of the Sale and Leaseback Transaction and ending twelve months after the consummation of such Sale and Leaseback Transaction, such Carnival Corporation & plc Company has expended or will expend for any Principal Property (including capital improvements thereon) an amount equal to (x) the Net Proceeds or (y) the part of the Net Proceeds which such Carnival Corporation & plc Company has elected not to apply in the manner described in the following clause (iii); or (iii) such Carnival Corporation & plc Company, within twelve months after the consummation of any Sale and Leaseback Transaction, applies an amount equal to the Net Proceeds (less any amount expended for Principal Property under the preceding clause (ii)(y)) to the retirement or repayment of Funded Debt of a Carnival Corporation & plc Company ranking equally in right of payment with the Securities or Funded Debt of a Subsidiary of Carnival Corporation or the Company. No retirement referred to in the preceding clause (iii) may be effected by payment at maturity or pursuant to any mandatory sinking fund or prepayment provision (unless such repayment is required due to the receipt of the Net Proceeds)."

SECTION 7. The Original Indenture is hereby amended by adding a new Section 4.10 to read in its entirety as follows:

"SECTION 4.10 *Amounts payable by Carnival Corporation.* The Company shall cause all payments made by Carnival Corporation pursuant to the Carnival Corporation Guarantee in respect of the Securities to be paid without deduction or withholding for any and all present and future taxes, levies, imposts or other governmental charges whatsoever imposed, assessed, levied or collected by or for the account of the Republic of Panama (or by or for the account of the jurisdiction of incorporation (other than the United States) of a successor corporation to Carnival Corporation, to the extent that such taxes become applicable as a result of the successor corporation becoming the obligor on the Securities) or any political subdivision or taxing authority thereof or therein ("Panamanian Taxes") or, if deduction or withholding of any Panamanian Taxes shall at any time be required by the Republic of Panama (or the jurisdiction of incorporation (other than the United States) of a successor corporation to Carnival Corporation) or any such subdivision or authority, the Company shall cause Carnival Corporation to pay such additional amounts ("Carnival Additional Amounts") as may be necessary in order that the net amounts paid to each holder pursuant to the terms of this Agreement after such deduction or withholding shall equal the amounts then due and payable under the terms of this Agreement; *provided, however,* that the foregoing shall not apply to (i) any present or future Panamanian Taxes which would not have been so imposed, assessed, levied or collected but for the fact that the holder or beneficial owner of such Security being or having been a domiciliary, national or resident of, or engaging or having been engaged in business or maintaining or having maintained a permanent establishment or being or having been physically present in, the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision or otherwise having or having had some connection with the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision other than the holding or ownership of a Security, or the collection of principal of and interest, if any, on, or the enforcement of, a Security, (ii) any present or future Panamanian Taxes which would not have been so imposed, assessed, levied or collected but for the fact that, where presentation is required, such Security was presented for payment on a date more than thirty days after the date such payment became due and payable or was provided for, whichever is later, except to the extent that the holder would have been entitled to Carnival Additional Amounts if it had presented its Security for payment on any day within the 30 day period, (iii) any present or future Panamanian Taxes which would not have been so imposed, assessed, levied or collected but for the failure to comply by the holder with a request of Carnival Corporation addressed to the holder to provide information

concerning the nationality, residence, identity or connection with the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or any political subdivision or taxing authority thereof of the holder or beneficial owner of such Security or to make any declaration or other similar claim to satisfy any information or reporting requirement, which in either case, is required by statute or by rules or regulations of the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or such political subdivision or taxing authority as a precondition to relief or exemption from withholding or deduction of any Panamanian Taxes, (iv) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge; (v) any tax, duty, assessment or other governmental charge which is payable otherwise than by withholding or deduction from payment of (or in respect of) principal of, or any interest on, the Securities; (vi) any tax, duty, assessment or other governmental charge which is payable in respect of any payments on a certificated Security issued at the request of the Holder on or after the occurrence of an Event of Default; or (vii) any combination of the above items; nor will Carnival Additional Amounts be paid with respect to any payment of principal of, or any interest on, any Security to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent the payment would be required by the laws of the Republic of Panama (or the jurisdiction of incorporation of a successor corporation to Carnival Corporation) or any political subdivision or taxing authority thereof or therein to be included in the income for tax purposes of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or to a beneficial owner who would not have been entitled to such Carnival Additional Amounts had it been the Holder of the Security. The provisions described in (i) through (vii) above are referred to herein as "Excluded Taxes." The Company shall cause Carnival Corporation to indemnify and hold harmless each holder of a Security and upon written request reimburse each holder for the amount of (i) any Panamanian Taxes levied or imposed and paid by such holder of a Security (other than Excluded Taxes) as a result of payments made with respect to such Security, (ii) any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, and (iii) any Panamanian Taxes with respect to payment of Carnival Additional Amounts or any reimbursement pursuant to this sentence. The Company shall cause Carnival Corporation to (1) make such withholding or deduction and (2) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law.

The Company shall, and shall cause Carnival Corporation to, use commercially reasonable efforts to facilitate administrative actions necessary to assist Holders to obtain any refund of or credit against Panamanian Taxes for which Carnival Additional Amounts are not paid as a result of the conditions in the preceding paragraph."

SECTION 8. Section 5.01 of the Original Indenture is hereby amended by adding the following text at the end of the first paragraph thereof:

"Notwithstanding the foregoing, if the Carnival Corporation Guarantee is in effect immediately prior to a consolidation, merger, sale, conveyance, transfer or other disposition of assets and such transaction is not prohibited by the DLC Agreements, in the case of (i) any merger or consolidation by (x) the Company, the Guarantor or any Restricted Subsidiaries with (y) Carnival Corporation or any of its Subsidiaries, (ii) any sale, conveyance, transfer or other disposition of assets

by (x) the Company, the Guarantor or any Restricted Subsidiaries to (y) Carnival Corporation or any of its Subsidiaries, clause (a) of the first sentence of this Section 5.01 shall be deemed to have been satisfied."

SECTION 9. Section 6.01(d) of the Original Indenture is hereby amended and restated in its entirety to read as follows:

"(d) default under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company, Carnival Corporation or any Principal Subsidiary having an aggregate principal amount outstanding of the greater of £25,000,000 or 0.5% of Consolidated Net Tangible Assets (or their respective equivalents in any other currency) or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company, Carnival Corporation or any Principal Subsidiary, whether such indebtedness now exists or will hereafter be created which default will have resulted in such indebtedness of the greater of £25,000,000 or 0.5% (or their respective equivalents in any other currency) of Consolidated Net Tangible Assets becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such indebtedness having been discharged, or such acceleration having been rescinded or annulled, within a period of 30 days after written notice is provided to the Company;"

SECTION 10. Section 6.01(e) of the Original Indenture is hereby amended and restated in its entirety to read as follows:

"(e) the Company, Carnival Corporation, the Guarantor or any Principal Subsidiary pursuant to or within the meaning of Bankruptcy Law:

- (i) commences a voluntary case,
- (ii) consents to the entry of an order for relief against it in an involuntary case,
- (iii) consents to the appointment of a Custodian of it or for all or substantially all of its property,
- (iv) makes a general assignment for the benefit of its creditors, or
- (v) generally is not paying its debts as they become due; and"

SECTION 11. Section 6.01(f) of the Original Indenture is hereby amended and restated in its entirety to read as follows:

"(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (i) is for relief against the Company, Carnival Corporation or the Guarantor in an involuntary case,

8

-
- (ii) appoints a Custodian of the Company, Carnival Corporation, the Guarantor or any Principal Subsidiary or for all or substantially all of the property of the Company, the Guarantor, Carnival Corporation or any Principal Subsidiary; or
 - (iii) orders the liquidation of the Company, Carnival Corporation, the Guarantor or any Principal Subsidiary;

and the order or decree remains unstayed and in effect for 90 consecutive days;

provided, however, that there will not be an Event of Default under Section 6.01(d) if the bond, debenture, note or other evidence of indebtedness in question is the subject of non-recourse financing arrangement under which the lender's right of recourse is limited to a specific asset and there is no further recourse by the relevant creditor against the general assets of the Company, Carnival Corporation, the Guarantor or any Principal Subsidiary; and *provided further*, that it will not be an Event of Default under Clause (e) and (f) if the event in question relates solely to property of the Company, Carnival Corporation, the Guarantor or a Principal Subsidiary that is the subject of a non-recourse financing arrangement described in the previous proviso, and if such event does not, directly or indirectly, give further recourse by the relevant creditor to the general assets (or any other property) of the Company, Carnival Corporation, the Guarantor or a Principal Subsidiary."

SECTION 12. This First Supplemental Indenture shall become effective upon its execution and delivery by the parties hereto.

SECTION 13. The Company and the Guarantor agree that the Trustee is permitted to place a notation about this First Supplemental Indenture on the Securities in accordance with the provisions of Section 9.05 of the Indenture.

SECTION 14. The Trustee accepts this First Supplemental Indenture and agrees to execute the trust created by the Indenture as hereby supplemented, but only upon the terms and conditions set forth in the Indenture, including the terms and provisions defining and limiting the liabilities and responsibilities of the Trustee, which terms and provisions shall in like manner define and limit its liabilities and responsibilities in the performance of the trust created by the Indenture.

SECTION 15. The Indenture, as hereby amended, is in all respects ratified and confirmed, and the terms and conditions thereof shall be and remain in full force and effect.

SECTION 16. The recitals contained in this First Supplemental Indenture shall be taken as the statements made solely by the Company and the Guarantor, and the Trustee shall have no liability or responsibility for their correctness and, without limiting the generality of the foregoing, the Trustee shall not be responsible in any manner whatsoever for or with respect to (i) the validity or sufficiency of this First Supplemental Indenture or any of the terms or provisions hereof, (ii) the proper authorization hereof by the Company and the Guarantor by corporate action or otherwise, (iii) the due execution hereof by the Company and the Guarantor or (iv) the consequences (direct or indirect and whether deliberate or inadvertent) of any amendment herein provided for, and the Trustee makes no representation with respect to any such matters.

SECTION 17. **THIS FIRST SUPPLEMENTAL INDENTURE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAW PROVISIONS THEREOF THAT WOULD REQUIRE APPLICATION OF THE LAW OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.**

SECTION 18. In case any provision in this First Supplemental Indenture is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 19. If any provision of this First Supplemental Indenture limits, qualifies or conflicts with any provision of the TIA that is required under the TIA to be part of and govern the Indenture, such provision of the TIA shall control. If any provision of this First Supplemental Indenture modifies or excludes any provision of the TIA that may be so modified or excluded, the provision of the TIA shall be deemed to apply to the Indenture as so modified or to be excluded by this First Supplemental Indenture, as the case may be.

SECTION 20. This First Supplemental Indenture may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

[The remainder of this page is intentionally blank.]

IN WITNESS WHEREOF, the parties hereto have caused this First Supplemental Indenture to be duly executed and attested, all as of the date first above written.

Ladies and Gentlemen:

Pursuant to the consent solicitation (the "Consent Solicitation") by Carnival plc (formerly known as P&O Princess Cruises plc) ("Carnival plc") by means of a Prospectus, dated June 16, 2003 (the "Prospectus"), of the consents (the "Consents") of the registered holders of Carnival plc's 7.30% Notes due June 1, 2007 and 7.875% Debentures due June 1, 2027 (collectively, the "Securities") guaranteed by P&O Princess Cruises International Limited, to certain proposed amendments (the "Proposed Amendments") to the Indenture, the undersigned hereby consents, in respect of the Securities indicated below, to the Proposed Amendments and to the execution of the Supplemental Indenture, which will amend the Indenture, in respect of the Securities in the manner set forth in Annex A to the Prospectus. **Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Prospectus.**

Forming Part of the Terms and Conditions of the Solicitation

1. **No Alteration; Waiver of Notice of Acceptance.** No alternative, conditional or contingent Consents will be accepted. Consenting holders, by execution of this Letter of Consent (or facsimile hereof), waive any right to receive notice of the acceptance of their Consent.

2. **Inadequate Space.** If the space provided above to list the aggregate principal amount and DTC Participant Name and DTC Participant Number is inadequate, such information should be listed on a separate schedule affixed to this Letter of Consent.

3. **Holders Entitled to Consent.** Only a holder (or his or her representative or attorney-in-fact acting pursuant to a valid proxy or other authorization as indicated herein) as of 5:00 p.m., New York City time, on Wednesday, June 11, 2003 (the "Record Date"), may deliver a Consent. **A beneficial owner of the Securities who is not the holder of such Securities (i.e., whose Securities are registered in the name of a nominee such as a brokerage firm) must instruct such nominee to execute a Letter of Consent and deliver it to the Information Agent on such beneficial owner's behalf. A Letter of Instruction is included in the accompanying "Letter to Our Clients" for this purpose.** Subject to the right of revocation described in Instruction 4 below, a Consent by a holder is a continuing Consent, binding such holder and its transferees, notwithstanding that ownership of the Securities is transferred after the date of this Letter of Consent.

4. **Consent to Proposed Amendments; Revocation of Consent.** Holders who elect to consent to the Proposed Amendments should so indicate by completing, signing and dating this Letter of Consent and by mailing or delivering the same to the Information Agent in the manner set forth on the front cover of this Letter of Consent for receipt prior to 5:00 p.m., New York City time, on Tuesday, July 15, 2003, unless the Consent Solicitation is otherwise terminated or extended in Carnival plc's sole discretion in accordance with the instructions contained in the Prospectus. Unless otherwise indicated, the holder will be deemed to have delivered a Consent in respect of the entire aggregate principal amount represented by the Securities held by such holder.

Any holder who has delivered this Letter of Consent consenting to the Proposed Amendments may revoke such Consent as to such Securities or any portion of such Securities, in integral multiples of U.S. \$1,000, by delivering to the Information Agent a written notice of revocation or a changed Letter of Consent bearing a date later than the date of the prior Letter of Consent with the Information Agent at any time prior to the Expiration Date. To be effective, such written notice of revocation must be received by the Information Agent prior to 5:00 p.m., New York City time, on the Expiration Date. Thereafter, Consents received will no longer be revocable.

The written notice of revocation of such Consent must include the name, address and DTC Participant number of the holder and the aggregate principal amount of the series of Securities to which such revocation relates. The revocation must be executed by such holder (a) in the same manner as this Letter of Consent or (b) signed by the transferee of the relevant Securities and accompanied by a duly executed proxy or other authorization from the relevant holder, in form satisfactory to Carnival plc, as of the Record Date of such series of Securities.

5. **Signatures on the Letter of Consent.** The signatures on this Letter of Consent must correspond exactly with the name(s) as shown on the DTC security position listing for the Securities, without alterations, enlargement or any change whatsoever. If any Securities are owned of record by two or more joint owners, all such owners must sign this Letter of Consent.

If this Letter of Consent or any powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and proper evidence satisfactory to Carnival plc of their authority so to act must be submitted.

6

6. **Irregularities.** All questions as to the validity, form, eligibility (including time of receipt) and acceptance of any delivery of Consents will be determined by Carnival plc in its reasonable discretion, and its determination shall be conclusive and binding. Carnival plc reserves the right to reject any or all Letter of Consents (i) determined by it to be not in proper form, or (ii) the acceptance of which may, in the opinion of Carnival plc or its counsel, be unlawful. Carnival plc reserves the right to waive any defect or irregularity with regard to any particular Letter of Consents or revocations thereof. Unless waived, any defects or irregularities in connection with Consents must be cured within such time as Carnival plc shall determine. None of Carnival plc, Carnival Corporation or any of their affiliates, the Information Agent, the Solicitation Agents, the Trustee or any other person shall be under any duty to give notice of any defects or irregularities in Consents, nor shall any of them incur any liability for failure to give any such notice. Deliveries of Letter of Consents will not be deemed to have been made until any defects and irregularities have been cured or waived.

7. **Requests for Assistance or Additional Copies.** Requests for assistance in completing this Letter of Consent, as well as requests for additional copies of the Prospectus and this Letter of Consent, may be directed to the Information Agent, D.F. King & Co., Inc., at the telephone numbers set forth on the back cover page of this Letter of Consent.

To Holders of Carnivals plc's 7.30% Notes due June 1, 2007
and/or 7.875% Debentures due June 1, 2027
Guaranteed by P&O Princess Cruises International Limited

Enclosed for your consideration is a Prospectus dated June 16, 2003 (the "Prospectus") and related consent letter (the "Letter of Consent") relating to the solicitation (the "Consent Solicitation") of consents (the "Consents") by Carnival plc (formerly known as P&O Princess Cruises plc) ("Carnival plc") to certain proposed amendments (the "Proposed Amendments") to the Indenture governing Carnival plc's 7.30% Notes due June 1, 2007 and 7.875% Debentures due June 1, 2027 (collectively, the "Securities") among Carnival plc, P&O Princess Cruises International Limited, as Guarantor, and The Bank of New York, as Trustee. **Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Prospectus.**

The purpose of the Proposed Amendments is to modify certain covenants in the Indenture governing the Securities and to reflect the structure resulting from Carnival plc and Carnival Corporation entering into a dual listed company transaction. In return for Consents, Carnival Corporation is offering an unsubordinated, unsecured guarantee of the Securities.

Consents may be revoked, subject to the procedures described in the Prospectus, at any time prior to 5:00 p.m., New York City time, on the Expiration Date, but not thereafter. If the Proposed Amendments are adopted, each holder will be bound by the Proposed Amendments whether or not such holder delivered a Consent.

As more fully described in the Prospectus, the Proposed Amendments include:

- amendments to the negative covenants so they apply to Carnival Corporation and Carnival plc and their respective subsidiaries on a combined basis;
 - amendments to the financial reporting covenants to clarify that the delivery of Combined Group financial information would satisfy the reporting requirements;
 - an amendment so that all accounting terms not otherwise defined in the Indenture have the meanings given to them by US GAAP, rather than UK GAAP;
 - the addition of a covenant requiring Carnival Corporation to pay additional amounts to holders of the Securities as a result of specified Panamanian taxes;
-
- an amendment to the covenant regarding merger, consolidation and sale of assets to permit a merger or consolidation with, or sale or other disposition of assets to, Carnival Corporation without complying with the jurisdiction of incorporation restriction, if certain conditions are satisfied; and
 - amendments to the events of default to reflect the financial position of the Combined Group.

The change being sought by the Consent Solicitation will not by itself alter any obligation Carnival plc may incur to pay the principal of or interest on the Securities or alter the interest rate or maturity date thereof.

In order to be effective, your Consent must be validly received and not validly revoked prior to 5:00 p.m., New York City time, on Tuesday, July 15, 2003, unless such date is extended by Carnival plc, as described in the Prospectus. Consents may only be revoked under the circumstances described in the Prospectus.

Any questions concerning the terms of the Consent Solicitation may be directed to Merrill Lynch & Co. at (888) 654-8637 (toll-free) or (212) 449-4914 (collect) or to UBS Securities LLC at (203) 719-8035 (collect). Any questions and requests for assistance in completing and delivering Consents, or requests for additional copies of the Prospectus or the Letter of Consent, may be directed to D. F. King & Co., Inc., the Information Agent, at (212) 269-5550 (banks and brokerage firms) or (800) 487-4870 (all others toll-free). All Consents should be returned to D. F. King & Co., Inc. by mail at 48 Wall Street, 22nd Floor, New York, NY 10005, or by fax at (212) 809-8839 with telephone confirmation at (212) 269-5550 ext. 6831.

Very truly yours,

To Our Clients:

We enclose for your consideration a Prospectus dated June 16, 2003 (the "Prospectus") and related consent letter (the "Letter of Consent") relating to the solicitation (the "Consent Solicitation") of consents (the "Consents") by Carnival plc (formerly known as P&O Princess Cruises plc) ("Carnival plc") to certain amendments (the "Proposed Amendments") to the Indenture governing Carnival plc's 7.30% Notes due June 1, 2007 and 7.875% Debentures due June 1, 2027 (collectively, the "Securities") among Carnival plc, P&O Princess Cruises International Limited, as Guarantor, and The Bank of New York, as Trustee. For a description of the Proposed Amendments, see the section entitled "Description of the Consent Solicitation—Summary of the Proposed Amendments" in the Prospectus. **Capitalized terms used and not otherwise defined herein have the meanings ascribed to such terms in the Prospectus.**

The purpose of the Proposed Amendments is to modify certain covenants in the Indenture governing the Securities and to reflect the structure resulting from Carnival plc and Carnival Corporation entering into a dual listed company transaction. In return for the Consents, Carnival Corporation is offering an unsubordinated, unsecured guarantee of the Securities.

The Consent Solicitation is being made to all registered holders of the Securities at 5:00 p.m., New York City time, Wednesday, June 11, 2003 (the "Record Date"), and their duly appointed proxies, including participants in The Depository Trust Company (the "DTC"), that held Securities on the Record Date through DTC or its nominee. Such registered holders and DTC participants are referred to herein as "holders". Holders must validly deliver (and not validly revoke) Consents in respect of not less than a majority in aggregate principal amount of each series of outstanding Securities (the "Requisite Consents") in order that the Proposed Amendments may become effective. Carnival plc intends to execute and deliver a Supplemental Indenture giving effect to the Proposed Amendments on the Expiration Date.

We are a holder of an interest in the Securities for your account. A Consent to the Proposed Amendments with respect to such interest can only be given by us as holder as of the Record Date, and only if you so instruct us. We request that, as the beneficial owner of the Securities as of the Record Date, you execute and deliver to us the Letter of Instruction included in this letter, indicating whether you wish us to execute and deliver a Consent to the Proposed Amendments with respect to the Securities which we hold for your account.

The Letter of Consent is furnished to you for your information only and cannot be used by you to deliver a Consent to the Proposed Amendments. If you wish us to deliver a Consent for any portion or

the entire aggregate principal amount of the Securities which we hold for your account, please so instruct us by completing, executing and returning to us the Letter of Instruction set forth herein. **Unless otherwise specified in the Letter of Instruction, if you authorize us to consent, we will consent with respect to the entire aggregate principal amount of the Securities which we hold for your account.**

YOUR PROMPT ATTENTION IS REQUIRED. YOUR INSTRUCTIONS SHOULD BE FORWARDED TO US IN SUFFICIENT TIME TO PERMIT US TO SUBMIT A LETTER OF CONSENT WITH RESPECT TO YOUR SECURITIES PRIOR TO THE EXPIRATION OF THE CONSENT SOLICITATION. THE CONSENT SOLICITATION WILL EXPIRE AT 5:00 P.M., NEW YORK CITY TIME, ON TUESDAY, JULY 15, 2003, UNLESS OTHERWISE EXTENDED OR TERMINATED BY CARNIVAL PLC IN ITS SOLE DISCRETION. HOLDERS MUST DELIVER THEIR CONSENTS TO THE PROPOSED AMENDMENTS PRIOR TO 5:00 P.M., NEW YORK CITY TIME, ON THE EXPIRATION DATE. CONSENTS MAY BE REVOKED AT ANY TIME PRIOR TO 5:00 PM., NEW YORK CITY TIME, ON THE EXPIRATION DATE, BUT NOT THEREAFTER.

Requests for assistance in filling out and delivering the attached Letter of Instruction or for additional copies of the Prospectus and related documents may be directed to the Information Agent at its addresses and telephone numbers set forth on the back cover page of the Prospectus.
