FTC CLEARS CARNIVAL / P&O PRINCESS COMBINATION
INCREASED OFFER PRE-CONDITION SATISFIED
P&O PRINCESS TO ENTER TALKS WITH CARNIVAL

The Federal Trade Commission ("FTC") today announced the clearance of the proposed combination of Carnival and P&O Princess and that it has authorised its staff to close the investigation into the proposed combination. Carnival notes that in its press release the FTC stated that "the proposed transactions will not adversely affect consumers" and that "the facts do not warrant enforcement action".

As a result of receiving FTC clearance, the Pre-condition to Carnival's Increased Offer for P&O Princess has now been satisfied. Carnival's premium Increased Offer is now clearly as deliverable as the Royal Caribbean Proposal. The decision by the FTC follows clearance of the proposed combination of Carnival and P&O Princess by the European Commission and validates Carnival's consistent statements to this effect.

MICKY ARISON, CHAIRMAN AND CHIEF EXECUTIVE OF CARNIVAL, COMMENTED:

"WE ARE OF COURSE DELIGHTED WITH THE CONCLUSIONS REACHED BY THE FTC. WE HAVE CONSISTENTLY STATED THAT THE CARNIVAL OFFER, AS STRUCTURED, IS CLEARLY FINANCIALLY SUPERIOR TO, AND IS AS DELIVERABLE AS, THE ROYAL CARIBBEAN PROPOSAL. THE VALUE OF OUR PREMIUM OFFER IS CLEAR AND HAS A HIGHER DEGREE OF CERTAINTY THAN THE ROYAL CARIBBEAN PROPOSAL, WHICH IS DEPENDENT UPON THE DELIVERY OF BOTH SYNERGIES AND A MARKET RE-RATING."

Carnival notes P&O Princess' announcement of earlier today and is consulting with its advisers. A further announcement will be made in due course.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Certain statements in this announcement constitute "forward-looking statements" within the meaning of the US Private Securities Litigation Reform Act of 1995. Carnival has tried, wherever possible, to identify such statements by using words such as "anticipate," "assume," "believe," "expect," "intend," "plan" and words and terms of similar substance in connection with any discussion of future operating or financial performance. These forward-looking statements, including those which may impact the forecasting of Carnival's annual cost savings that underlie estimates of synergies and one time costs to implement synergies, net revenue yields, booking levels, price, occupancy or business prospects, involve known and unknown risks, uncertainties and other factors, which may cause Carnival's actual results, performances or achievements to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include, among others, the following: general economic and business conditions which may impact levels of disposable income of consumers and the net revenue yields for Carnival's cruise products; consumer demand for cruises and other vacation options; other vacation industry competition; effects on consumer demand of armed conflicts, political instability, terrorism, the availability of air service and adverse media publicity; increases in cruise industry and vacation industry capacity; continued availability of attractive port destinations; changes in tax laws and regulations; Carnival's ability to implement its brand strategy, Carnival's ability to implement its shipbuilding program and to continue to expand its business outside the North American market; Carnival's ability to attract and retain shipboard crew; changes in foreign currency rates, security expenses, food, fuel, insurance and commodity prices and interest rates; delivery of new ships on schedule and at the contracted prices; weather patterns; unscheduled ship repairs and dry-docking; incidents involving cruise ships; impact of pending or threatened litigation; and changes in laws and regulations applicable to Carnival.

Carnival cautions the reader that these risks may not be exhaustive. Carnival operates in a continually changing business environment, and new risks emerge from time to time. Carnival cannot predict such risks nor can it assess the impact, if any, of such risks on its business or the extent to which any risk, or combination of risks may cause actual results to differ from those projected in any forward-looking statements. Accordingly, forward-looking statements should not be relied upon as a prediction of actual results. Carnival undertakes no obligation publicly to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
